Bellemave bed-frames

Bellemave Full Size Platform Bed Frame with Storage Headboard and LED Light Instruction Manual

Model: bed-frames

Introduction

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your Bellemave Full Size Platform Bed Frame. This bed frame is designed with a versatile storage headboard, integrated LED lighting, and sturdy slat support, making it suitable for children and teens. Please read this manual thoroughly before beginning assembly or use to ensure safe and correct installation.

Safety Information

- **Weight Limit:** Do not exceed the weight limit of 350 pounds.
- **Assembly:** Ensure all parts are securely fastened during assembly to prevent instability or collapse.
- **Pinch Points:** Inspect for potential pinch points during assembly and use.
- **Low Height Design:** The low height design is intended for easy access for children, reducing the risk of falls.
- **Guardrails:** The bed features fully enclosed guardrails on one side and a small opening on the other for access, enhancing safety for young users.
- **Rounded Edges:** All sharp edges have been rounded to minimize the risk of scratching.

Package Contents

Your Bellemave Full Size Platform Bed Frame package includes all necessary components for assembly. Please verify that all parts are present and undamaged before beginning. Refer to the included assembly diagram for a detailed list of parts.

- Headboard with Storage Shelves
- Bed Frame Side Rails
- Wooden Slat Support System
- Integrated LED Light (rechargeable)
- Assembly Hardware (screws, bolts, etc.)
- Assembly Tools (usually an Allen wrench)

Assembly Instructions

Assembly is required for this bed frame. Each accessory part is numbered for easy identification. Follow the steps below and refer to the provided diagrams for visual guidance. It is recommended to assemble the bed with two people.

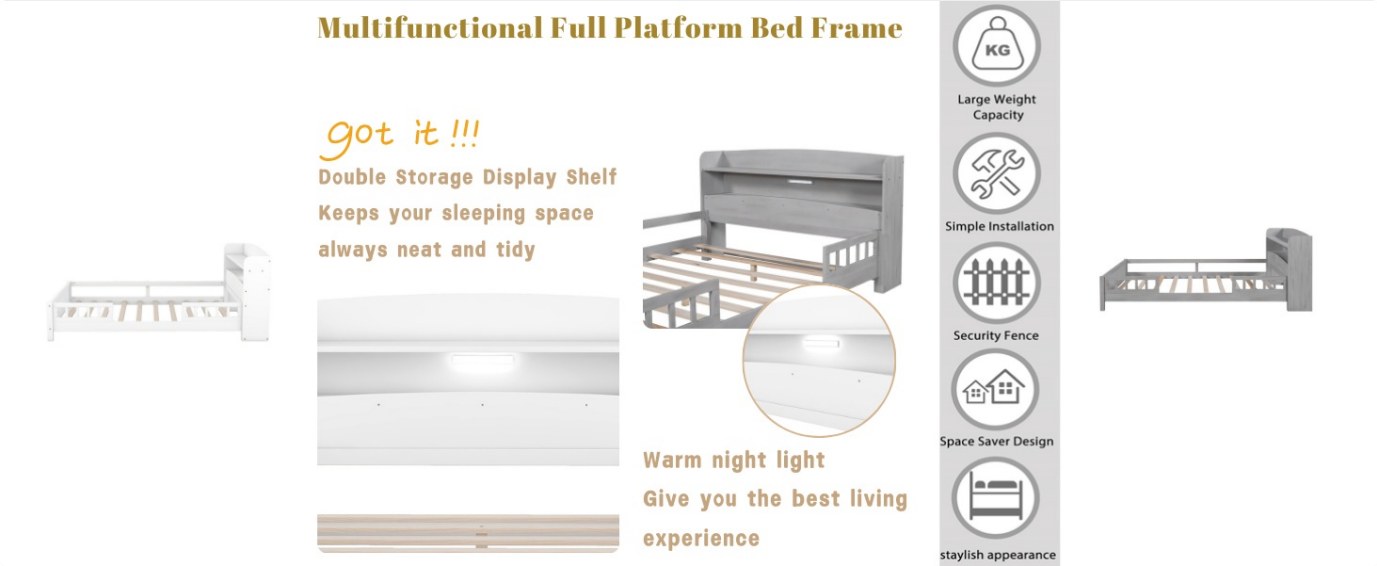

Image: Detailed assembly diagram showing numbered parts and initial steps for constructing the bed frame.

1. **Unpack and Identify Parts:** Carefully unpack all components and lay them out. Compare them with the parts list and diagram to ensure everything is present.
2. **Assemble Headboard:** Attach the headboard panels and shelves according to the diagram. Secure all connections with the provided hardware.
3. **Attach Side Rails:** Connect the side rails to the assembled headboard and footboard (if separate). Ensure the fence rails are correctly oriented.
4. **Install Slat Support:** Place the wooden slats across the bed frame. Secure them to the side rails using the designated fasteners. Ensure slats are evenly spaced for optimal mattress support.
5. **Install LED Light:** The LED light is typically magnetic and rechargeable. Attach it to the designated area under the headboard shelf.
6. **Final Check:** Double-check all bolts and screws to ensure they are tightened securely. Place your mattress on the assembled frame.

Operating Instructions (LED Light)

The Bellemave bed frame includes a convenient LED night light integrated into the headboard. This light provides soft illumination without disturbing sleep.

- **Activation:** The LED light is typically touch-activated or has a small switch. Locate the sensor or switch on the light unit.
- **Charging:** The LED light is rechargeable. When the light dims or stops working, gently detach it from its magnetic mounts. Use a standard USB cable (not always included) to charge the unit. Reattach once fully charged.
- **Placement:** The light is designed to be placed under the headboard shelf, illuminating the storage area and providing ambient light.

Maintenance

- **Cleaning:** Wipe the bed frame with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the painted finish.
- **Hardware Check:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten as necessary to maintain stability.
- **Slat Inspection:** Inspect the wooden slats for any signs of wear or damage. Replace any broken slats to ensure proper mattress support.
- **LED Light Care:** Keep the LED light unit dry. Charge it regularly to ensure functionality.

Troubleshooting

Problem	Possible Cause	Solution

Problem	Possible Cause	Solution
Bed frame is wobbly or unstable.	Loose hardware connections.	Check and tighten all bolts and screws. Ensure all parts are correctly aligned.
LED light is not working.	Battery drained; switch off; faulty unit.	Charge the LED light. Ensure the switch is in the "on" position. If issues persist, contact customer support.
Mattress does not fit properly.	Incorrect mattress size; mattress too thick for guardrails.	Ensure you are using a Full size mattress. Note that very thick mattresses may reduce the effectiveness of the guardrails.
Squeaking noises.	Loose connections; friction between parts.	Re-tighten all hardware. Apply a small amount of lubricant (e.g., paraffin wax) to contact points if necessary.

Specifications

Brand: Bellemave

Model: bed-frames

Size: Full

Color: White

Material: High-quality Pine Wood, MDF

Product Dimensions: 87 x 58.2 x 31.2 inches (Length x Width x Height)

Item Weight: 88 pounds

Special Feature: Easy Assemble, Storage Headboard, LED Light, Fence Rails

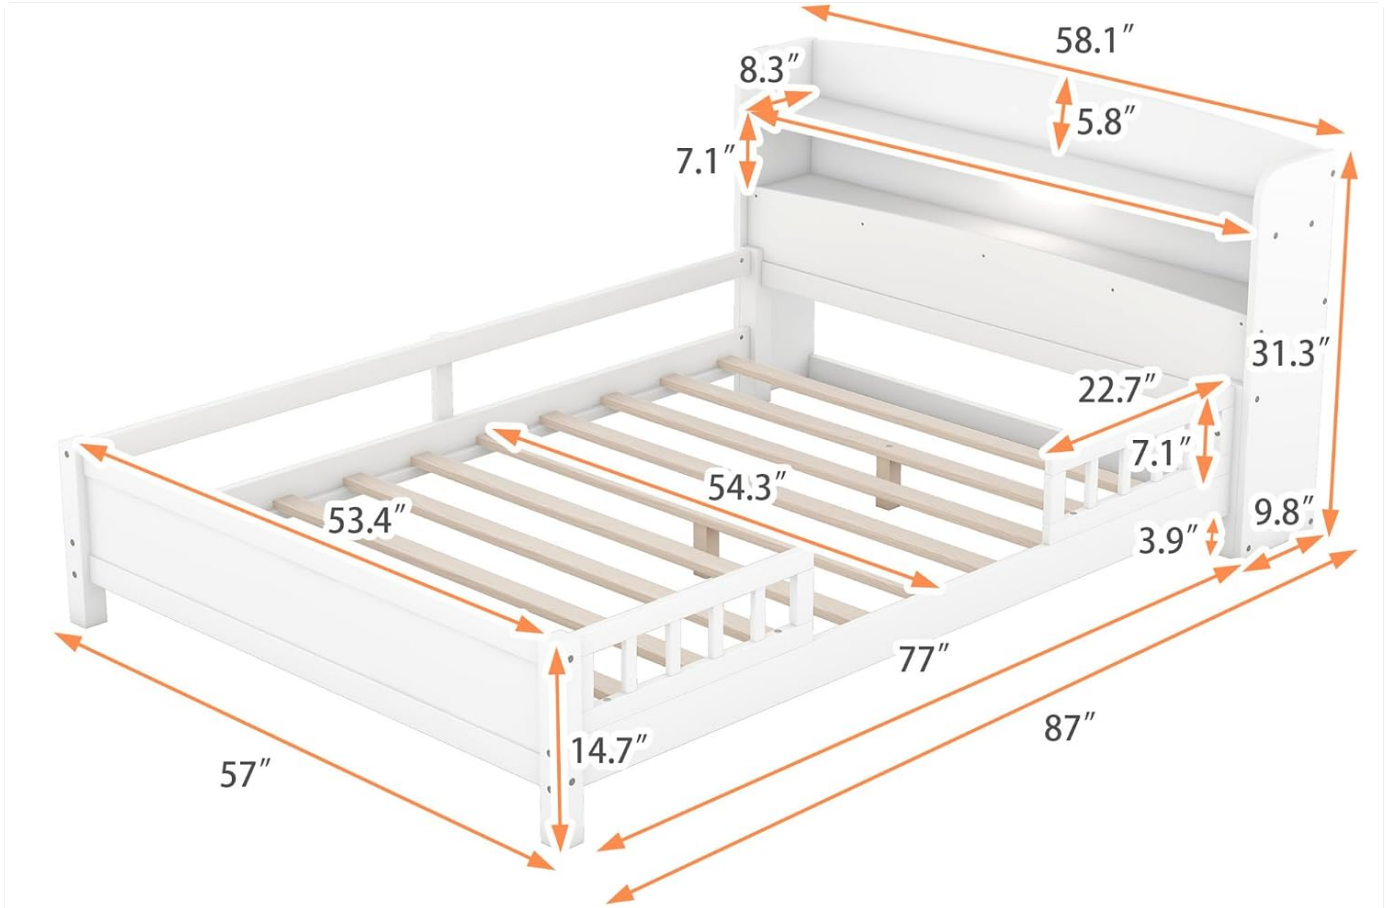

Compatible Mattress Size: Full (Mattress not included)

Recommended Mattress Thickness: 6 inches

Finish Type: Painted

Included Components: All Bed Frame Components Included

Product Care Instructions: Dry Clean Only *(Note: This instruction typically applies to textiles. For the bed frame, refer to the cleaning instructions in the Maintenance section.)*
