

GAIOUS 4D-Black

GAIOUS 4D-Black Kitchen Pantry Cabinet Instruction Manual

Model: 4D-Black | Brand: GAIOUS

INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your GAIOUS 4D-Black Kitchen Pantry Cabinet. Designed for versatile storage, this cabinet features durable metal construction, acrylic glass doors, and adjustable shelving to suit various needs in your kitchen, dining room, home office, or bedroom. Please read all instructions carefully before assembly and use.

SAFETY INFORMATION

- **Anti-Tipping Protection:** For family safety, it is crucial to install the cabinet on the wall using the provided anti-tipping hardware to prevent overturning. Failure to do so may result in tipping.
- **Weight Limit:** Do not exceed 180 LBS (approximately 81.6 kg) of weight per shelf to ensure stability and prevent damage.
- **Magnetic Suction:** The door panels are equipped with a magnetic suction design, which helps the doors close quietly and securely.

PACKAGE CONTENTS

Before beginning assembly, ensure all parts are present and undamaged. Refer to the included parts list for identification.

Video: Unboxing and identification of all components for the GAIIOUS Kitchen Pantry Cabinet.

- Main Metal Panels (A, B, C, D, G)
- Adjustable Shelves (H)
- Door Frames (I, J)
- Acrylic Glass Panels (X)
- Support Bars (V, F, E)
- Adjustable Leveling Feet (M, N)
- Shelf Clips (O, P)
- Door Hinges (Q)
- Door Handles (R)

- Magnetic Catches (S)
- Various Screws and Fasteners (K, L, T, U, W)

SETUP AND ASSEMBLY

Assembly is straightforward, but it is recommended that two adults work together. An installation video is available to guide you through the process.

Assembly Steps Overview:

1. Unpack all components and verify against the parts list.
2. Assemble the main frame of the cabinet using the designated metal panels and screws.
3. Attach the support bars to reinforce the structure.
4. Install the adjustable leveling feet at the base of the cabinet.
5. Insert the shelf clips into the desired height slots and place the shelves.
6. Peel off the protective film from the acrylic glass panels and insert them into the door frames.
7. Attach the magnetic catches and handles to the doors.
8. Mount the doors onto the cabinet frame using the hinges.
9. Adjust the leveling feet to ensure the cabinet is stable and the door gaps are even.
10. Secure the cabinet to the wall using the anti-tipping hardware.

OPERATING INSTRUCTIONS

The GAIIOUS 4D-Black Kitchen Pantry Cabinet is designed for flexible and convenient storage.

- **Adjustable Shelves:** The cabinet features 2 adjustable shelves and 1 fixed shelf. You can easily disassemble or adjust the height of the adjustable shelves to accommodate items of various sizes, enhancing the cabinet's versatility.
- **Magnetic Doors:** The four acrylic glass doors are equipped with magnetic catches, ensuring they close quietly and securely, keeping your stored items protected and out of sight.
- **Versatile Placement:** This tall multifunctional cabinet is suitable for various settings, including kitchens, dining rooms, living rooms, study rooms, home offices, entryways, hallways, bedrooms, bathrooms, and laundry rooms.

MAINTENANCE

To ensure the longevity and appearance of your GAIIOUS Kitchen Pantry Cabinet, follow these maintenance guidelines:

- **Cleaning:** The cold-rolled steel plate material is easy to clean. Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the electrostatic powder coating.
- **Rust and Corrosion Resistance:** The cabinet's material and finish are designed for rust and corrosion resistance. However, avoid prolonged exposure to excessive moisture to maintain its condition.
- **General Care:** Periodically check all fasteners and connections to ensure they remain tight.

TROUBLESHOOTING

If you encounter any issues with your cabinet, refer to the following common solutions:

- **Unstable Cabinet:** Ensure the adjustable leveling feet are properly adjusted to stabilize the cabinet on uneven floors. Verify that the anti-tipping hardware is securely installed to the wall.
- **Uneven Door Gaps:** After installation, the door gaps can be made more even by adjusting the height leveling foot at the bottom of the cabinet.
- **Difficulty During Assembly:** If you experience any problems during installation, please contact the GAIOUS team for assistance. They are committed to resolving issues within 24 hours.

SPECIFICATIONS

Feature	Detail
Brand	GAIOUS
Model Name	4D-Black
Color	Black
