Setup and Assembly

This product requires full assembly. It is recommended that two adults perform the assembly, with an estimated setup time of 2 hours. A power drill is recommended for assembly (not included).

Before You Begin:

- Verify all parts and hardware are present by checking against the included parts list.
- Clear a spacious area for assembly.
- Keep children and pets away from the assembly area.

Assembly Steps:

Refer to the detailed assembly instructions provided in the packaging for step-by-step guidance. Ensure all connections are secure before use.

Operating Instructions

The Aiuyesuo Hall Tree is designed for organizing various items in your entryway or mudroom.

- **Coat Rack:** Utilize the eight hooks located in the upper sections for hanging coats, jackets, hats, scarves, and bags.
- **Bench Seat:** The sturdy bench provides a convenient spot for sitting while putting on or taking off shoes.
- **Shoe Storage:** The five large cube storage spaces under the bench are ideal for storing shoes, boots, or small storage bins.
- **Open Shelves:** The various open shelves above the bench can be used for displaying decorative items, storing books, or organizing smaller accessories.

Maintenance

To maintain the appearance and longevity of your Aiuyesuo Hall Tree, follow these simple care instructions:

- **Cleaning:** Wipe the surfaces with a dry cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Promptly wipe up any spills with a dry or slightly damp cloth to prevent staining or damage to the particle board.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Tighten if necessary.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration of the material.

Troubleshooting

If you encounter any issues with your hall tree, consider the following common solutions:

- **Wobbly Structure:** Ensure all screws and fasteners are securely tightened. Check that the unit is placed on a level surface.
- **Missing Parts:** If any parts were missing upon delivery, refer to the "Support and Contact" section for assistance.
- **Difficulty Assembling:** Double-check the assembly instructions. Ensure components are oriented correctly. Do not force parts together.
