CARE AND MAINTENANCE

To ensure the longevity and appearance of your Vicco Karen Bathroom Furniture Set, follow these care instructions:

- **Cleaning:** Clean surfaces with a dry or slightly damp cloth. Avoid abrasive cleaners, harsh chemicals, or excessive moisture, as these can damage the melamine coating.

- **Humidity:** While designed for bathroom environments, excessive humidity should be avoided. Ensure proper ventilation in your bathroom.
- **Inspection:** Periodically check all screws and fittings to ensure they remain tight. Retighten if necessary.

TROUBLESHOOTING

Most issues can be resolved with simple checks:

- **Wobbly Furniture:** Ensure all assembly screws are tightened. Verify that the furniture is placed on a level surface. For wall-mounted units, confirm secure wall anchoring.
- **Doors/Drawers Not Closing Properly:** Check hinges and drawer runners for proper alignment. Adjust if necessary according to the assembly manual. Ensure no objects are obstructing closure.
- **Scratches/Minor Damage:** For minor scratches, furniture repair pens or touch-up kits matching the Sonoma or white finish may be used.
