# YITAHOME 6FT Folding Bench Instruction Manual

Model: MAYIHtMf2I

## 1. SAFETY INFORMATION

Please read and understand all safety information before assembling or using the YITAHOME 6FT Folding Bench. Failure to follow these instructions may result in injury or damage to the product.

- **Weight Capacity:** Do not exceed the maximum weight recommendation of 330 pounds (approximately 150 kg) for each bench.
- **Stable Surface:** Always place the bench on a flat, stable, and level surface to prevent tipping.
- **Pinch Points:** Exercise caution when folding and unfolding the bench to avoid pinching fingers or hands in the moving parts.
- **Locking Mechanism:** Ensure all locking mechanisms are fully engaged before use to secure the legs in place.
- **Children:** Keep children away from the bench during assembly and folding/unfolding operations. Supervise children when they are using the bench.
- **Inspection:** Before each use, inspect the bench for any signs of damage, loose parts, or wear. Do not use if damaged.

## 2. SETUP AND ASSEMBLY

The YITAHOME 6FT Folding Bench is designed for quick and easy setup. Follow these steps to unfold and prepare your bench for use:

1. Place the folded bench on a flat surface with the carrying handle facing upwards.
2. Gently unfold the bench by pulling the two halves apart.
3. Extend the legs outwards from the underside of the bench.
4. Locate the security lock and fixing buckles on the leg supports. Push the leg supports until they click into place, ensuring the locking mechanisms are fully engaged. This secures the legs in their open position.
5. Repeat for all leg sets.
6. Carefully flip the bench upright.

To fold the bench for storage, reverse these steps, ensuring to disengage the security locks before folding the legs inward.

## 4. MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your YITAHOME folding bench.

- **Cleaning:** The bench features a waterproof resin (HDPE) surface that is rust and weather-resistant. Clean the surface easily with a damp cloth. For stubborn dirt, a mild soap solution can be used. Avoid abrasive cleaners.
- **Storage:** When not in use, fold the bench and store it in a dry, protected area to prolong its lifespan.
- **Inspection:** Periodically check all bolts, screws, and locking mechanisms to ensure they are tight and secure. Tighten as needed.

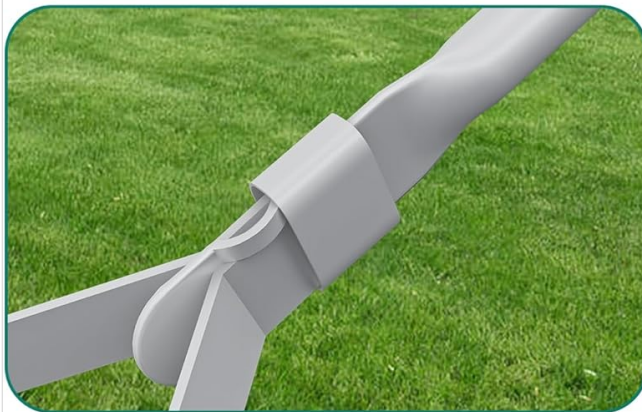

## HDPE ANTI-UV DESKTOP

## 5. TROUBLESHOOTING

If you encounter any issues with your YITAHOME folding bench, consider the following common solutions:

- **Bench is unstable:** Ensure all leg locking mechanisms are fully engaged. Check that the bench is placed on a flat and even surface.
- **Difficulty folding/unfolding:** Verify that no debris is obstructing the folding mechanism. Ensure the security locks are properly disengaged before attempting to fold. Apply gentle, even pressure.
- **Damaged parts:** If any part of the bench appears damaged or broken, discontinue use immediately. Contact customer support for assistance.
