Scrub Daddy FG0009903001EA0EN02

Scrub Daddy Color Sponges Instruction Manual

Model: FG0009903001EA0EN02

1. INTRODUCTION

Thank you for choosing Scrub Daddy Color Sponges. These multipurpose cleaning tools are designed to provide effective and versatile cleaning for various surfaces in your home. Made with FlexTexture polymer foam, they adapt their texture based on water temperature, offering both gentle and firm scrubbing capabilities.

Image 1.1: Packaging for the 3-pack of Scrub Daddy Color Sponges, showing blue, orange, and green sponges.

2. PRODUCT FEATURES

- **FlexTexture Technology:** The unique polymer foam changes texture based on water temperature. It becomes firm in cold water for tough scrubbing and soft in warm water for lighter cleaning tasks.
- **Scratch-Free Cleaning:** Safe for use on a wide range of surfaces, including glass, stainless steel, cast iron, non-stick coatings, copper, chrome, and leather, without causing scratches.
- **Odor Resistant:** When properly maintained, these sponges are designed to resist odors and stains for up to 8 weeks.
- **Ergonomic Design:** The circular shape with eye and mouth cutouts is designed to fit comfortably in your hand, providing a secure grip. The 'eyes' allow for a 360-degree reach, and the 'mouth' is ideal for cleaning both sides of utensils simultaneously.
- **Multipurpose Use:** Suitable for various cleaning tasks in the kitchen, bathroom, and other household areas.

FlexTexture® Technology

In **warm water** it's **soft**
and more absorbent.
In **cold water** it's **firm**
for scrubbing seriously
stuck-on messes.

3. USAGE INSTRUCTIONS

3.1 Initial Use

Before first use, rinse the sponge under water. The sponge is ready for immediate use.

3.2 General Cleaning

1. **Adjust Texture:** For tough, stuck-on messes, use cold water to make the sponge firm. For lighter cleaning and increased absorbency, use warm water to make the sponge soft.
2. **Apply Cleaning Agent:** Apply your preferred cleaning solution directly to the sponge or the surface to be cleaned.
3. **Scrub:** Use the sponge to scrub the desired surface. The ergonomic design allows for easy gripping and efficient cleaning of various items, including dishes, utensils, and larger surfaces.

4. **Rinse:** After cleaning, rinse the sponge thoroughly under running water to remove debris and cleaning agents.

***Their shape is ergonomic
and fully functional***

***Scratch
Free***

***Dishwasher

3.3 Surface Compatibility

Scrub Daddy sponges are safe for use on a variety of surfaces. These include, but are not limited to:

- Glass
- Non-stick coatings
- Granite
- Ceramic
- Wood
- Stainless Steel
- Cast Iron
- Copper

- Chrome
- Leather

Safe to use on over a dozen surfaces

***Glass, non-stick coatings, granite,
ceramic, wood, stainless steel & more!***

3.4 Color Coding for Cleaning

The multi-colored sponges can be used to designate specific cleaning areas, helping to prevent cross-contamination. For example, use one color for kitchen dishes, another for bathroom surfaces, and a third for general household cleaning.

Color Code Your Cleaning!

4. CARE AND MAINTENANCE

Proper care extends the life and effectiveness of your Scrub Daddy sponges.

- **Rinsing:** Always rinse the sponge thoroughly after each use to remove food particles and debris. The FlexTexture material rinses clean easily.
- **Dishwasher Safe:** For deeper cleaning and sanitization, Scrub Daddy sponges are safe to be placed on the top rack of your dishwasher.
- **Drying:** Allow the sponge to air dry completely between uses. This helps maintain its odor-resistant properties.

Image 4.1: A person holding a blue Scrub Daddy sponge in a kitchen, with text indicating that the sponge rinses clean, is dishwasher safe, and resists odors for up to 8 weeks.

5. TROUBLESHOOTING

5.1 Odor Development

If your sponge develops an odor, it may not have been properly rinsed or dried. Ensure you rinse it thoroughly after each use and allow it to air dry completely. Running it through a dishwasher cycle can also help eliminate odors.

5.2 Reduced Effectiveness

Over time, with extensive use, the FlexTexture material may begin to wear down, reducing its scrubbing power. This is normal wear and tear. Replace the sponge when you notice a significant decrease in performance.

6. SPECIFICATIONS

Attribute	Detail
Brand	Scrub Daddy
Material	FlexTexture (polymer foam)
Recommended Uses	Multisurface cleaning
Surface Recommendation	Ceramic, Glass, Granite, Non Stick Coating, Stainless Steel, Wood
Color	Exclusive Scrub Daddy Colors (Blue, Orange, Green)
Special Feature	Non-Scratch, Odor Resistant
Item Package Quantity	1 (containing 3 sponges)
Product Dimensions	4.13"L x 1.61"W x 14.49"Th (packaging)
Model Name	Scrub Daddy Colors - Online Exclusive
Item Weight	2.24 ounces
UPC	810044135619
ASIN	B0CJ1NHWGX

7. SAFETY INFORMATION
