EUGAD 40x51x17cm

EUGAD Wall Cabinet with Adjustable Shelf

Model: 40x51x17cm

INTRODUCTION

This instruction manual provides essential information for the safe and efficient assembly, operation, and maintenance of your EUGAD Wall Cabinet. Please read this manual thoroughly before installation and retain it for future reference.

The EUGAD Wall Cabinet, model 40x51x17cm, is a versatile storage solution designed for various rooms such as bathrooms, kitchens, and utility rooms. Its compact size and adjustable internal shelf make it ideal for optimizing storage in smaller spaces.

SAFETY INFORMATION

- Always follow the assembly instructions carefully. Incorrect assembly can lead to instability and potential injury.
- Ensure the cabinet is securely mounted to a suitable wall structure. Use appropriate wall anchors for your wall type (e.g., drywall, concrete, wood studs).
- Do not exceed the maximum weight capacity of 10 kg for the entire cabinet, or 5 kg per shelf. Overloading can cause the cabinet to detach from the wall or collapse.
- Keep small parts and packaging materials away from children to prevent choking hazards.

- Avoid placing hot items directly on the cabinet surface.
- Regularly check all mounting hardware and connections to ensure they remain tight and secure.

PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Cabinet Panels (Top, Bottom, Sides, Back, Door)
- Adjustable Shelf
- Door Handle
- Hinges and Mounting Hardware
- Shelf Pins
- Wall Mounting Hardware (screws, anchors)
- Assembly Manual
- Small Tools (e.g., Allen key, if required)

SETUP AND ASSEMBLY

Follow these steps for proper assembly and wall mounting of your EUGAD Wall Cabinet. A detailed graphical manual is included in your package.

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a clean, soft surface to prevent scratches. Identify each part using the included parts list.
2. **Assemble the Cabinet Frame:** Attach the side panels to the top and bottom panels using the provided fasteners. Ensure all connections are secure.
3. **Install the Back Panel:** Slide or fasten the back panel into place. This adds rigidity to the cabinet structure.
4. **Attach Hinges to Door:** Secure the hinges to the cabinet door. Pay attention to the orientation of the hinges.
5. **Mount Door to Cabinet:** Attach the door with hinges to the cabinet frame. Adjust as necessary for proper alignment and smooth opening/closing.
6. **Install Door Handle:** Secure the handle to the cabinet door.
7. **Insert Shelf Pins and Adjustable Shelf:** Place the shelf pins into the desired holes inside the cabinet. Then, rest the adjustable shelf on the pins. The shelf can be adjusted to different heights (8.2 cm or 9.9 cm intervals) to accommodate various item sizes.

Image: Detailed view of the adjustable shelf mechanism, showing the multiple pre-drilled holes for flexible shelf placement.

8. Wall Mounting:

- Choose a suitable location on your wall, ensuring there are no hidden pipes or electrical wires.
- Mark the drilling points on the wall according to the cabinet's mounting holes. Use a level to ensure accuracy.
- Drill pilot holes and insert appropriate wall anchors.
- Carefully lift the cabinet and align its mounting holes with the anchors. Secure the cabinet to the wall using the provided screws. Do not overtighten.

OPERATING AND USAGE

The EUGAD Wall Cabinet is designed for practical storage in various home environments.

- **Storage:** Utilize the adjustable shelf to customize storage space for items such as toiletries, cleaning supplies, kitchen utensils, or small medications. The total internal volume is approximately 30 liters.
- **Door Operation:** The cabinet features a single door with a handle for easy access. The door is

equipped with hinges designed for smooth opening and closing.

MAINTENANCE

To ensure the longevity and appearance of your EUGAD Wall Cabinet, follow these maintenance guidelines:

- **Cleaning:** Wipe the cabinet surfaces with a soft, damp cloth. For stubborn marks, a mild, non-abrasive cleaner can be used. Dry immediately with a clean cloth. Avoid harsh chemicals or abrasive cleaning tools.
- **Humidity Resistance:** The cabinet is constructed from E1-MDF, which offers good resistance to humidity, making it suitable for bathroom environments. However, avoid prolonged exposure to excessive moisture or standing water.
- **Hardware Check:** Periodically check all screws and fasteners, especially those for wall mounting and hinges, to ensure they are tight. Retighten if necessary.

TROUBLESHOOTING

If you encounter any issues with your EUGAD Wall Cabinet, please refer to the following common solutions:

- **Cabinet feels wobbly after installation:** Ensure all wall mounting screws are securely tightened. Verify that the wall anchors are appropriate for your wall type and installed correctly.
- **Door does not close properly:** Check the hinge alignment. Loosen hinge screws slightly, adjust the door position, and retighten. Ensure no items inside the cabinet are obstructing the door.
- **Shelf is not level:** Remove the shelf and shelf pins. Reinsert the pins into the corresponding holes on both sides, ensuring they are at the same height.
- **Missing parts:** Double-check the packaging. If parts are genuinely missing, contact customer support with your purchase details.
