## SAFETY INFORMATION

Please read and understand the following safety guidelines before using the product:

- **For external use only.** Do not ingest.
- Avoid contact with eyes. In case of contact, rinse thoroughly with water.
- Keep out of reach of children and pets.
- Store in a cool, dry place away from direct sunlight and heat.
- Discontinue use if irritation or rash occurs. Consult a physician if symptoms persist.

## SETUP AND FIRST USE

The AHUJA Pour Homme Eau de Parfum is ready for immediate use upon unboxing. No assembly or complex setup is required.

1. Carefully remove the fragrance bottle from its packaging.
2. Remove the protective cap from the spray nozzle.
3. For first-time use, prime the pump by spraying a few times into the air until a fine mist appears.

## OPERATING INSTRUCTIONS

To achieve the best and most lasting fragrance experience, follow these application guidelines:

- **Application Points:** Spray once or twice on pulse points such as wrists, behind the ears, or on the neck. These areas generate heat, which helps to diffuse the fragrance throughout the day.
- **Optimal Distance:** Hold the bottle approximately 6-8 inches (15-20 cm) away from your skin when spraying to ensure an even distribution of the mist.
- **Avoid Rubbing:** After applying, do not rub the fragrance into your skin, as this can break down the scent molecules and alter the fragrance's intended development.
- **Layering (Optional):** For a more intense and prolonged scent, consider applying the fragrance after showering and moisturizing, as hydrated skin holds scent better.

## MAINTENANCE AND STORAGE

---

Proper care and storage will help preserve the quality and longevity of your AHUJA Pour Homme Eau de Parfum.

- **Storage:** Store the bottle upright in its original packaging, away from direct sunlight, extreme temperatures, and humidity. A cool, dark place like a drawer or cabinet is ideal.
- **Cap Securely:** Always ensure the cap is securely placed on the bottle after each use to prevent evaporation and maintain the fragrance's integrity.
- **Cleaning:** If the bottle or nozzle becomes dusty, gently wipe it with a soft, dry cloth. Do not use harsh chemicals or abrasive

materials.

## TROUBLESHOOTING

---

If you encounter any issues with your AHUJA Pour Homme Eau de Parfum, consider the following common solutions:

Problem	Possible Cause	Solution
Fragrance doesn't last long.	Dry skin; improper application; environmental factors.	Apply to moisturized skin. Spray on pulse points. Reapply as needed.
No mist or weak spray.	Nozzle clogged; pump not primed.	Ensure nozzle is clear. Prime the pump by spraying several times.
Scent seems different.	Improper storage; individual body chemistry.	Store in a cool, dark place. Note that fragrance can interact differently with individual skin chemistry.
