SAFETY INFORMATION

Before assembly and use, please observe the following safety guidelines:

- Always ensure the power adapter for the mirror lights is properly connected and disconnected.
- Regularly check and tighten any loose screws or parts to maintain stability and functionality.
- Use the anti-slip mats provided to prevent slipping and ensure extra safety.
- Do not overload drawers or the tabletop to prevent tipping or damage.
- Keep small parts away from children during assembly.

SETUP AND ASSEMBLY

Basic assembly is required for this vanity desk. Please follow the included assembly instructions carefully. Ensure all parts are present before beginning assembly.

Key Assembly Features:

- **Detachable Mirror:** The mirror is designed to be detachable, allowing the desk to be used as a computer or writing desk.
- **Anti-Toppling Device:** An anti-toppling device is included to secure the vanity to a wall, enhancing safety.
- **Adjustable Foot Pads:** The desk and stool are equipped with adjustable foot pads for stability on uneven surfaces and floor protection.

OPERATING INSTRUCTIONS

LED Lighted Mirror Operation:

The vanity mirror features a dimmable LED light with a touch switch for easy control.

1. **Power On/Off:** Tap the touch switch once to turn the light on or off.
2. **Change Color Mode:** Short press the touch switch to cycle through the 3 color modes:
 - Warm White
 - Warm Yellow
 - Cold White
3. **Adjust Brightness:** Long press the touch switch to adjust the brightness level within the selected color mode.

Release when desired brightness is achieved.

Drawer Usage:

The vanity desk includes two drawers for storage, one of which features a jewelry organizer tray, and an additional acrylic tray.

- Utilize the spacious desktop for frequently used items.
- The drawers are equipped with smooth metal slides for easy opening and closing.
- The jewelry organizer tray helps keep small items like earrings, necklaces, and rings neatly arranged.
- The acrylic tray provides additional organized storage for cosmetics or other small accessories.

MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your vanity desk.

- **Cleaning:** Clean surfaces with a damp cloth and dry thoroughly to prevent water damage.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners or harsh chemicals that can scratch or damage the surface.
- **Solvents and Adhesives:** Do not use solvents, adhesives, or finish materials on the product.
- **Environmental Protection:** Protect the product from extreme temperatures and humidity.
- **Stability Check:** Regularly check and tighten any loose screws or parts to maintain stability and functionality.

TROUBLESHOOTING

If you encounter issues with your vanity desk, please refer to the following common solutions:

- **LED Mirror Not Lighting Up:**

- Ensure the power adapter is securely plugged into both the mirror and a working electrical outlet.
- Check if the outlet is functional by plugging in another device.
- Verify that the touch switch is being pressed correctly (a short press for on/off, long press for brightness).

- **Desk or Stool Instability:**

- Check all screws and bolts for tightness and re-tighten if necessary.
- Adjust the foot pads on the bottom of the legs to level the desk and stool on uneven floors.
- Ensure the anti-toppling device is properly installed if the desk feels wobbly.

- **Drawers Sticking:**

- Ensure drawers are not overloaded.
- Check if any items are obstructing the drawer slides.
- Verify that the drawer slides are properly aligned and free of debris.
