

## LEAGY MWC001-B

# LEAGY 3-in-1 Foldable Magnetic Wireless Charging Station User Manual

Model: MWC001-B | Brand: LEAGY

## 1. INTRODUCTION

Thank you for choosing the LEAGY 3-in-1 Foldable Magnetic Wireless Charging Station. This device is designed to provide a convenient and efficient charging solution for your Apple iPhone, Apple Watch, and AirPods simultaneously. Please read this manual carefully before using the product to ensure proper operation and to maximize its lifespan.

## 2. PRODUCT OVERVIEW

The LEAGY 3-in-1 Wireless Charging Station is a versatile and portable charging solution. Its foldable design allows it to transform from a flat charging pad to a triangular stand, making it ideal for both home and travel use. It features dedicated charging areas for your iPhone (with magnetic alignment for compatible models), Apple Watch, and AirPods.

### 3. FEATURES

- **3-in-1 Foldable Charging Station:** Charges iPhone (magnetic suction for Apple 8 series and above), Apple Watch (9/Ultra 2/Ultra/8/7/6/SE/5/4/3), and AirPods (with wireless charging case) simultaneously. Compatible with all Qi-enabled devices.
- **Travel-Friendly Design:** Portable and foldable, making it easy to carry for home, office, or travel use.
- **Compact and Easy to Use:** Requires only one cable to charge three Apple products. The 180° foldable charging pad can convert into a phone stand for horizontal viewing while charging.
- **Fast and Safe Charging:** Qi-certified wireless charger with intelligent protection technology, including temperature control, over-voltage protection, short-circuit protection, and over-current protection.

### 4. PACKAGE CONTENTS

Please check the package for the following items:

- 1 x LEAGY 3-in-1 Wireless Charging Station
- 1 x USB-C Charging Cable

- 1 x User Manual

## 5. SETUP INSTRUCTIONS

Follow these steps to set up your charging station:

1. **Unfold the Charger:** Gently unfold the charging station from its compact form. It can be used flat or folded into a triangular stand.
2. **Connect Power:** Connect the provided USB-C charging cable to the USB-C port on the charging station. Plug the other end of the cable into a compatible USB-C power adapter (not included, recommended 18W or higher for optimal performance).
3. **Power On:** Once connected to power, the indicator lights on the charging station will briefly illuminate, indicating it is ready for use.

## 6. OPERATING INSTRUCTIONS

To charge your devices:

- **For iPhone:** Place your iPhone (iPhone 12 series and newer for magnetic alignment) onto the main magnetic charging pad. The phone will snap into place, and charging will begin automatically.
- **For Apple Watch:** Place your Apple Watch onto the dedicated watch charging puck. Ensure the watch is properly aligned for charging.
- **For AirPods:** Place your AirPods (with wireless charging case) onto the designated AirPods charging pad.

The charging station features LED indicators that show the charging status of your devices. Refer to the specific indicator behavior in the manual for detailed information.

## 7. MAINTENANCE

To ensure the longevity and optimal performance of your charging station:

- **Cleaning:** Disconnect the power before cleaning. Use a soft, dry cloth to wipe the surface. Do not use abrasive cleaners or immerse the device in water.
- **Storage:** Store the charging station in a cool, dry place when not in use. Its foldable design makes it easy to store compactly.
- **Handling:** Avoid dropping or subjecting the device to strong impacts.

## 8. TROUBLESHOOTING

If you encounter issues, please refer to the following table:

Problem	Possible Cause	Solution
Device not charging	Incorrect placement, incompatible power adapter, faulty cable, device case too thick.	Ensure device is centered on the charging pad. Use a power adapter of 18W or higher. Check cable connection. Remove thick phone cases.
Slow charging	Underpowered adapter, background apps on device, high ambient temperature.	Use a higher wattage power adapter. Close unnecessary apps on your device. Ensure good ventilation around the charger.
Charger or device overheating	Poor ventilation, foreign objects on pad, charging in direct sunlight.	Ensure charger is on a flat, well-ventilated surface. Remove any metal objects or foreign debris. Avoid charging in direct sunlight or hot environments.
Magnetic alignment not working	Incompatible iPhone model, non-MagSafe case.	Magnetic alignment is for iPhone 12 series and newer. Use a MagSafe-compatible case or no case.

## 9. SPECIFICATIONS

Feature	Detail
Brand	LEAGY
