## Vicco 15856

# Vicco Karen Wall-Mounted Bathroom Cabinet Instruction Manual

Model: 15856 | Brand: Vicco

## INTRODUCTION

Thank you for choosing the Vicco Karen Wall-Mounted Bathroom Cabinet. This manual provides essential information for the safe assembly, installation, operation, and maintenance of your new furniture. Please read these instructions thoroughly before beginning assembly and keep them for future reference.

## SAFETY INFORMATION

- Always follow the assembly instructions carefully. Incorrect assembly can lead to instability and potential injury.
- Ensure all hardware is securely tightened before use. Periodically check and re-tighten fasteners as needed.
- This cabinet is designed for wall mounting. Use appropriate wall anchors for your wall type to ensure secure installation. Consult a professional if you are unsure about wall mounting procedures.
- Do not overload the cabinet. The maximum weight capacity is 10 kg. Distribute weight evenly.
- Keep small parts and packaging materials away from children to prevent choking hazards.

## PACKAGE CONTENTS

Before assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Cabinet panels (sides, top, bottom, back, shelves)
- Cabinet door
- Hinges and mounting hardware for the door
- Shelf pins/supports
- Wall mounting hardware (screws, wall plugs)
- Assembly instructions

## TOOLS REQUIRED

---

The following tools are typically required for assembly and installation (not included):

- Phillips head screwdriver
- Hammer
- Drill with appropriate drill bits (for wall mounting)
- Level
- Measuring tape
- Pencil

## SETUP AND ASSEMBLY

---

Follow these steps to assemble and install your Vicco Karen Wall-Mounted Bathroom Cabinet.

### Step 1: Prepare the Workspace

Clear a spacious, clean, and flat area for assembly. Lay down a blanket or cardboard to protect the furniture parts from scratches.

### Step 2: Assemble the Cabinet Frame

Connect the side panels to the top and bottom panels using the provided dowels and screws. Ensure all connections are snug but do not overtighten. Insert the back panel into the grooves and secure it with small nails or screws.

### Step 3: Install Shelves

Insert the shelf pins into the desired holes on the side panels. Place the adjustable shelves onto the pins. The cabinet features open compartments and a closed section with adjustable shelves.

Image: Close-up of the open shelving area, demonstrating storage for small items.

#### **Step 4: Attach the Door**

Attach the hinges to the cabinet door and then to the cabinet frame according to the instructions provided with the hardware. Adjust the hinges to ensure the door closes properly and is aligned.

#### **Step 5: Wall Mounting**

Carefully measure and mark the desired position for the cabinet on the wall. Use a level to ensure the marks are straight. Drill pilot holes at the marked locations, ensuring they are appropriate for your wall type and the provided wall plugs/anchors. Secure the cabinet to the wall using the provided mounting hardware. Ensure the cabinet is firmly attached and stable before placing items inside.

## OPERATING INSTRUCTIONS

---

### Opening and Closing the Door

Gently pull the door handle to open the cabinet. Push the door firmly to close it. Avoid slamming the door to prevent damage to the hinges and cabinet structure.

### Adjusting Shelves

The internal shelves are adjustable. To change a shelf's height, remove all items from the shelf, lift the shelf, and reposition the shelf pins to the desired height. Ensure all four pins are securely inserted before placing the shelf back.

### Weight Capacity

The maximum weight capacity for this cabinet is **10 Kilograms**. Distribute items evenly across the shelves and avoid placing excessively heavy objects in one area to maintain stability and prevent damage.

## MAINTENANCE AND CARE

---

To keep your Vicco Karen cabinet in optimal condition, follow these care guidelines:

- **Cleaning:** Wipe the surfaces with a soft, damp cloth. Avoid using abrasive cleaners, harsh chemicals, or solvents, as these can damage the finish.
- **Spills:** Immediately wipe up any spills to prevent moisture damage, especially in a bathroom environment.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary.
- **Environment:** Avoid exposing the cabinet to extreme temperature changes or direct sunlight for prolonged periods, which can cause discoloration or warping.

## TROUBLESHOOTING

---

If you encounter any issues with your cabinet, refer to the following common solutions:

- **Wobbly Cabinet:** Ensure all assembly screws are fully tightened. If wall-mounted, check that the wall anchors are secure and the cabinet is flush against the wall.
- **Door Not Closing Properly:** Check the hinge alignment. Most hinges allow for minor adjustments using a screwdriver to ensure the door closes smoothly and aligns correctly.
- **Shelves Not Level:** Verify that the shelf pins are inserted into corresponding holes on both sides and are fully seated.
- **Missing Parts:** If you discover missing parts during assembly, do not proceed. Contact the seller or manufacturer for replacement parts.

## SPECIFICATIONS

---

Image: Detailed dimensions of the Vicco Karen Wall-Mounted Bathroom Cabinet.

**Model Name:**

Karen

**Model Number:**

15856

**Brand:**

Vicco
