2. Important Safety Instructions

Please read and understand all instructions before assembling and using this product. Failure to follow these instructions may result in injury or damage.

- Keep all small parts and packaging materials away from children and pets.
- Ensure all connections are secure before use, especially electrical components.
- Do not overload the electrical outlets or USB ports.

- Place the vanity on a flat, stable surface to prevent tipping.
- Avoid exposing the vanity to excessive moisture or direct sunlight.
- If any parts are missing or damaged, do not proceed with assembly. Contact customer support immediately.

3. Setup Guide

Assembly Instructions

Assembly of the BTHFST Vanity Desk requires careful attention to detail. It is recommended to have two people for assembly. Please ensure all components are present before beginning.

Image 3.1: Diagram showing the overall dimensions of the vanity desk (44.5"L x 15"W x 56.3"H) and key structural components.

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out and compare them against the parts list provided in your assembly manual to ensure nothing is missing or damaged.

2. **Assemble Base Structure:** Begin by assembling the main frame and side drawer units according to the detailed diagrams in your included assembly manual. Ensure all screws and fasteners are tightened securely.
3. **Install Drawers and Shelves:** Insert the drawer slides into the designated slots and assemble the drawers. Place the acrylic dividers as desired within the drawers. Install the fixed and adjustable shelves.
4. **Attach Mirror and Lighting:** Securely attach the mirror unit to the main desk structure. Install the LED light bulbs into their sockets.
5. **Connect Electrical Components:** Plug in the power cord for the lighting system and the charging station. Ensure all electrical connections are firm and properly routed to avoid hazards.
6. **Final Placement:** Carefully move the assembled vanity desk to its desired location. Ensure it is level and stable.

4. Operating Instructions

4.1. Lighting System

The vanity desk features 10 LED bulbs with adjustable brightness and three color modes to suit various makeup needs.

- **Power On/Off:** Use the inline controller to turn the lights on or off.
- **Change Color Mode:** Press the 'M' button on the controller to cycle through the three color temperatures: cool white (for official makeup), warm white (for skin care or daily makeup), and warm yellow (for dinner or party makeup).
- **Adjust Brightness:** Use the '+' and '-' buttons on the controller to increase or decrease the light brightness for each color mode.

4.2. Charging Station

The integrated charging station provides convenient power access for your electronic devices and beauty tools.

- **AC Outlets:** Plug in hair dryers, curling irons, or other AC-powered beauty instruments into the two standard 125V/12A outlets.
- **USB Ports:** Connect your smartphones, tablets, or other USB-powered devices to the two 5V/2.1A USB ports for charging.

4.3. Magnifying Mirror

The removable 10x magnifying mirror is ideal for detailed tasks such as eyeliner application or eyebrow shaping.

- **Attachment:** The mirror features suction cups on the back. Press firmly onto the main vanity mirror surface to attach.
- **Detachment:** Gently pull the mirror away from the surface to remove. It can also be held by hand for close-up use.

5. Maintenance and Care

Proper care will ensure the longevity and appearance of your vanity desk.

- **Cleaning:** Wipe the surfaces, including the glass tabletop and mirror, with a soft, dry cloth. For stubborn marks, a slightly damp cloth with mild soap can be used, followed by immediate drying. Avoid abrasive cleaners or harsh chemicals.
- **Dusting:** Regularly dust all surfaces to prevent buildup.

- **Drawer Maintenance:** Periodically check drawer slides for smooth operation. If needed, clean any debris and apply a small amount of silicone lubricant.
- **Electrical Components:** Ensure all plugs and cords are free from damage. Do not attempt to repair electrical components yourself.
- **Avoid Overloading:** Do not place excessively heavy items on the vanity desk or shelves.

6. Troubleshooting Common Issues

This section addresses common issues you might encounter with your vanity desk.

Problem	Possible Cause	Solution
Lights not turning on	Power cord unplugged; loose bulb; faulty controller.	Check if the power cord is securely plugged into a working outlet. Ensure all bulbs are screwed in tightly. If issue persists, contact customer support.
Charging station not working	Power cord unplugged; device not compatible; overloaded circuit.	Verify the vanity's main power cord is connected. Test with a different device. Ensure total power draw does not exceed station limits.
Drawers stick or are difficult to open/close	Misaligned slides; debris in tracks; overloaded drawer.	Check that drawer slides are properly aligned and free of obstructions. Do not overload drawers.
Vanity feels wobbly	Loose assembly screws; uneven floor.	Tighten all assembly screws. Adjust the vanity's position or use shims to level it on uneven floors.
