ANCTOR HK-BF-ACTF

ANCTOR Full Size Bed Frame with Upholstered Headboard and LED Light - Instruction Manual

Model: HK-BF-ACTF | Brand: ANCTOR

1. Introduction

Thank you for choosing the ANCTOR Full Size Bed Frame. This platform bed features a comfortable upholstered headboard, integrated LED lighting, and a convenient charging station. Designed for durability and ease of use, this manual provides essential information for assembly, operation, maintenance, and safety to ensure a long-lasting and satisfying experience with your new bed frame.

2. Safety Information

WARNING: Failure to follow these safety instructions could result in injury or product damage.

- Do not exceed the maximum weight recommendation of 500 lbs for this bed frame.
- Exercise caution during assembly to avoid potential pinch points or sharp edges, particularly around the bookcase headboard and charging station components.
- Ensure all connections for the LED light and charging station are secure before use.
- The 11-inch ground-to-item distance may pose an entrapment risk for young children. Keep children away from the under-bed area.
- Always assemble the bed frame on a soft, clean surface to prevent damage to the product or your flooring.

- Keep small parts out of reach of children during assembly.

3. Package Contents

Before beginning assembly, please verify that all parts and hardware are present and undamaged. Refer to the detailed parts list included in your product packaging. If any items are missing or damaged, please contact ANCTOR customer support immediately.

4. Setup and Assembly Instructions

Assembly of this bed frame typically requires two adults. All parts are labeled and numbered for straightforward installation. Please follow the step-by-step instructions provided in your separate assembly guide for detailed visual instructions.

Key Assembly Points:

- Lay out all components on a soft, clean surface to prevent scratches.
- Identify each part using the labels and the assembly diagram.
- Ensure all bolts and screws are tightened securely, but do not overtighten until instructed.
- The headboard features a built-in bookcase with four cubbies for storage.
- The bed frame provides 11 inches of under-bed clearance for additional storage.

5. Operating Instructions

5.1 LED Light Operation

The integrated LED light strip in the headboard can be controlled via a remote control or a dedicated mobile application. It offers over 60,000 colors, various modes including a music mode, custom styles, and a timing function.

- **Power On/Off:** Use the designated button on the remote or in the app.
- **Color Selection:** Choose from a wide spectrum of colors to set your desired ambiance.
- **Music Mode:** The lights can synchronize with music, creating a dynamic visual effect.
- **Timing Function:** Set a timer for the lights to automatically turn off.
- **App Control:** Download the recommended app (details in your assembly guide) for advanced control features.

5.2 Charging Station Usage

The headboard includes a built-in charging station for your convenience.

- **USB Ports:** Two 5V/2A USB ports are available for charging mobile devices, tablets, and other USB-powered electronics.
- **AC Outlets:** Two 110V/12A AC outlets are provided for powering lamps, laptops, or other small appliances.
- Ensure the bed frame is properly connected to a wall power outlet for the charging station to function.

6. Maintenance

Regular maintenance will help preserve the appearance and functionality of your ANCTOR bed frame.

- **Faux Leather:** Spot clean the upholstered faux leather headboard and footboard with a dry or slightly damp cloth. Avoid using harsh chemical cleaners, as they may damage the material.
- **Frame:** Wipe metal and wood surfaces with a soft, dry cloth to remove dust and debris.
- **Connections:** Periodically check all bolts and screws to ensure they remain tight. Retighten if necessary.
- **Electrical Components:** Ensure the charging station and LED light connections are free from dust and obstructions.

7. Troubleshooting

If you encounter any issues with your bed frame, refer to the following common solutions:

- **LED Lights Not Working:** Check if the power cord is securely plugged into a wall outlet. Ensure the LED strip connection to the power source is firm. Try using the remote control or app to power on the lights.
- **Charging Station Not Functioning:** Verify that the bed frame's main power cord is plugged into a live wall outlet. Check if the devices you are trying to charge are properly connected to the USB ports or AC outlets.
- **Bed Frame Squeaks/Wobbles:** This often indicates loose connections. Carefully inspect and retighten all assembly bolts and screws. Ensure the mattress is properly seated on the slats.
- **Missing Parts/Damaged Components:** Do not attempt to force assembly with incorrect or damaged parts. Contact ANCTOR customer support for replacements.

8. Specifications

Feature	Detail
Size	Full
Product Dimensions	81.7"L x 55.5"W x 54.3"H
