INNOFOVO Smart Watch User Manual

Model: 366fa65e-fe12-4e3e-9e1a-f7e9a8c2a552
Brand: INNOFOVO

1. Introduction

Thank you for choosing the INNOFOVO Smart Watch. This manual provides essential information for setting up, operating, and maintaining your device. Please read it thoroughly to ensure optimal performance and longevity of your smartwatch.

2. What's in the Box

- 1 x Smart Watch
- 2 x Smart Watch Bands
- 1 x Smart Watch Charger
- 1 x Instruction Manual

3. Product Overview

The INNOFOVO Smart Watch is designed to integrate seamlessly into your daily life, offering a range of features for communication, health, and fitness. Its 1.85-inch HD full-touch screen provides a clear and responsive interface.

3.1 Communication Features

Stay connected by answering or making calls directly from your smartwatch when connected to your phone. All message notifications from platforms like Facebook, WhatsApp, Instagram, and Email will be displayed on your wrist, ensuring you don't miss important information. The built-in AI voice assistant allows for hands-free control, helping you set alarms, play music, and more.

3.2 Health Monitoring

This fitness tracker watch supports 24/7 heart rate, blood pressure, and blood oxygen monitoring. It accurately records all-day activities such as steps, calories burned, and distance. Automatic sleep tracking provides insights into deep sleep, light sleep, and awake time. Additional features include a drink water reminder, sedentary reminder, women's health tracking, and breath training to promote healthier habits.

3.3 Sports Modes & Activity Tracking

The smartwatch offers up to 19 sports modes, including walking, climbing, running, yoga, basketball, jumping rope, and golf. It accurately records exercise data such as steps, heart rate, calories, and distance, serving as a comprehensive sports partner. With an IP67 waterproof rating, the watch can be worn during rainy days or hand washing, but it is not suitable for hot baths.

Figure 3.3: Overview of 19 sports modes.

3.4 Customizable Watch Faces

Personalize your smartwatch with over 200 watch faces available in the "Fitcloudpro" APP. You can also customize the watch face using your favorite photos, such as family pictures, pet photos, or travel scenery.

4. Setup Guide

Follow these steps to set up your INNOFOVO Smart Watch and connect it to your mobile phone:

1. Turn on the Bluetooth function on your mobile phone.
2. Open "Google Play" (for Android) or the "App Store" (for iOS).
3. Search for the "Fitcloudpro" App and download it.
4. Open the Fitcloudpro App, click "Device" and find "I60" to bind it.
5. Agree to the phone binding request.
6. Click "Pair" to consent to pairing the watch with your phone.
7. Click "Allow" to permit the watch to receive your phone notifications.
8. Open the dropdown menu on the watch, click on the call icon, and choose to enable or disable media audio.

Tip: Media audio can only be activated when the Call audio is enabled and cannot be turned on independently. Consider turning off both call and media audio when not needed to extend the smartwatch's usage time.

5. Operating Instructions

5.1 Navigating the Interface

The 1.85" HD full-touch screen allows for smooth navigation. Swipe left, right, up, or down to access different functions and menus. Use the physical button on the side to wake the screen or return to the home screen.

5.2 Making/Answering Calls

Once paired with your phone via Bluetooth, you can initiate calls from your watch's contact list or dial pad. Incoming calls will display on the watch, allowing you to answer or reject them directly.

5.3 Checking Notifications

Messages and notifications from your connected phone will appear on the watch screen. Swipe down from the top of the screen to view your notification history.

5.4 Monitoring Health Data

Access heart rate, blood pressure, and blood oxygen measurements through dedicated apps on the watch. Ensure the watch is worn snugly on your wrist for accurate readings. Sleep data is automatically recorded overnight and can be viewed in the Fitcloudpro App.

5.5 Using Sports Modes

Select your desired sports mode from the watch's menu before starting an activity. The watch will track relevant metrics such as duration, calories burned, and heart rate during your workout. End the activity to save the data.

5.6 Customizing Watch Faces

Open the Fitcloudpro App on your phone. Navigate to the watch face section to browse and select from over 200 designs. You can also upload your own photos to create personalized watch faces.

6. Maintenance

6.1 Cleaning Your Smart Watch

Regularly clean your watch and bands to prevent skin irritation and maintain device functionality. Use a soft, lint-free cloth to wipe the screen and watch body. For the bands, follow specific cleaning instructions based on the material (silicone or metal mesh).

6.2 Water Resistance (IP67)

The watch has an IP67 waterproof rating, meaning it is resistant to splashes, rain, and brief immersion in shallow water. It is suitable for daily hand washing and sweating during exercise. However, it is not recommended for swimming, showering with hot water, or diving, as steam and high water pressure can damage the device.

6.3 Battery Care

The smartwatch is equipped with a 275mAh large-capacity battery. A full charge takes approximately 2 hours. To prolong battery life, avoid extreme temperatures and fully discharge the battery only occasionally. Average battery life is 3-7 days, with up to 25 days of standby time, depending on usage.

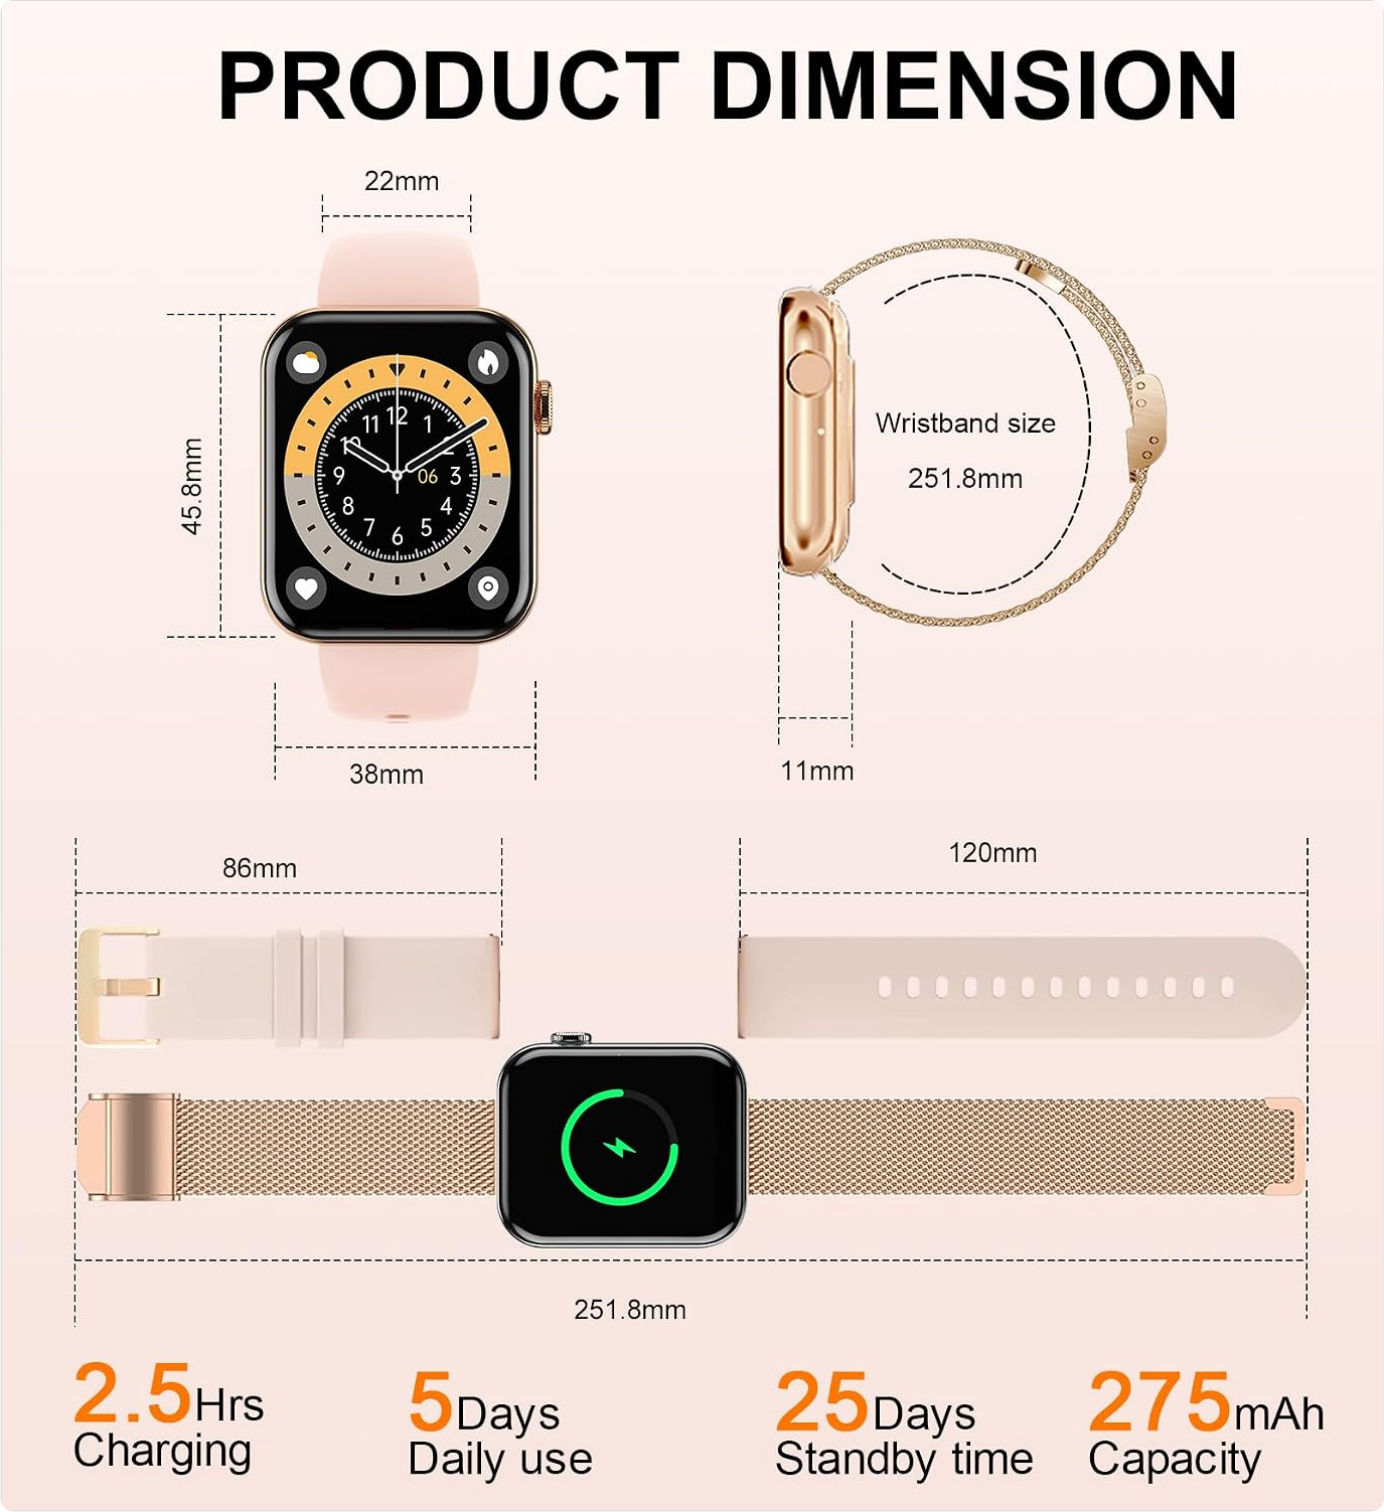

Figure 6.1: Battery and dimension details.

7. Troubleshooting

- **Watch not turning on:** Ensure the watch is fully charged using the provided charger.
- **Cannot pair with phone:** Make sure Bluetooth is enabled on your phone and the watch is within range. Restart both devices and try pairing again through the Fitcloudpro App.
- **Notifications not appearing:** Check app permissions in the Fitcloudpro App and your phone's settings to ensure notifications are allowed for the watch.
- **Inaccurate health readings:** Ensure the watch is worn snugly on your wrist, not too loose or too tight. Clean the

sensor on the back of the watch.

- **Short battery life:** Reduce screen brightness, limit frequent heart rate monitoring, and turn off unnecessary notifications or features to extend battery life.

8. Specifications

Feature	Detail

Answered questions about this manual

How do I set the language to Czech on my INNOFOVO I26 Smart Watch if the option is missing in the watch menu but the app is already in Czech?

To set the language on your INNOFOVO I26 Smart Watch, the device typically synchronizes its language automatically with your smartphone once a successful Bluetooth connection is established via the Fitcloudpro app. If the watch...
