EUGAD 0203WY

EUGAD Rolling Cart with 3 Adjustable Shelves and Wheels

Model: 0203WY

1. INTRODUCTION

Thank you for choosing the EUGAD Rolling Cart. This versatile storage solution is designed to provide convenient and space-saving organization for various areas in your home, including the kitchen, bathroom, laundry room, or office. Its robust construction, adjustable shelves, and mobile design ensure both functionality and durability. Please read this manual carefully before assembly and use to ensure proper installation and safe operation.

2. SAFETY INSTRUCTIONS

- **Weight Capacity:** Do not exceed the total load capacity of 20 kg (44 lbs) for the entire cart. Each individual shelf has a maximum load capacity of 10 kg (22 lbs). Overloading can cause instability and damage.
- **Assembly:** Pay close attention to all pressure points during assembly. Ensure all screws and fasteners are securely tightened before use.
- **Stability:** Always place the cart on a flat, stable surface. Engage the wheel brakes when the cart needs to remain stationary.
- **Children and Pets:** Keep small parts and packaging materials away from children and pets during assembly to prevent choking hazards.
- **Usage Environment:** Avoid exposing the cart to extreme temperatures or high humidity for prolonged periods, as this may affect the material integrity.

3. PACKAGE CONTENTS

Before beginning assembly, please verify that all components listed below are present and undamaged:

- 1 x EUGAD Rolling Cart (disassembled components)
- 1 x Assembly Instructions Manual
- 1 x Assembly Accessories Kit (screws, wrench, etc.)

4. SETUP (ASSEMBLY)

Assembly of the EUGAD Rolling Cart is straightforward and can be completed in a short time with the provided

accessories and instructions. Follow these general steps:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Attach Wheels:** Secure the four universal wheels to the base frame. Ensure that the two wheels with brakes are positioned as desired for easy access.
3. **Assemble Frame:** Connect the metal frame components according to the diagram in the separate assembly instructions.
4. **Install Shelves:** Slide the wooden shelves into the designated slots on the frame. The middle shelf is adjustable.
5. **Adjust Middle Shelf:** Position the middle shelf to one of the three available height settings (up or down by 6.5 cm) to accommodate items of different heights.
6. **Secure Handle:** Attach the rounded handle to the top frame for easy maneuvering.
7. **Final Check:** Ensure all connections are tight and the cart is stable before placing items on it.

5. OPERATING INSTRUCTIONS

The EUGAD Rolling Cart is designed for ease of use and adaptability:

- **Mobility:** Utilize the rounded handle and four universal wheels to easily move the cart between different locations.
- **Securing the Cart:** Two of the wheels are equipped with brakes. Press down on the brake levers to lock the wheels and prevent the cart from moving. Lift the levers to unlock.
- **Adjusting Shelves:** The middle shelf can be adjusted to three different height positions. To adjust, carefully lift the shelf, reposition it to the desired height, and ensure it is securely seated in the frame slots. This allows for flexible storage of items of varying sizes.
- **Storage:** The shelves feature raised edges to prevent items from falling off during movement.

6. MAINTENANCE

To ensure the longevity and appearance of your EUGAD Rolling Cart, follow these maintenance guidelines:

- **Cleaning:** The cart's surfaces are easy to clean. Wipe regularly with a soft, damp cloth. For stubborn stains, use a mild detergent and dry thoroughly immediately. Avoid abrasive cleaners or harsh chemicals.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.
- **Wheel Care:** Keep the wheels free of debris to ensure smooth movement. If wheels become stiff, clean them and apply a small amount of silicone spray if needed.
- **Avoid Moisture:** While the shelves are water-resistant, prolonged exposure to standing water should be avoided. Wipe up spills promptly.

Figure 6.1: Close-up of the cart's shelves, showing items securely stored within the raised edges.

7. TROUBLESHOOTING

This section addresses common issues you might encounter with your EUGAD Rolling Cart.

- **Cart is Unstable:**
 - Ensure all screws and fasteners are fully tightened.
 - Verify the cart is on a flat, level surface.
 - Check if the weight distribution on the shelves is even and within the specified limits.
- **Wheels Not Rolling Smoothly:**
 - Check for any debris (hair, dust, etc.) caught in the wheels and remove it.
 - Ensure the wheel brakes are disengaged.
- **Shelf Adjustment Difficulty:**
 - Ensure the shelf is lifted completely out of its current slot before attempting to move it to a new position.
 - Do not force the shelf; it should slide into place smoothly when aligned correctly.

8. SPECIFICATIONS

Brand	EUGAD
Model Number	0203WY
