MAINTENANCE

To ensure the longevity and appearance of your vanity desk, follow these simple maintenance guidelines:

- Cleaning Surfaces:** For general cleaning, wipe the desk surfaces with a dry cloth. For more stubborn marks, use a slightly damp cloth, then immediately dry the surface.
- Avoid Harsh Chemicals:** Do not use abrasive cleaners, strong detergents, or chemical sprays, as these can damage the finish of the desk and mirror.
- Mirror Care:** Clean the mirror surface with a soft, lint-free cloth and a glass cleaner. Avoid spraying cleaner directly onto the mirror to prevent liquid from seeping into the electrical components.
- Stool Cushion:** Spot clean the faux leather cushion with a mild soap and water solution.
- Regular Checks:** Periodically check all screws and connections to ensure they remain tight and secure.
