WLIVE ADSG501US

WLIVE 55-Inch Industrial TV Stand for up to 65-Inch TVs, Black

Model: ADSG501US

Introduction	Safety Information	Package Contents	Setup & Assembly	Operating
Instructions	Maintenance	Troubleshooting	Specifications	Warranty & Support

1. INTRODUCTION

Welcome to your new WLIVE 55-Inch Industrial TV Stand. This manual provides comprehensive instructions for the safe and efficient assembly, operation, and maintenance of your product. Please read this manual thoroughly before beginning assembly and retain it for future reference.

The WLIVE 55-inch TV stand, featuring a black finish and industrial design, provides ample space for a television up to 65 inches, media devices, and decorative items.

2. SAFETY INFORMATION

To ensure safe use and prevent injury or damage, please adhere to the following safety guidelines:

- Always follow the assembly instructions carefully. Incorrect assembly can lead to instability and potential hazards.
- Do not exceed the maximum weight limit of **110 pounds (50 kg)** on the top surface and **22 pounds (10 kg)** on each middle and bottom shelf. Overloading can cause the stand to collapse.
- Use the pre-drilled holes for cable management to keep the TV stand clean and tidy, preventing tripping hazards and ensuring proper ventilation for electronic devices.
- Keep the area around the TV stand clear of flammable materials.
- Ensure the TV stand is placed on a level and stable surface to prevent tipping. Use the adjustable feet to compensate for uneven floors.
- Keep small parts and packaging materials away from children and pets to prevent choking hazards.

3. PACKAGE CONTENTS

Before beginning assembly, please verify that all components listed below are present and undamaged. If any parts are missing or damaged, do not proceed with assembly. Contact customer support immediately.

Components:

- Top Panel
- Middle Shelf Panels (Adjustable)
- Bottom Shelf Panels
- Side Frame Supports (Metal)
- Rear X-Frame Braces
- Adjustable Feet

Hardware & Tools:

- Various Screws, Bolts, and Nuts (labeled A, B, C, etc.)
- Allen Wrench (Hex Key)
- Small Screwdriver
- Instruction Manual

Note: All accessories are clearly labeled with numbers to facilitate assembly. Please refer to the included instruction booklet for a detailed list and identification of each part.

4. SETUP & ASSEMBLY

Assembly typically requires two people and approximately 1-1.5 hours. Follow the steps carefully, paying attention to part orientation.

Preparation:

1. Choose a spacious, clean, and soft surface (e.g., a carpet or blanket) to prevent scratching the furniture during assembly.
2. Unpack all components and hardware. Verify against the package contents list.
3. Keep the included tools (Allen wrench, screwdriver) handy. You may opt to use your own larger screwdriver for easier assembly.

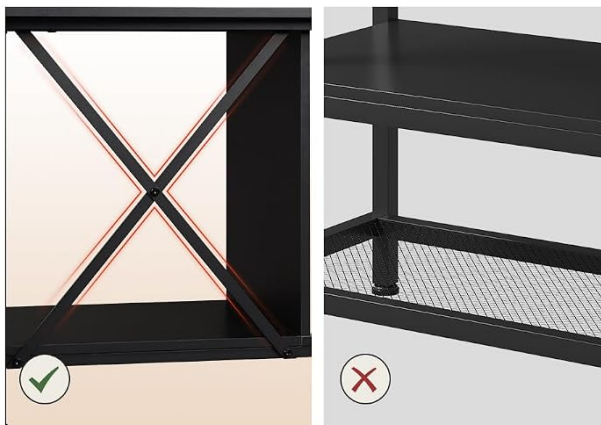

Assembly Steps:

1. **Attach Adjustable Feet:** Screw the adjustable feet into the bottom of the main frame components. Ensure they are securely fastened but allow for later adjustment.
2. **Assemble Side Frames:** Connect the vertical metal frame supports to the horizontal base and top bars using the provided hardware.
3. **Install Rear X-Frame Braces:** Secure the X-shaped metal braces to the rear of the side frames. These are crucial for stability. Ensure they are tightened properly.

• SUPERIOR CONSTRUCTION •

Wooden shelves easy to clean

X-shaped rear design for better stability

Ultra High Capacity Space for taller items

The stand features a robust construction with an X-shaped rear design, providing improved stability. The design also allows for ultra-high capacity space, accommodating taller items on the side shelves.

4. **Attach Shelf Panels:** Insert the middle and bottom shelf panels into their designated slots within the frame. The middle shelves are adjustable to three different height levels. Choose your desired height before securing.
5. **Secure Top Panel:** Place the top panel onto the assembled frame and secure it with the remaining hardware.
6. **Final Adjustments:** Once fully assembled, gently move the stand to its desired location. Adjust the feet by rotating them to ensure the stand is level and stable on your floor.

Key features of the TV stand include a pre-drilled cable management hole for organizing wires, shelves with three adjustable height levels for flexible storage, and adjustable feet to ensure stability on uneven surfaces.

5. OPERATING INSTRUCTIONS

Your WLIVE TV stand is designed for functional and aesthetic integration into your living space.

Placing Your Television:

- Carefully place your television on the top surface of the stand. This stand is suitable for TVs up to 65 inches.
- Ensure the TV's base is fully supported by the stand's top surface.
- Do not exceed the maximum weight capacity of **110 lbs (50 kg)** for the top surface.

Utilizing Storage Space:

- The central shelves are ideal for media devices such as DVD players, gaming consoles, or soundbars. Remember that these shelves are adjustable to three different heights.
- The open side compartments provide ample space for taller items like vertical speakers, decorative accents, or

storage bins.

- Each middle and bottom shelf has a weight capacity of **22 lbs (10 kg)**.

Cable Management:

- Route all power cords and signal cables through the pre-drilled cable management holes located on the back panel of the central compartment.
- This helps to keep cables organized, prevents tangling, and maintains a clean appearance.

6. MAINTENANCE

Proper care will extend the life and maintain the appearance of your WLIVE TV stand.

Cleaning:

- For general cleaning, wipe the surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- The particleboard material is designed to be waterproof and scratch-resistant, making cleaning simple.

The TV stand is constructed from high-quality particleboard, designed to be both waterproof and scratch-resistant, ensuring durability and easy maintenance.

General Care:

- Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- Avoid exposing the stand to direct sunlight or extreme temperature changes, which can cause material degradation.
- Do not drag the stand when moving it; always lift it to prevent damage to the feet or floor.

7. TROUBLESHOOTING

If you encounter any issues with your WLIVE TV stand, refer to the following common problems and solutions:

Problem: The TV stand is wobbly or unstable.

- **Solution 1:** Check that all screws and bolts are securely tightened. Loose connections can cause instability.
- **Solution 2:** Adjust the leveling feet on the bottom of the stand. Rotate them clockwise or counter-clockwise until the stand is stable on your floor.
- **Solution 3:** Ensure the stand is placed on a flat, even surface. If the floor is uneven, use the adjustable feet to compensate.

Problem: Parts do not fit together during assembly.

- **Solution 1:** Double-check the instruction manual to ensure you are using the correct parts for each step and that they are oriented correctly. Some parts may look similar but have subtle differences.
- **Solution 2:** Do not force parts together. If a part doesn't fit, re-examine the previous steps.

Problem: Missing or damaged parts.

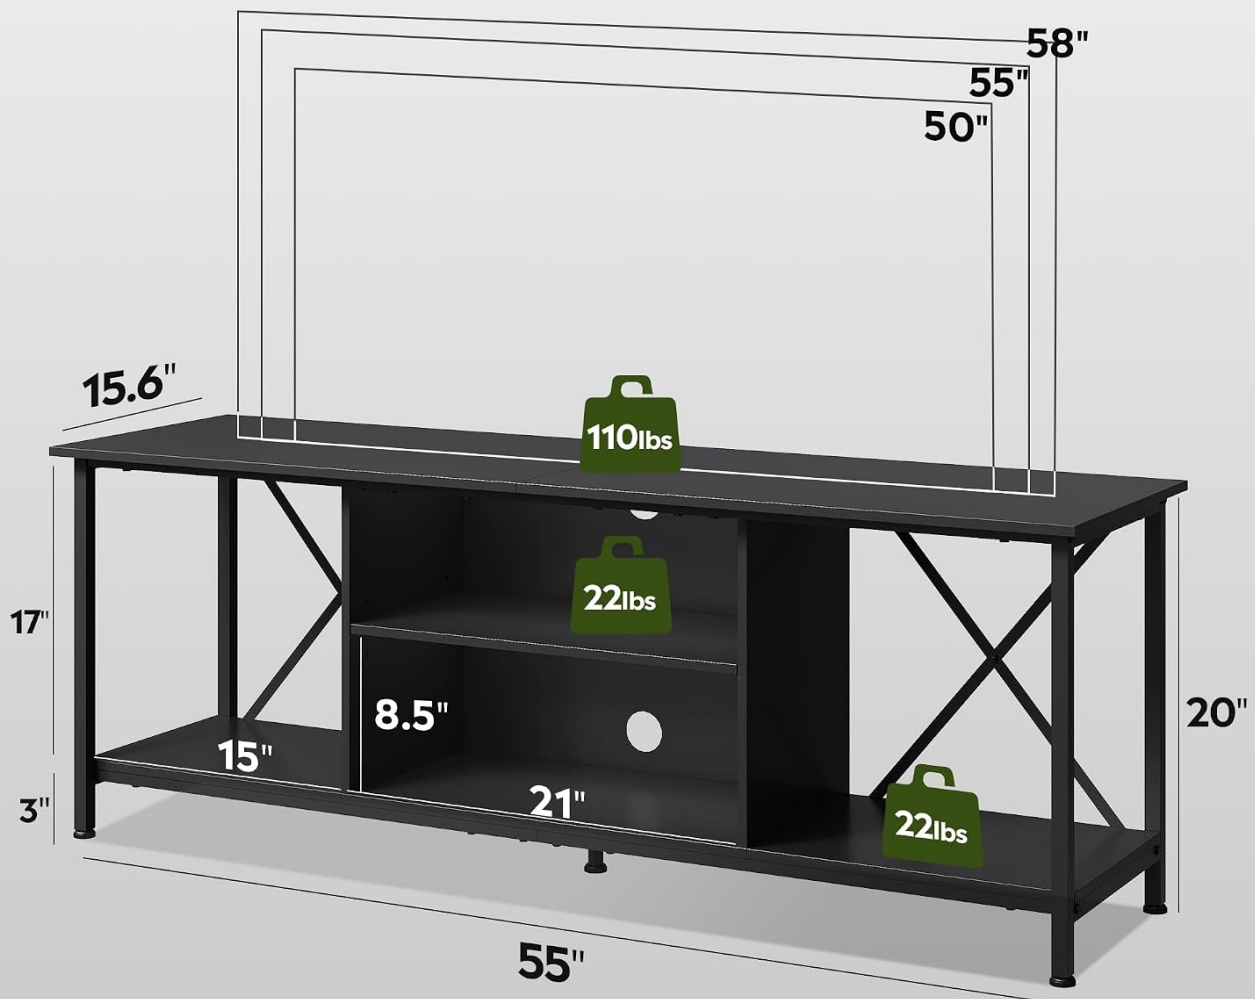

- **Solution:** Do not proceed with assembly. Contact WLIVE customer support immediately with your product model number and a description of the missing or damaged part.

8. SPECIFICATIONS

Feature	Detail
Brand	WLIVE
Model Number	ADSG501US
Material	Engineered Wood (Particleboard), Metal Frame
Color	Black
Product Dimensions (L x W x H)	55.04 x 15.67 x 20.16 inches (140 x 40 x 51 cm)
