2. SAFETY INFORMATION

- Keep the appliance dry. Do not use it near water or in wet conditions.
- Do not immerse the trimmer in water.
- Keep out of reach of children.
- Ensure the charging cable is not damaged before use.
- Do not disassemble the trimmer. For repairs, contact qualified service personnel.

- Avoid using the trimmer on irritated or damaged skin.
- Unplug the trimmer before cleaning or maintenance.

3. PACKAGE CONTENTS

The KEMEI 2299 Trimmer package includes the following items:

- KEMEI 2299 Trimmer
- USB-C Charging Cable
- 3 Guide Combs (1mm, 2mm, 3mm)
- Cleaning Brush
- Comb

4. PRODUCT OVERVIEW

The KEMEI 2299 features a precision T-blade design for sharp and accurate cuts, a powerful motor, and an ergonomic body for comfortable handling.

4.1 Blade Design

The trimmer is equipped with a durable DLC steel T-blade and a ceramic moving blade, designed for precise cutting and resistance to wear. The T-blade shape allows for easy access to edges and detailed work.

Image 3: Detailed view of the precision T-blade system, showing the DLC steel fixed blade and ceramic moving blade for smooth, precise cuts.

4.2 Motor Performance

It incorporates a high-speed 7000 RPM motor, providing strong and consistent power for precise grooming. This motor ensures smooth cutting, reduces pulling, and operates quietly.

Image 4: Illustration of the 7000 RPM high-speed motor, emphasizing its strong power for thick hair, smooth cutting, and stable operation.

4.3 Ergonomic Design

The trimmer is designed to fit comfortably in your hand, featuring a curved grip for better control and an oval thumb rest for a stable hold. It is lightweight and easy to maneuver.

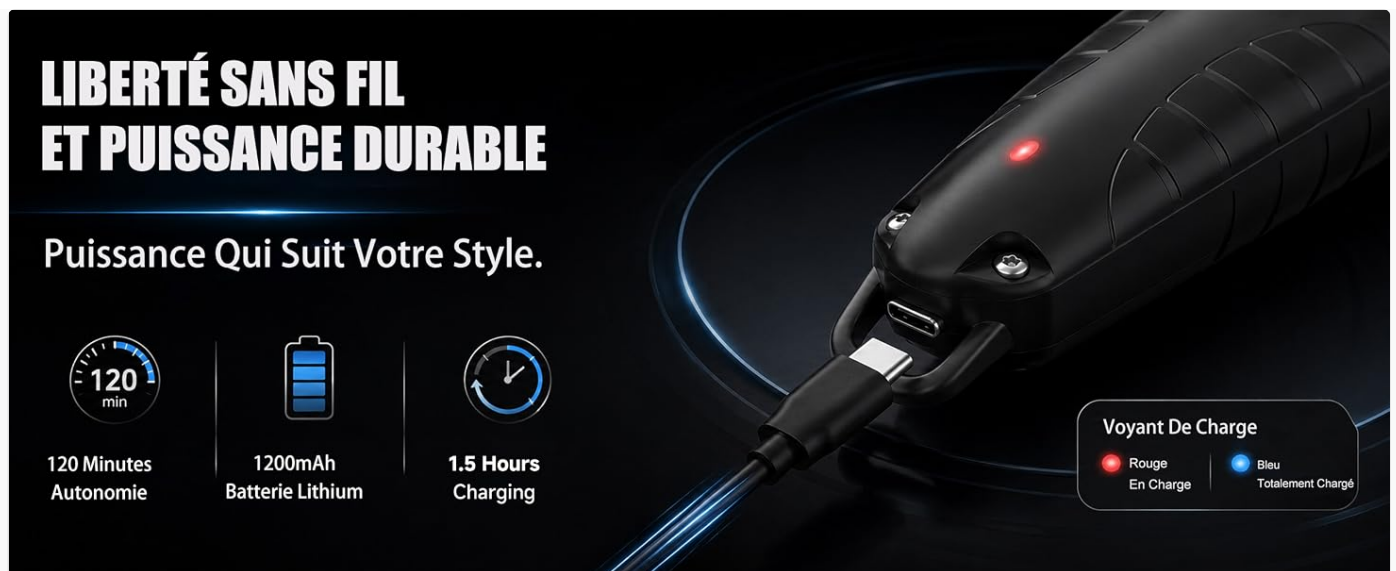

Image 5: Depiction of the KEMEI 2299's ergonomic design, highlighting the curved comfort grip, oval thumb rest, and toggle switch for easy, instant control.

5. CHARGING THE TRIMMER

1. Before first use, fully charge the trimmer.
2. Connect the USB-C charging cable to the trimmer's charging port and plug the other end into a compatible USB power adapter (not included).
3. The LED indicator will show red during charging.
4. A full charge takes approximately 3 hours.
5. Once fully charged, the LED indicator will turn blue. The trimmer provides up to 180 minutes of cordless use on a full charge.

Image 6: Illustration of the KEMEI 2299's cordless operation and durable power, showing the USB-C charging port and LED indicator for charging status (red for charging, blue for fully charged).

6. SETUP

1. **Prepare the Trimmer:** Ensure the trimmer is clean and charged.

2. **Attach Guide Comb:** Select the desired guide comb (1mm, 2mm, or 3mm) for your preferred hair length. Align the comb with the trimmer blade and push it firmly until it clicks into place.
3. **Prepare Hair/Beard:** For best results, ensure your hair or beard is clean and dry. You may also use it on slightly damp hair.

7. OPERATING INSTRUCTIONS

1. **Turn On:** Press the power button to turn on the trimmer.
2. **Trimming:** Hold the trimmer with the blade flat against the skin or at the desired angle. Move the trimmer slowly against the direction of hair growth.
3. **Detailing and Edging:** For precise lines and detailing, remove the guide comb and use the bare T-blade. Carefully trace the desired lines on your beard, hairline, or body.
4. **Experiment with Styles:** Use the different guide combs to achieve various styles, from fade cuts to short haircuts and beard trimming.
5. **Turn Off:** After use, press the power button to turn off the trimmer.

CREATE YOUR STYLE, YOUR WAY

Multiple Looks With 3 Guide Combs

Image 7: Demonstrates the versatility of the KEMEI 2299 trimmer for creating various styles, including fade cuts, short haircuts, beard trimming, and detailing with the included 1mm, 2mm, and 3mm guide combs.

8. MAINTENANCE

1. **Cleaning the Blade:** After each use, turn off the trimmer and remove any attached guide comb. Use the cleaning brush to remove loose hairs from the blade. For a more thorough clean, rinse the blade under running water. Ensure the blade is completely dry before reattaching or storing.
2. **Oiling the Blade:** Periodically apply a small drop of lubricating oil (not included, but often comes with similar products) to the blades to maintain optimal cutting performance and prevent rust. Turn on the trimmer for a few seconds to distribute the oil.
3. **Storage:** Store the trimmer in a cool, dry place, away from direct sunlight and moisture.

9. TROUBLESHOOTING

Problem	Possible Cause	Solution
Trimmer does not turn on.	Battery is depleted.	Charge the trimmer fully.
Poor cutting performance or pulling hair.	Blades are dull, dirty, or not oiled.	Clean the blades and apply lubricating oil. If blades are dull, consider replacement (if available).
Trimmer makes unusual noise.	Hair caught in blades or internal issue.	Clean blades thoroughly. If problem persists, contact customer support.
Charging indicator not working.	Faulty cable or power source.	Try a different USB-C cable or power adapter.
