BOTLOG BOT-MW-001

BOTLOG Closet System Organizer Instruction Manual

Model: BOT-MW-001

PRODUCT OVERVIEW

This BOTLOG Closet System Organizer is designed to provide a comprehensive and efficient storage solution for your clothing and accessories. It features a versatile design that combines hanging space, drawers, and open shelving to maximize organization in various living spaces.

- **Functional Design:** Includes a coat rack for long garments, three spacious wooden drawers for smaller items, four open shelves for folded clothes and purses, a shoe rack with a door, and a top shelf for larger storage.
- **Durable Construction:** Features a heavy-duty gold metal frame and thick white wooden boards, ensuring strong load-bearing capacity and long-term durability.
- **Space-Saving:** Optimizes storage in tight areas, making it suitable for cloakrooms, entryways, living rooms, or clothing stores.
- **Elegant Aesthetic:** The combination of gold metal and white wood with transparent glass doors creates an eye-catching and modern look.

Image: The BOTLOG Closet System Organizer, featuring a gold metal frame and white wooden components, integrated into a bedroom. It displays various storage options including a hanging rod for clothes, multiple open shelves for bags and decorative items, and three lower drawers with gold handles, alongside a small cabinet with a glass door.

SAFETY INFORMATION

Please read all safety instructions carefully before assembly and use. Keep this manual for future reference.

- **Age Recommendation:** This product is intended for users aged 12 years and above.
- **Stability:** Ensure the unit is placed on a flat, stable surface. If possible, secure the unit to a wall using anti-tip hardware (not specified if included, but good general advice for tall furniture).
- **Weight Distribution:** Distribute weight evenly across shelves and hanging rods. Do not overload any single section to prevent tipping or damage.
- **Assembly:** Assembly should be performed by adults. Keep small parts and packaging materials away from children.
- **Moving the Unit:** If the unit needs to be moved, empty it first to reduce weight and prevent structural stress. Lift, do not drag.

SETUP AND ASSEMBLY

The BOTLOG Closet System Organizer is designed for straightforward assembly. All necessary parts and illustrations are included to guide you through the process.

Before You Begin:

1. **Unpack and Verify:** Carefully unpack all components and lay them out on a clean, soft surface (e.g., a blanket or carpet) to prevent scratches. Verify that all parts and hardware listed in the instruction manual are present. Each part and screw is labeled for easy identification.
2. **Tools Required:** While basic tools may be provided, using your own screwdriver (preferably a variable speed cordless drill for screws) and a comfortable Allen wrench can significantly ease the assembly process.
3. **Assistance:** Assembly may be easier with two people, especially for lifting and aligning larger sections.

Assembly Steps:

Follow the detailed illustrations provided in the included assembly guide. The general steps involve:

- **Frame Assembly:** Assemble the gold metal frame components according to the numbered steps.
- **Wooden Panel Installation:** Attach the white wooden boards to the metal frame, ensuring all connections are secure.
- **Drawer Construction:** Assemble the three wooden drawers and install their runners.
- **Shelf and Rod Placement:** Install the four open shelves and the hanging rods into their designated positions.
- **Glass Door Cabinet:** Assemble and attach the cabinet with the transparent glass door.
- **Final Touches:** Attach any remaining accessories, such as the detachable hooks.

Image: A close-up view of one of the three wooden drawers, pulled open to reveal neatly organized clothing items, watches, and accessories, demonstrating its storage capacity and internal organization potential.

OPERATING INSTRUCTIONS

The BOTLOG Closet System Organizer is designed for intuitive use, providing various compartments for different types of items.

- **Hanging Rods:** Utilize the sturdy steel hanging rods for coats, dresses, shirts, and other garments that require hanging. Ensure items are evenly distributed.
- **Wooden Drawers:** The three spacious wooden drawers are ideal for storing socks, underwear, folded t-shirts, accessories, or other personal items.
- **Open Shelves:** The four open shelves provide easy access storage for folded garments, purses, hats, decorative items, or small storage bins.
- **Shoe Rack with Door:** The cabinet with a transparent glass door is perfect for storing shoes, small bags, or other items you wish to keep dust-free yet visible.

- **Top Shelf:** The top surface of the unit can be used for larger boxes, luggage, or seasonal items.
- **Detachable Hooks:** Use the included detachable hooks for hanging umbrellas, keys, bags, or other frequently used items on the side of the frame.

Image: A close-up view of the gold hanging rod, showcasing several white hangers with various clothing items, highlighting the ample space for hanging garments.

Image: A detailed shot of the transparent glass door cabinet, with the door slightly ajar, revealing shoes stored on the internal shelves. Text overlays indicate "Transmittance 100%", "Strong and Waterproof", and "Easy to Clean" properties of the glass.

MAINTENANCE

Proper maintenance will ensure the longevity and appearance of your BOTLOG Closet System Organizer.

- **Cleaning:** Wipe surfaces with a damp cloth. For stubborn marks, use a mild, non-abrasive cleaner. Avoid harsh chemicals or abrasive materials that could damage the finish.
- **Dusting:** Regularly dust all surfaces, especially the open shelves and glass door, to maintain cleanliness.
- **Hardware Check:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary to maintain stability.
- **Avoid Overloading:** Do not exceed the recommended weight capacity for shelves and hanging rods to prevent warping or structural damage.
- **Sunlight Exposure:** While durable, prolonged direct sunlight exposure may cause fading or discoloration over time.

TROUBLESHOOTING

If you encounter any issues with your closet system, refer to the following common solutions:

Problem	Possible Cause	Solution
Unit feels wobbly or unstable.	Loose screws or uneven placement.	Ensure all screws are tightened. Verify the unit is on a level surface. If necessary, use shims under the base. Consider securing to a wall with anti-tip hardware.
Drawers do not slide smoothly.	Improper runner installation or obstruction.	Check that drawer runners are correctly installed and aligned. Ensure no items are obstructing the drawer's path. Clean runners if dust or debris is present.
Parts missing during assembly.	Oversight during unpacking or packaging error.	Double-check all packaging materials. If parts are genuinely missing, contact BOTLOG customer support with your model number and a list of missing components.
Scratches or marks on surfaces.	Rough handling during assembly or use.	Use a furniture repair pen or touch-up paint matching the finish. Prevent future scratches by placing soft pads under heavy items.

SPECIFICATIONS

Model Number: BOT-MW-001

Product Dimensions: 15.6 x 41.3 x 81.3 inches (L x W x H)

Item Weight: 108.5 pounds

Color: White + Gold

Material: Alloy Steel, Engineered Wood

Number of Shelves: 3

Special Feature: Space Saver

Care Instructions: Wipe with Damp Cloth

Manufacturer: BOTLOG

ASIN: B0CJFMJ5P4

Date First Available: September 20, 2023

WARRANTY AND SUPPORT

For any questions, concerns, or warranty claims regarding your BOTLOG Closet System Organizer, please contact BOTLOG customer support. Please have your model number (BOT-MW-001) and purchase information ready when contacting support.

While specific warranty details are not provided in this manual, most products come with a manufacturer's warranty covering defects in materials and workmanship. Refer to your purchase documentation or the BOTLOG official website for detailed warranty terms and conditions.
