## 1. IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before beginning assembly and use. Failure to follow these instructions may result in serious injury.

- **Adult Assembly Required:** This product contains small parts. Keep children away during assembly.
- **Weight Limit:** Do not exceed the recommended weight capacity for a Queen size bed frame. Distribute weight evenly.
- **Regular Inspection:** Periodically check all bolts and screws to ensure they are tight and secure. Retighten as necessary.
- **Placement:** Place the bed on a flat, level surface. Avoid placing near windows where cords could pose a strangulation hazard to children.
- **No Jumping:** Do not allow children to jump on the bed.
- **Ventilation:** Ensure adequate ventilation around the bed.

---

## 2. PACKAGE CONTENTS

Verify that all components are present before starting assembly. If any parts are missing or damaged, do not proceed with assembly. Contact customer support immediately.

- Headboard and Footboard Panels
- Side Rails (Left and Right)
- Roof Frame Components (A-frame pieces)
- Bed Slats
- Center Support Beam (if applicable)
- Hardware Pack (screws, bolts, nuts, Allen wrench)
- Assembly Instructions Manual

### 3. ASSEMBLY INSTRUCTIONS

Follow these steps carefully for proper assembly. Two adults are recommended for assembly.

1. **Prepare the Area:** Clear a spacious area for assembly. Lay out all components and hardware.
2. **Assemble the Headboard and Footboard:** Attach any vertical slats or decorative elements to the headboard and footboard panels using the provided hardware.
3. **Connect Side Rails:** Attach the side rails to the headboard and footboard using the appropriate bolts and nuts. Ensure all connections are secure but do not fully tighten yet.
4. **Install Center Support (if applicable):** If your frame includes a center support beam, install it now according to the diagrams.
5. **Place Bed Slats:** Lay the bed slats across the side rails. Secure them in place using the pre-drilled holes and screws. Ensure even spacing.
6. **Assemble the House Roof Frame:** Connect the A-frame pieces to form the house structure. Attach these to the main bed frame posts.
7. **Final Tightening:** Once all components are in place, go back and securely tighten all bolts and screws. Do not overtighten.
8. **Inspect:** Ensure the bed frame is stable and all parts are correctly assembled before placing a

mattress on it.

## 4. OPERATING INSTRUCTIONS (USAGE)

This Flieks Queen Size Wooden House Bed Frame is designed for comfortable and safe sleeping. It does not require a box spring.

- **Mattress Placement:** Place your Queen size mattress directly onto the bed slats.
- **Decoration:** The house-shaped design allows for creative decoration, such as hanging lightweight fabrics, lights, or banners to personalize the space. Ensure any decorations are securely attached and do not pose a hazard.
- **Ventilation:** Ensure proper air circulation around the mattress to prevent moisture buildup.

## 5. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your bed frame.

- **Cleaning:** Wipe the frame with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as they may damage the finish.
- **Hardware Check:** Periodically (every 3-6 months) check all bolts, screws, and connections. Re-tighten any loose hardware to maintain stability.
- **Avoid Moisture:** Protect the wooden frame from excessive moisture and direct sunlight to prevent warping or fading.
- **Moving the Bed:** When moving the bed, lift it rather than dragging it to prevent damage to the frame and floor.

## 6. TROUBLESHOOTING

If you encounter any issues, refer to the following common solutions:

- **Wobbling Frame:** Ensure all bolts and screws are securely tightened. Check that the bed is on a level surface.
- **Squeaking Noises:** Squeaking can often be resolved by re-tightening all hardware. If the issue persists, check for any friction points between wood components.
- **Missing Parts:** If you find any parts missing upon unboxing, do not proceed with assembly. Contact Flieks customer support with your purchase details.
- **Difficulty Assembling:** Review the assembly instructions carefully. Ensure you are using the correct hardware for each step. If needed, disassemble and re-start.

## 7. SPECIFICATIONS

Feature	Detail
Brand	Flieks
Model Number	WF296086AAK-MZJ
Size	Queen
Color	White
Material	Pine Wood + MDF
Product Dimensions (L x W x H)	82.7" x 63" x 70.9"
Item Weight	61.5 pounds
Assembly Required	Yes
