SETUP AND PLACEMENT

Your COSTWAY throw pillows arrive ready for immediate use.

1. **Unpacking:** Carefully remove the pillows from their packaging.
2. **Initial Fluffing:** Gently fluff each pillow to restore its shape after transit.
3. **Placement:** Position the pillows on your sofa, bed, or other furniture to add comfort and decorative appeal.

USAGE GUIDELINES

These decorative throw pillows are designed for comfort and aesthetic enhancement.

- **Comfort:** Use the pillows to support your back, neck, or head while relaxing on a sofa or bed. The high-density micro mink filling provides a soft and comfortable experience.
- **Decoration:** Arrange the pillows to complement your interior decor, adding a touch of color and texture to any room.
- **Indoor Use:** These pillows are primarily intended for indoor use. If used outdoors, ensure they are kept dry to prolong their service life.

CARE AND MAINTENANCE

Proper care ensures the longevity and appearance of your pillows. The velvet pillow cases are removable for easy cleaning.

Cleaning the Pillow Covers:

1. **Remove Covers:** Locate the smooth zipper on each pillow cover and carefully unzip it to remove the cover from the inner pillow.
2. **Washing:** Hand washing is recommended for the velvet covers to maintain their quality and durability. Use cold water and a mild detergent.
3. **Drying:** Air dry the covers flat or hang them to dry. Avoid direct sunlight. Do not tumble dry.
4. **Reassembly:** Once completely dry, carefully place the covers back onto the inner pillows and zip them closed.

General Care:

- **Fluffing:** Regularly fluff your pillows to maintain their shape and loft.

- **Outdoor Use:** If using pillows outdoors, always ensure they are kept dry. Prolonged exposure to moisture can affect the materials.

TROUBLESHOOTING

Most common issues with throw pillows can be resolved with simple adjustments.

- **Pillow Appears Flat:** If a pillow seems to have lost some of its loft, gently fluff it by hand. You can also knead it to redistribute the micro mink filling evenly.
- **Cover Difficult to Remove/Replace:** Ensure the zipper is fully open. Gently fold the inner pillow to reduce its volume when inserting or removing the cover. Avoid forcing the zipper.
- **Stains on Cover:** Address stains promptly by spot cleaning with a mild detergent and cold water. For stubborn stains, follow the hand-washing instructions for the entire cover.
