Setup

Unpacking

Carefully unpack all components from the packaging. Lay out all parts on a clean, soft surface to prevent scratches. Check the included parts list against the contents to ensure nothing is missing or damaged. Non-slip gloves are provided in the package for easier handling during installation.

Assembly

Detailed assembly instructions are provided with your JUMMICO Gaming Desk. Please follow the step-by-step guide carefully. All necessary tools for assembly are included in the package. It is recommended to have a second person assist with assembly for larger components.

Operating Instructions

LED Lighting System

The JUMMICO Gaming Desk features an RGB LED ambient lighting system. Connect the LED strip to a power source as indicated in the assembly instructions. Use the provided remote control to select from continuous color changing, monochrome, or various color changing modes. The light is designed to be gentle and not overly bright, providing an immersive gaming atmosphere.

Accessory Usage

Utilize the included organizer bag to store frequently used items, keeping your workspace clutter-free. The cable management tray helps to effectively avoid cable tangles, maintaining a neat setup. The separate cup holder and headphone hook ensure your drinks and headphones are always within reach, further contributing to an organized and efficient gaming environment.

Maintenance

Cleaning

To clean your JUMMICO Gaming Desk, simply wipe surfaces with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the finish. Ensure the desk is dry after cleaning.

Stability Check

Periodically check the adjustable legs to ensure the table maintains a stable balance, especially if moved or if placed on uneven floors or carpets. Tighten any loose connections as needed to maintain the desk's structural integrity.

Troubleshooting

If you encounter any issues with your JUMMICO Gaming Desk, please review the assembly instructions to ensure all components are correctly installed. For problems with the LED lighting system, check the power connection and remote control battery. If issues persist or for any other concerns, please contact JUMMICO customer service for assistance.
