Marsail TZESD8B

Marsail Adjustable Height Standing Desk User Manual

Model: TZESD8B

1. PRODUCT OVERVIEW

The Marsail 55"x24" Adjustable Height Standing Desk is an electric workstation designed to enhance productivity and well-being in various environments, including home offices, study areas, and professional workspaces. This desk allows for seamless transitions between sitting and standing positions, promoting better posture and reducing fatigue associated with prolonged sitting.

Figure 1: Marsail Adjustable Height Standing Desk. This image displays the desk with a laptop, multiple monitors, and a side storage bag, highlighting its spacious and organized design.

Key features include a one-touch height adjustment system with four memory presets, a multifunctional side storage pocket for organization, and a CARB certified desktop ensuring low emissions for a healthier workspace. The desk is equipped with an energy-efficient motor for quiet and smooth operation, all integrated into a simple, modern design.

Figure 2: Stable Ergonomic Standing Desk. This image demonstrates the desk's stability and ergonomic benefits, showing a user

comfortably working in a standing position.

2. SETUP AND ASSEMBLY

Assembly of the Marsail Standing Desk is required. While the process is straightforward, careful attention to the instructions is recommended. The desk is designed for easy setup, typically taking about 15 minutes for an experienced assembler.

Figure 3: Easy Installation Diagram. This diagram visually breaks down the desk into its main components, illustrating the simplicity of its assembly process.

2.1 Important Assembly Notes

- **Tools:** A drill and screwdriver are recommended for assembly. Please note that these tools are not included with the desk.
- **Personnel:** Assembly can typically be completed by one person.
- **Weight Limit:** The maximum weight recommendation for the desk is 110 pounds (50 kg). Exceeding this limit or improper assembly may lead to instability or damage.

For detailed, step-by-step instructions, please refer to the official [Installation Manual \(PDF\)](#).

3. OPERATING INSTRUCTIONS

The Marsail Standing Desk features an intuitive control system for effortless height adjustments and personalized settings.

3.1 Height Adjustment

The desk's height can be adjusted from 27.5 inches (minimum) to 46.7 inches (maximum). The energy-efficient motor operates quietly (below 50 dB) and provides smooth transitions at a rate of 2 inches per second.

Ergonomic Comfort

Figure 4: Ergonomic Height Range. This image demonstrates the desk's adjustable height, accommodating both sitting and standing postures for improved ergonomics.

3.2 Memory Presets

The control panel allows you to save up to four custom height settings for quick and convenient transitions between your preferred sitting and standing heights.

4 Custom Height Settings

Figure 5: Control Panel with Memory Presets. This image highlights the user-friendly control panel, allowing for easy adjustment and saving of up to four preferred height settings.

To set a memory preset:

1. Adjust the desk to your desired height using the up/down arrows.
2. Press and hold one of the numbered buttons (1, 2, 3, or 4) until the display flashes or indicates the setting is saved.
3. To recall a saved height, simply press the corresponding numbered button.

3.3 Additional Features

- **Multifunctional Side Storage Pocket:** A double-layered side pocket is integrated to help keep your workspace organized by holding folders, notebooks, and office supplies.
- **Headphone Hook:** The desk includes a headphone hook for convenient storage.
- **Anti-Collision Technology:** The desk is equipped with anti-collision technology to prevent damage by automatically stopping movement if an obstruction is detected.
- **Cable Management:** Features for cable management are included to help maintain a tidy workspace.

Added Storage Pocket

Tidier desktop

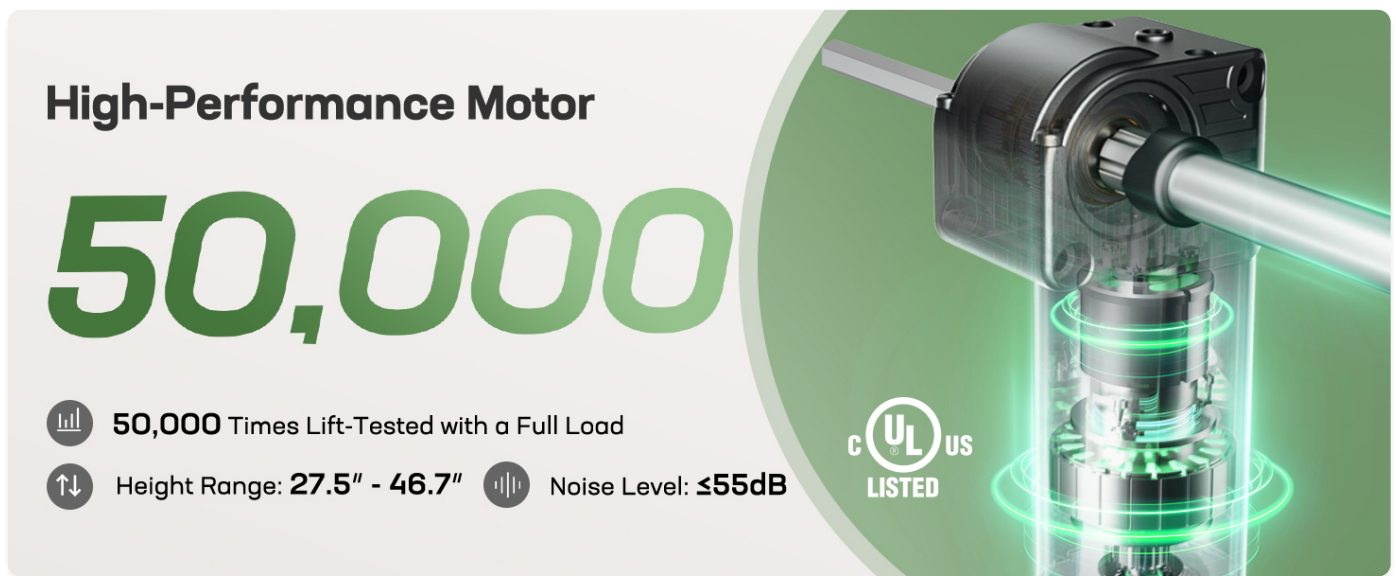

Figure 7: Advanced Desk Features. This composite image illustrates key functionalities such as efficient cable management, anti-collision safety, convenient storage hooks, and the quiet operation of the desk.

4. MAINTENANCE

Proper care ensures the longevity and optimal performance of your Marsail Standing Desk.

- **Cleaning:** Wipe the desk surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **CARB Certified Desktop:** The desktop is CARB certified, meaning it meets strict environmental and health standards for reduced formaldehyde and VOC emissions. This contributes to a healthier indoor air quality.

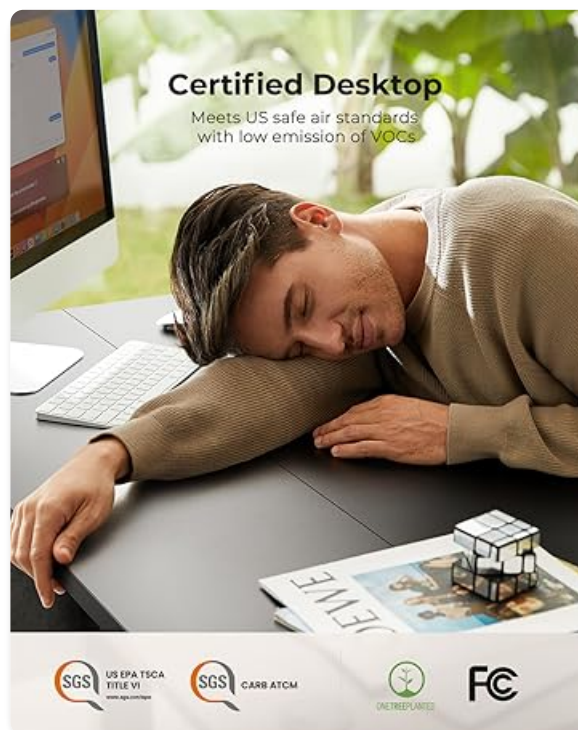

Figure 8: CARB Certified Desktop. This image emphasizes the desk's compliance with US safe air standards, ensuring a low emission of volatile organic compounds (VOCs).

5. TROUBLESHOOTING

If you encounter any issues with your Marsail Standing Desk, please refer to the comprehensive [User Manual \(PDF\)](#) for

detailed troubleshooting steps. Common issues and their resolutions are typically covered in the manual's dedicated section.

If the problem persists, please contact Marsail customer support for assistance.

6. SPECIFICATIONS

Feature	Detail
Brand	Marsail
Model Number	TZESD8B
Product Dimensions (D x W x H)	24"D x 55"W x 28"H
Size	55x24"
Color	Black
Style	Modern
Top Material Type	Wood
Base Material	Stainless Steel
Finish Type	Stainless Steel
