GOLINPEILO 12 Door Metal Locker Cabinet Instruction Manual

Model: B0CJ4PWZYG

1. Introduction

This manual provides essential information for the safe assembly, operation, and maintenance of your GOLINPEILO 12 Door Metal Locker Cabinet. Please read these instructions carefully before use and retain them for future reference. This cabinet features a modern design, constructed from durable steel, and is ideal for various environments such as offices, schools, or living rooms, offering secure storage with its 12 individual lockable compartments.

2. Safety Information

WARNING: To prevent overturning, this product must be used with the wall attachment device provided. Failure to do so can result in serious injury.

Image: Anti-tip warning icon. Always secure the cabinet to a wall to prevent accidental tipping.

Ensure all parts are securely fastened during assembly. Do not allow children to climb on or play with the cabinet. Keep keys out of reach of children.

3. Package Contents

Before beginning assembly, verify that all components are present and undamaged. The package should contain:

- Locker panels (sides, top, bottom, back)
- 12 Locker doors with pre-installed locks
- 2 keys for each of the 12 locker doors (total 24 keys)
- Assembly hardware (screws, bolts, nuts, etc.)
- Wall attachment device
- Detailed installation document

4. Setup and Assembly Instructions

Assembly is required for this locker cabinet. A detailed installation document is included with your product to guide you through each step. Please follow the instructions precisely to ensure proper and safe assembly.

General Assembly Steps:

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging and lay them out. Compare them against the parts list in your installation document.
2. **Assemble the Frame:** Connect the side panels, top, bottom, and back panels according to the provided diagrams. Ensure all connections are tight and secure.
3. **Attach Doors:** Mount the 12 locker doors to the frame. Each door is pre-equipped with a lock.
4. **Install Feet:** Attach the protective feet to the base of the cabinet.
5. **Secure to Wall:** Using the provided wall attachment device, secure the cabinet to a sturdy wall. This step is critical for stability and safety.

5. Operating Instructions

Your GOLINPEILO 12 Door Metal Locker Cabinet is designed for straightforward use.

Locking and Unlocking:

- Each of the 12 compartments is equipped with a lock and comes with two unique keys.
- Insert the correct key into the lock and turn to secure or open the door.
- Always ensure the door is fully closed before locking.

Using Name Tag Holders:

- Each door features a name tag holder. Insert a label with the user's name or contents description for easy identification and organization.

6. Maintenance

To ensure the longevity and appearance of your metal locker cabinet, follow these simple maintenance guidelines:

- **Cleaning:** Wipe surfaces with a damp cloth. For stubborn marks, use a mild soap solution and then wipe dry immediately.
- **Avoid Chemicals:** Do not use abrasive cleaners, harsh chemicals, or solvents, as these can damage the paint finish.
- **Regular Checks:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten if necessary.

- **Key Care:** Keep keys in a safe place. Avoid forcing keys into locks.

7. Troubleshooting

If you encounter any issues during the assembly or operation of your GOLINPEILO 12 Door Metal Locker Cabinet, please refer to the detailed installation document provided with your product. For further assistance, do not hesitate to contact GOLINPEILO customer support.

8. Specifications
