

A22 CM8014.0102

A22 Matrimonial Foldable Bed with Shelves CM8014.0102 User Manual

PRODUCT OVERVIEW

The A22 Matrimonial Foldable Bed with Shelves, Model CM8014.0102, is a modern, durable, and space-saving furniture solution. This innovative design allows the bed to fold up, transforming into a shelving unit when not in use. It is constructed from 15 mm industrialized wood panel with a low-pressure (BP) melamine coating, providing a rustic finish. This product requires customer assembly and includes all necessary hardware and an assembly manual.

Important Safety Information: This product requires customer assembly. Exercise caution during handling and assembly to prevent injuries. Melamine edges can be sharp if cut or broken.

SETUP AND ASSEMBLY

Your A22 Matrimonial Foldable Bed is designed for home assembly. Please follow the included assembly manual carefully. All necessary hardware is provided. It is recommended to have at least two people for assembly due to the size and weight of the components.

Before beginning assembly, ensure you have a clear, spacious area. Unpack all components and verify that all parts are present against the parts list in the included manual. Refer to the diagram below for an overview of the bed's dimensions and structure.

CM-8014

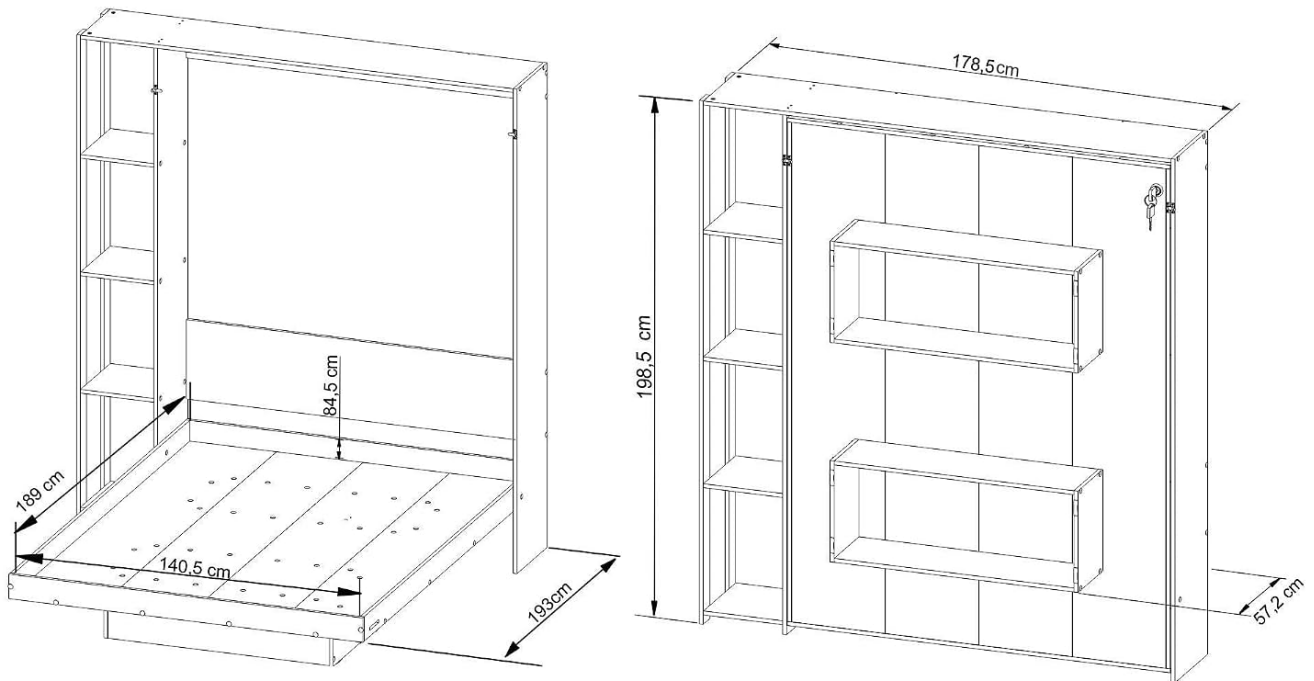

Figure 1: Assembly diagram with dimensions for the A22 Matrimonial Foldable Bed CM8014.0102. This diagram illustrates the overall structure, including the bed frame, shelving unit, and key measurements in centimeters.

During assembly, pay close attention to the orientation of each panel. Secure all screws and fasteners firmly, but do not overtighten to avoid damaging the melamine. If you encounter any difficulties, refer to the detailed instructions in the physical manual.

OPERATING INSTRUCTIONS

The A22 Foldable Bed is designed for easy transformation between a bed and a shelving unit. Always ensure the area around the bed is clear before folding or unfolding.

To Unfold the Bed:

1. Gently pull the bed frame downwards from its upright, folded position.
2. Guide the bed frame until it is fully extended and rests securely on the floor.
3. Ensure all support mechanisms are properly engaged before use.

To Fold the Bed:

1. Remove any bedding, pillows, or mattresses from the bed frame.
2. Lift the bed frame upwards, guiding it smoothly into its vertical position.
3. Ensure the bed frame locks securely into place, transforming into the shelving unit.

Always operate the folding mechanism slowly and with care to prevent injury or damage to the unit.

CARE AND MAINTENANCE

Proper care will ensure the longevity and appearance of your A22 Foldable Bed.

- **Regular Cleaning:** For daily cleaning, use a soft, dry cloth or duster to remove dust.
- **Monthly Cleaning:** Once a month, wipe the surfaces with a soft, damp cloth. Immediately dry the surfaces with a clean, dry cloth to prevent moisture absorption and damage to the melamine finish.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the finish.
- **Spills:** Clean spills immediately with a soft, dry cloth.
- **Mechanism Check:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary.

TROUBLESHOOTING

If you encounter issues with your A22 Foldable Bed, please refer to the following common solutions:

- **Missing Parts:** If any parts are missing upon unboxing, carefully review the parts list in your assembly manual. Contact customer support with the specific part numbers required.
- **Difficulty During Assembly:** Ensure all components are oriented correctly as per the assembly manual diagrams. Do not force parts together. If a step is unclear, re-read the instructions and check for any overlooked details.
- **Bed Does Not Fold/Unfold Smoothly:** Check for any obstructions around the bed frame. Ensure all assembly screws are properly tightened, but not overtightened, which could cause misalignment. The mechanism should operate freely.
- **Wobbling or Instability:** Verify that all fasteners are securely tightened. Ensure the bed is placed on a level surface.

PRODUCT SPECIFICATIONS
