KIBI C-KBA14-4-1

KIBI Circular 4-Piece Chrome Bathroom Hardware Set

Model: C-KBA14-4-1

UPC: 842708137936

Introduction

This manual provides detailed instructions for the installation, operation, and maintenance of your KIBI Circular 4-Piece Chrome Bathroom Hardware Set. Please read these instructions carefully before installation and retain this manual for future reference. This set includes a towel ring, a toilet paper holder, and two robe hooks, all designed for wall-mounted installation.

Product Overview

The KIBI Circular 4-Piece Chrome Bathroom Hardware Set is crafted from solid brass with a polished chrome finish, offering both durability and a modern aesthetic. The circular design elements provide a sleek and contemporary look for your bathroom.

Components Included:

- 1 x Towel Ring
- 1 x Toilet Paper Holder
- 2 x Robe Hooks
- Brass Mounting Hardware

Key Features:

- **Durable Brass Construction:** Made from premium solid brass for exceptional strength and resistance to rust and corrosion, especially in humid bathroom environments.
- **Polished Chrome Finish:** A multi-layered finish including brass, copper, nickel, and a final plating for a highly polished, reflective surface that is resistant to wear and scratches.
- **Modern Circular Design:** Features a minimalist, circular silhouette that complements various bathroom interiors.
- **Wall-Mounted Stability:** Designed for secure wall installation, ensuring stability and saving space.

Setup and Installation

The KIBI Bathroom Hardware Set is designed for easy wall-mounted installation on various surfaces, including tiles and drywall. Ensure you have the necessary tools before beginning.

Required Tools (Not Included):

- Pencil
- Drill
- Screwdriver
- Measuring Tape
- Level

Installation Steps:

1. **Mark Drill Points:** Position the mounting bracket on the desired wall location. Use a pencil to mark the drill points through

the holes on the bracket. Ensure the bracket is level.

2. **Drill Holes:** Using a drill, create holes at the marked points. The drill bit size should match the provided anchors.
3. **Install Anchors/Mounting:**
    - **For Drywall Into Studs (3A):** If drilling into a wall stud, secure the mounting bracket directly with screws.
    - **For Drywall Between Studs (3B):** Insert the plastic anchors into the drilled holes. Then, secure the mounting bracket with screws into the anchors.
    - **For Ceramic Tile (3C):** Insert the appropriate wall anchors (suitable for tile) into the drilled holes. Secure the mounting bracket with screws into these anchors.
4. **Attach Hardware:** Align the hardware fixture with the mounted bracket. Secure the fixture to the bracket using the provided set screw and Allen wrench. Tighten firmly but do not overtighten.

Operating Instructions

This hardware set is designed for straightforward use in your bathroom.

- **Towel Ring:** Use to hold hand towels or washcloths.
- **Toilet Paper Holder:** Designed to hold standard rolls of toilet paper.
- **Robe Hooks:** Ideal for hanging robes, towels, or other bathroom essentials.

Maintenance

To maintain the polished chrome finish and ensure the longevity of your KIBI bathroom hardware, follow these simple maintenance guidelines:

- **Regular Cleaning:** Wipe the surfaces regularly with a soft, damp cloth to remove dust, water spots, and fingerprints.
- **Avoid Abrasives:** Do not use abrasive cleaners, scouring pads, or harsh chemicals (e.g., ammonia-based cleaners, bleach) as these can damage the chrome finish.
- **Gentle Solutions:** For stubborn spots or limescale, use a mild soap and water solution or a cleaner specifically designed for chrome finishes. Rinse thoroughly and dry immediately with a soft cloth to prevent water spots.
- **Periodic Inspection:** Periodically check the mounting screws to ensure they remain tight. Re-tighten if necessary to maintain stability.

Troubleshooting

If you encounter any issues with your KIBI bathroom hardware, refer to the following common solutions:

- **Hardware Feels Loose:** If any item feels wobbly or loose, check the set screw that secures it to the wall mounting bracket. Use the provided Allen wrench to tighten it. If the entire bracket is loose, the wall anchors or screws may need to be re-secured or replaced.
- **Finish Appears Dull or Stained:** This is often due to hard water buildup or residue from cleaning products. Refer to the Maintenance section for proper cleaning techniques. Ensure you are using non-abrasive cleaners and drying the surface after cleaning.
- **Difficulty Installing:** Ensure you are using the correct drill bit size for the anchors and that the holes are drilled to the appropriate depth. If installing on a challenging surface, consider consulting a professional.

Specifications

Brand	KIBI
Model Number	C-KBA14-4CH-1
Material	Solid Brass
Finish Type	Polished Chrome
Color	Chrome
Installation Type	Wall-Mounted
Number of Items	4 (Towel Ring, Toilet Paper Holder, 2 Robe Hooks)
