## 1. OVERVIEW

---

This manual provides detailed instructions for the assembly, operation, and maintenance of your iSunirm L Shaped Computer Desk. This versatile desk features integrated power outlets, smart RGB LED lighting, an ergonomic monitor stand, and adjustable storage shelves, designed to enhance your workspace or gaming setup.

## 2. SAFETY INFORMATION

---

**WARNING:** This desk is heavy and can support a significant amount of weight. Ensure proper assembly and anchoring to prevent stability issues. The desk comes with electrical components, so follow all safety guidelines when handling and using these features. Always follow the assembly instructions carefully to avoid injury. Keep the desk and its components away from heat sources and liquids to prevent damage or injury. Always ensure all connections are secure before use. Do not overload the power outlets. Keep children and pets away from the desk during assembly and operation.

## 3. PACKAGE CONTENTS

---

Verify that all components are present before beginning assembly:

- 1 x Computer Desk
- 1 x Monitor Stand
- 1 x Smart RGB LED Strip Light
- 1 x Power Strip
- Assembly Hardware (screws, bolts, tools)
- Instruction Manual

## 4. SETUP AND ASSEMBLY

The iSunirm L Shaped Computer Desk is designed for easy assembly. It offers a reversible and flexible design, allowing for three different layouts to fit various spaces. It is recommended that two people assemble the desk for optimal safety and efficiency.

### 4.1 Assembly Configurations

The desk can be configured in three ways: an L-shape (right or left orientation) or a long straight desk. Refer to the diagrams below and the included instruction booklet for step-by-step guidance.

## 4.2 Adjustable Shelf Installation

The desk includes adjustable shelves that can be positioned at different heights or removed entirely to accommodate items such as a PC tower or books. Follow the instructions in your assembly guide to customize the shelf placement.

**Under Desk Bookshelf**  
The under desk bookshelf offers ample storage space for books, files and other supplies.

## 5.2 Smart RGB LED Strip Light

The integrated smart RGB LED strip light can be controlled via a dedicated app or the included IR remote control. You can personalize the light color from a palette of 60,000 colors, choose from 29 dynamic modes, adjust brightness, and set timers for turning the lights on/off. The music sync feature allows the lights to respond to the rhythm of your audio.

## 6. MAINTENANCE

To maintain the appearance and longevity of your iSunirm L Shaped Computer Desk, wipe it with a dry cloth regularly. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish. Ensure all electrical components are kept dry.

## 7. TROUBLESHOOTING

If you encounter any issues with your desk, please refer to the following common solutions:

- **Stability Issues:** Ensure all screws and bolts are tightened securely. Adjust the leg pads on uneven ground to prevent wobbling.
- **LED Lights Not Working:** Check the power connection to the LED strip. Ensure the remote control batteries are functional or the app is correctly paired.
- **Power Outlets Not Functioning:** Verify the desk's power cord is securely plugged into a working wall outlet. Check for any tripped circuit breakers.
- **Missing Parts:** If any parts were missing upon delivery, please contact customer support immediately.
