Setup

To install your iPad Pro 11-Inch into the JETech Protective Folio Case:

1. Gently align your iPad with the TPU inner back shell of the case.
2. Press firmly around the edges of the iPad until it securely snaps into place within the shell. Ensure all corners are properly seated.
3. Close the front cover. The case supports an auto wake/sleep function, which will automatically turn your iPad screen on when opened and off when closed.

The built-in pencil holder on the right side allows for secure storage and charging of your Apple Pencil 2nd Generation (Pencil not included).

Operating Features

The JETech Folio Case offers several features to enhance your iPad experience:

- **Multi-Angle Viewing:** The leather case allows you to adjust your iPad to multiple stable viewing angles for typing, watching videos, or browsing. Simply fold the front cover into the desired triangular stand position.
- **Hand Strap:** An adjustable inner hand strap helps you firmly hold your iPad, providing security and comfort during use.
- **Front Pocket:** A large front pocket is included for convenient storage of cards, cash, notes, or other small documents.
- **Elastic Strap:** An exterior elastic strap helps to fix the iPad tightly to the case, providing extra security when closed.

Maintenance

To ensure the longevity and appearance of your JETech case:

- **Cleaning:** Wipe the exterior PU leather with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the material.
- **Protection:** While the case offers significant protection against drops and scratches, avoid exposing it to extreme temperatures, direct sunlight for prolonged periods, or sharp objects.
- **Storage:** When not in use, store the case in a cool, dry place.

High Quality Materials

Troubleshooting

If you encounter any issues with your JETech case, consider the following:

- **iPad not fitting:** Double-check your iPad model number against the compatibility list in this manual. Ensure the iPad is correctly aligned and gently pressed into the TPU shell.
- **Auto wake/sleep not working:** Ensure the front cover is fully closed and that your iPad's settings for 'Lock/Unlock' are enabled (Settings > Display & Brightness > Lock/Unlock).
- **Pencil not charging:** Verify that your Apple Pencil 2nd Generation is correctly placed in the designated slot and that your iPad's Bluetooth is enabled.
