Red by Kiss TCS15

Red by Kiss Tintation Temporary Hair Color Spray TCS15 Instruction Manual

Model: TCS15

1. Product Overview

The Red by Kiss Tintation Temporary Hair Color Spray is designed to provide vibrant, temporary hair color that is quick-drying and smudge-proof. This product is suitable for various hair types and textures, offering a non-permanent solution for styling and color experimentation.

Image 1: Red by Kiss Tintation Temporary Hair Color Spray, Phantom White. The spray can features a pointed nozzle for precise control.

Key Features:

- **Temporary Color:** Provides non-permanent color that washes out with shampoo.
- **Quick-Dry & Smudge-Proof:** Formulated to dry quickly, preventing transfer onto clothing or pillows.
- **Olive Oil Infused:** Contains olive oil to help nourish hair during use.
- **Flawless Coverage:** Self-adjusting pigments adhere to various hair textures and tones.

2. Safety Information

Please read all safety warnings before using this product.

- For external use only.
- Avoid contact with eyes. In case of contact, rinse immediately with water.
- Keep out of reach of children.

- Do not inhale spray directly. Use in a well-ventilated area.
- Flammable: Do not use near heat, open flames, or while smoking.
- Pressurized container: Do not pierce or burn, even after use.
- Store in a cool, dry place away from direct sunlight.

Image 2: The back of the product can displays safety warnings and usage instructions in multiple languages, including a flammable symbol.

3. Setup and Preparation

Proper preparation ensures optimal color application and results.

1. **Shake Well:** Shake the bottle vigorously before each use to ensure the pigment is evenly mixed.
2. **Hair Condition:** For best results, apply to clean, dry, and styled hair.
3. **Protect Surroundings:** Cover clothing and surrounding areas to prevent accidental staining.

Image 3: This diagram highlights the product's features: a precise tip for control, smudge and transfer-proof formula, 1-minute drying time, and a nourishing formula free of ammonia, bleach, and peroxide.

4. Operating Instructions: How to Apply

Follow these steps for effective application of the temporary hair color spray.

1. **Shake Well:** Ensure the can is thoroughly shaken before spraying.
2. **Positioning:** Hold the can 4-6 inches (approximately 10-15 cm) away from your hair.
3. **Spray Evenly:** Spray the color evenly onto the desired sections of your hair.
4. **Drying Time:** Allow the color to dry for 1 minute. The color will appear more vibrant as it dries.
5. **Optional Clean-up:** If desired, remove any excess product from the perimeter of your hairline using witch hazel or alcohol for a clean finish.

Image 4: This visual guide illustrates the five steps for applying the hair color spray and three steps for its removal, accompanied by examples of colored hair.

5. Maintenance: How to Remove

The temporary hair color is designed for easy removal with shampoo.

1. **Pre-treatment (Optional):** For best results, prepare your hair for color removal by massaging hair oil into your hair.
2. **Shampoo:** Use a clarifying or oil-based shampoo to cleanse your hair. Repeat as necessary until the color is removed.
3. **Condition:** Follow with a conditioner or deep conditioner as directed to restore hair moisture.

Pro Tip for Stubborn Residue:

If any residue remains, add ½ - 1 teaspoon of baking soda to your shampoo and wash hair thoroughly.

6. Troubleshooting

If you encounter issues during or after using the product, consider the following:

- **Color Not Appearing Vivid:** Ensure the can was shaken thoroughly before use. Apply to clean, dry hair. Allow the full 1 minute drying time for the color to develop.
- **Hair Feels Stiff or Gummy:** This can occur if too much product is applied or if the hair is not fully dry. Try applying a lighter, more even coat. For removal, follow the maintenance steps carefully, including pre-treatment with oil and using clarifying shampoo.
- **Difficulty Washing Out:** Some hair types or excessive application may require multiple washes. Utilize the pre-treatment with hair oil and the baking soda pro tip mentioned in the 'How to Remove' section.
- **Color Transfer:** While designed to be smudge-proof, ensure the product is completely dry before contact with clothing or pillows.

7. Specifications

Feature	Detail
