4. SETUP

4.1 Initial Charge

Before first use, fully charge your Nimble Champ Portable Charger. Connect the included USB-C cable to one of the power bank's USB-C ports and the other end to a compatible USB-C wall adapter (not included). The LED power indicators will illuminate to show charging progress and turn solid when fully charged.

4.2 Checking Battery Level

Press the power button located on the side of the power bank. The LED indicators will light up to show the current battery level:

- 4 LEDs: 75-100%
- 3 LEDs: 50-75%
- 2 LEDs: 25-50%
- 1 LED: 0-25%

5. OPERATING INSTRUCTIONS

5.1 Charging Devices

To charge your device:

1. Connect your device's charging cable to one of the USB-C output ports on the Nimble Champ Portable Charger.
2. Connect the other end of the cable to your device.
3. The power bank will automatically begin charging your device. If it does not, press the power button once.

CHARGE TWO DEVICES AT ONCE

20W FAST CHARGING MAX OUTPUT
Charge your device from 0-50% in 30mins

7. SAFETY INFORMATION

To ensure safe operation and prolong the life of your device, please observe the following:

- Do not expose the power bank to extreme temperatures (hot or cold).
- Avoid dropping, disassembling, or attempting to repair the device yourself.
- Keep away from water and high humidity.
- Use only certified charging cables and adapters.
- The power bank is TSA compliant for air travel.

8. MAINTENANCE

To maintain your Nimble Champ Portable Charger:

- Clean the exterior with a soft, dry cloth.
- Store in a cool, dry place when not in use.
- Avoid prolonged exposure to direct sunlight.

9. TROUBLESHOOTING

- **Device not charging:** Ensure the power bank is charged. Press the power button once to activate charging. Check cable connections and try a different cable or port.
- **Power bank not charging:** Ensure the charging cable and wall adapter are functioning correctly. Try a different cable or adapter.
- **Slow charging:** Verify that your device and cable support fast charging. Some devices may charge at a slower rate depending on their specifications.
