### Tangxi K57pro (Model: Tangxietbsu1kp0d)

# Tangxi K57pro Smart Watch User Manual

Model: K57pro (Tangxietbsu1kp0d)

## 1. INTRODUCTION

---

This manual provides essential instructions for the proper use and maintenance of your Tangxi K57pro Smart Watch. Please read this manual thoroughly before operating the device to ensure optimal performance and longevity. The K57pro Smart Watch features a 1.96-inch display, Bluetooth 5.0 connectivity for calls and notifications, and various sports tracking modes.

## 2. PACKAGE CONTENTS

---

Verify that all items are present in the package:

- K57pro Smart Watch
- User Manual
- Power Cable (Charging Cable)

### 3. PRODUCT FEATURES

---

- **Durable Construction:** The smartwatch features a composite material and metal casing, designed for daily outdoor use. It is daily waterproof, shockproof, and anti-magnetic. *Note: Not suitable for swimming.*
- **Bluetooth Calling & Notifications:** Equipped with a Bluetooth chip and speaker, allowing direct call answering, music playback, message reading, contact storage, and call record viewing. Vibrates for message and app notifications.
- **1.96-inch Touchscreen Display:** A 1.96-inch color display with 320x386 resolution provides a clear and bright visual experience.
- **Long Battery Life:** Built-in 360mAh battery offers 5 to 10 days of typical usage and up to 30 days of standby time.
- **Multiple Sports Modes:** Includes modes for walking, running, cycling, skiing, mountaineering, baseball, soccer, and basketball. Automatically records sports data for scientific exercise tracking.

Real-time understand weather variation.

THU	☁	30/20°C
FRI	☀	28/18°C
SAT	☁	28/21°C
SUN	☀	33/29°C

Life will be more convenient and work will be more efficient

## 4. SETUP GUIDE

---

### 4.1. Charging the Smart Watch

Before first use, fully charge the smartwatch. Connect the provided power cable to the charging port on the back of the watch and plug the USB end into a standard USB power adapter (not included).

## 4.2. App Installation and Pairing

1. **Download the App:** Search for the "FitcloudPro" app in your smartphone's app store (compatible with Android 4.4 and later, and iOS 8.0 and later).
2. **Enable Bluetooth:** Ensure Bluetooth is enabled on your smartphone.
3. **Open App and Pair:** Open the FitcloudPro app, follow the on-screen instructions to create an account or log in, and then search for your K57pro Smart Watch to pair it.
4. **Grant Permissions:** Allow necessary permissions for the app to function correctly, such as notifications, location, and contacts access.

## 5. OPERATING INSTRUCTIONS

---

### 5.1. Basic Navigation

The K57pro Smart Watch features a full touchscreen display. Swipe left, right, up, or down to navigate through menus and functions. Press the side button to return to the home screen or access the main menu.

## **5.2. Making and Receiving Calls**

Once paired via Bluetooth, you can make and receive calls directly from your smartwatch. Access the call function through the main menu. The watch will vibrate and display caller ID for incoming calls.

## **5.3. Message and App Notifications**

The watch will vibrate and display notifications from your paired smartphone for messages and various applications. Ensure notification permissions are granted in the FitcloudPro app.

## **5.4. Music Playback**

Control music playing on your smartphone directly from the smartwatch. Functions typically include play, pause, skip track, and volume adjustment.

## **5.5. Sports Modes**

Select from various sports modes such as walking, running, cycling, and more. The watch will automatically record relevant data like steps, distance, and duration. To start a workout, navigate to the sports mode section and select your desired activity.

## 6. MAINTENANCE

---

### 6.1. Cleaning

Wipe the watch and strap regularly with a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used, followed by drying. Avoid using harsh chemicals or abrasive materials.

### 6.2. Water Resistance

The K57pro Smart Watch is designed to be daily waterproof, shockproof, and anti-magnetic. It can withstand splashes, rain, and brief immersion in shallow water. However, it is **not suitable for swimming, diving, or hot water activities**. Avoid exposing the watch to high-pressure water or steam.

### 6.3. Battery Care

To prolong battery life, avoid fully discharging the watch frequently. Charge the watch using the provided cable and a compatible USB power adapter. Store the watch in a cool, dry place when not in use for extended periods.

## 7. TROUBLESHOOTING

---

Problem	Possible Solution
Watch does not turn on	Ensure the watch is fully charged. Press and hold the power button for several seconds.
Cannot pair with smartphone	Ensure Bluetooth is enabled on your phone. Restart both the watch and phone. Make sure the FitcloudPro app is installed and has necessary permissions. Try unpairing and re-pairing.
No notifications received	Check app notification settings on your phone and within the FitcloudPro app. Ensure the watch is connected via Bluetooth.
Inaccurate activity tracking	Ensure the watch is worn snugly on your wrist. Calibrate the watch through the app if available.
Short battery life	Reduce screen brightness, limit frequent notifications, and disable unnecessary features. Ensure the watch is fully charged.
