NUU GARDEN 3-Piece Cast Aluminum Outdoor Bistro Set

Model: B0CJ4K2L5G

Brand: NUU GARDEN

Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your NUU GARDEN 3-Piece Cast Aluminum Outdoor Bistro Set. Please read this manual thoroughly before assembly and use to ensure safe and proper operation.

Safety Information

WARNING:

- Always follow the assembly instructions carefully.
- Keep children and pets away from the assembly area.
- After assembly, ensure the furniture is stable and secure before use.
- Inspect the furniture regularly for any signs of wear or damage, and tighten any loose bolts or screws immediately.
- Do not use the furniture in wet or windy conditions to prevent tip-over risks.

Package Contents

Before beginning assembly, ensure all parts are present and undamaged. If any parts are missing or damaged, do not attempt to assemble the product. Contact customer support for assistance.

- 2 x Chairs
- 1 x Table
- 2 x Cushions (Gray Cushion Pattern a)

Setup and Assembly

Your bistro set is designed for straightforward assembly. All necessary accessories and a detailed manual are included. The strong yet lightweight cast aluminum frame allows for easy movement.

1. Unpack all components and verify against the package contents list.
2. Follow the step-by-step instructions provided in the included assembly manual.
3. For chair assembly, a helpful tip is to attach the legs to the seat first before securing the backrest. This can help ensure proper alignment and stability.
4. Once assembled, adjust the anti-slip foot caps on the chairs and table to ensure stability on various surfaces and prevent floor scratches.

Operating and Usage

This bistro set is designed for comfortable and versatile outdoor use.

- **Comfortable Seating:** The chairs feature an ergonomic back and curved armrests for excellent support. The 1.2-inch thick soft cushions, with fade-resistant polyester fiber covers and straps, provide a comfortable sitting experience.
- **Sturdy Table:** The reinforced table legs ensure stability, allowing the tabletop to securely hold drinks, meals, or decorative items.
- **Umbrella Compatibility:** The round bistro table includes a 1.97-inch umbrella hole, compatible with most standard patio umbrellas (umbrella not included). This feature allows for shaded comfort during sunny or light rain conditions.
- **Weight Capacity:** Each chair has a maximum weight capacity of up to 300 lbs.

Image: Close-up of the table's umbrella hole, measuring 1.97 inches in diameter, designed to accommodate most patio umbrellas.

Maintenance

To ensure the longevity and appearance of your bistro set, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the cast aluminum frame and table surfaces with a damp cloth. For stubborn dirt, a mild soap solution can be used, followed by rinsing with clean water and drying thoroughly.
- **Cushion Care:** The cushion covers are made of fade-resistant polyester fiber. For cleaning, remove the covers using the invisible zipper and follow the care instructions on the label.
- **Inspection:** Periodically check all bolts and screws to ensure they are tight. Re-tighten as necessary to maintain structural integrity.
- **Storage:** During harsh weather conditions or prolonged periods of non-use, it is recommended to store the set indoors or cover it with appropriate outdoor furniture covers to protect it from the elements.

Troubleshooting

If you encounter any issues with your bistro set, please refer to the following common solutions:

- **Wobbly Chairs/Table:** Ensure all bolts and screws are securely tightened. Use the adjustable foot pads to level the chairs and table on uneven surfaces.
- **Difficulty Assembling:** Double-check the assembly manual. Ensure all parts are correctly oriented before tightening screws. Sometimes, loosening all screws slightly, aligning the parts, and then tightening them gradually can help.
- **Rust or Corrosion:** The cast aluminum is weather-resistant. If any signs of corrosion appear, clean the affected area and apply a suitable metal protectant or touch-up paint.

Specifications

Feature	Detail
