Roomratv 9004

Roomratv 52-inch Smart Ceiling Fan with Dimmable LED Light User Manual

Brand: Roomratv | Model: 9004

1. INTRODUCTION

Thank you for choosing the Roomratv 52-inch Smart Ceiling Fan. This modern ceiling fan combines elegant design with smart technology, offering dimmable LED lighting and seamless control via remote, smartphone app, or voice assistants like Alexa and Google Home. Its quiet, reversible DC motor ensures comfort year-round, providing powerful airflow in summer and balanced heating in winter. This manual provides detailed instructions for installation, operation, maintenance, and troubleshooting to ensure you get the most out of your new smart ceiling fan.

2. IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before beginning installation. Failure to follow these instructions could result in electric shock, fire, or personal injury. Always consult a qualified electrician if you are unsure about any part of the installation process. Ensure the power is turned off at the circuit breaker before installation or maintenance. Do not bend the fan blades during installation or cleaning. Keep children and pets away from the fan during operation.

3. PACKAGE CONTENTS

Verify that all components listed below are included in your package:

- Ceiling Fan Motor Assembly
- Fan Blades (5x)
- LED Light Kit
- Remote Control
- Downrod (6 inches)

- Mounting Bracket and Hardware
- User Manual

4. SETUP AND INSTALLATION

The Roomratv ceiling fan is designed for easy installation. Please follow the detailed instructions provided in the included installation guide. While an installation video may be available from the manufacturer, always prioritize the written instructions for safety and accuracy.

4.1 Pre-Installation Checklist

- Ensure power is disconnected at the circuit breaker.
- Verify that the mounting location can support the fan's weight (approximately 17.82 pounds).
- Gather necessary tools (screwdriver, wire strippers, ladder, etc.).

4.2 Installation Steps (Overview)

1. Secure the mounting bracket to the ceiling junction box.
2. Assemble the downrod and hang the fan motor assembly.
3. Complete the electrical wiring connections.
4. Attach the fan blades to the motor housing.
5. Install the LED light kit and light cover.
6. Restore power and test the fan's functions.

5. OPERATING YOUR SMART CEILING FAN

Your Roomratv Smart Ceiling Fan offers multiple control options for convenience and versatility.

5.1 Remote Control Operation

The included remote control allows for easy adjustment of fan and light settings:

- **Power Button:** Turns the fan and light on/off.
- **Fan Speed:** Adjusts between 6 fan speeds.
- **Light On/Off:** Toggles the LED light.
- **Color Temperature (CCT) Adjustment:** Cycles through 3 color temperatures (Warm White 3000K, Neutral White 4500K, Cool White 6500K).
- **Dimmer:** Adjusts light brightness from 10% to 100%.
- **Timer:** Sets the fan to turn off after 1, 2, or 4 hours.
- **Reversible Motor:** Switches between forward (summer) and reverse (winter) modes.

Image: Depiction of the fan's ultra-quiet operation and its 6 speed settings, with recommendations for different activities: 1-2 speeds for sleep, 3-4 speeds for daily life, and 5-6 speeds for hot summer.

5.2 Smart App Control

Control your fan from anywhere using a smartphone app (e.g., Smart Life App, Tuya App). Download the app from your device's app store and follow the in-app instructions to pair your fan. The app allows you to:

- Control fan speed
- Set 1/2/4 hour timers
- Adjust brightness
- Adjust color temperature
- Reverse fan direction

SMART APP CONTROL

- Control Fan Speed
- 1/2/4 Hours Timer
- Adjust Brightness
- Adjust color temperature
- Wood Fan Can Be Reversed

SMART HOME

Use Simple Voice Commands To Control Okeli Smart Ceiling Fans. For Example:

- Alexa, Turn On/Off The Lights.
- Alexa, Turn On/Off The Fan.
- Alexa, Turn The Fan Speed To 40%.

 Speaker Not Included

5.3 Voice Control (Alexa, Google Assistant)

Integrate your Roomratv fan with Amazon Alexa or Google Assistant for convenient voice commands. Once connected via the smart app, you can use commands such as:

- "Alexa, turn on the smart fan."
- "Hey Google, turn off the fan light."
- "Alexa, set the smart fan speed to 3."

Image: A person interacting with an Alexa device to control the Roomratv ceiling fan, demonstrating the convenience of voice control.

6. MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your ceiling fan.

- **Cleaning:** Dust the fan blades and motor housing regularly with a soft, damp cloth. Do not use abrasive cleaners or solvents.
- **Blade Care:** Ensure blades are free from dust and debris to prevent imbalance and noise.
- **Tighten Fasteners:** Periodically check and tighten all screws and fasteners on the fan and mounting hardware.
- **Light Kit:** The LED light source is integrated and generally does not require replacement. If issues arise, refer to the troubleshooting section or contact customer support.

7. TROUBLESHOOTING

If you encounter any issues with your Roomratv Smart Ceiling Fan, please refer to the common problems and solutions below before contacting customer service.

Problem	Possible Cause	Solution
Fan does not operate	No power to the fan; Loose wire connections; Remote control battery low.	Check circuit breaker; Ensure all wires are securely connected; Replace remote control batteries.
Light does not work	Loose wire connection to light kit; Light kit malfunction.	Check light kit wiring; Contact customer support if light kit is faulty.
Remote control not responding	Batteries are dead; Remote not paired with fan.	Replace batteries; Refer to pairing instructions in the full manual.
Fan wobbles	Loose blades or mounting hardware; Unbalanced blades.	Tighten all screws; Ensure blades are securely attached; Use balancing kit if provided.
Excessive noise	Loose screws; Motor issue; Blades hitting an obstruction.	Check and tighten all screws; Ensure no obstructions; Contact support if motor noise persists.
Smart features not connecting	Incorrect Wi-Fi network (only 2.4GHz supported); App not updated; Incorrect pairing steps.	Ensure 2.4GHz Wi-Fi; Update app; Re-attempt pairing following app instructions.

8. PRODUCT SPECIFICATIONS

Feature	Detail
Brand	Roomratv
Model Name	9004
Color	White gold
Product Dimensions	52"D x 52"W x 14.17"H
Power Source	AC
Voltage	120 Volts
Wattage	59 watts

Feature	Detail
Noise Level	30 dB
Number of Blades	5
Air Flow Capacity	4191 Cubic Feet Per Minute
Light Type	LED
Luminous Flux	2400 lumen
Control Method	App, Remote, Voice
Item Weight	17.82 pounds

9. WARRANTY AND CUSTOMER SUPPORT

Roomratv is committed to providing high-quality products and excellent customer service. We offer 24-hour friendly customer service support to ensure you are fully covered during use. For any questions, concerns, or technical assistance, please do not hesitate to contact us.

While specific warranty details are not provided in this manual, please retain your proof of purchase for any warranty claims. For the most up-to-date warranty information and support contact details, please visit the official Roomratv website or refer to the product packaging.
