3. Assembly Instructions

This bunk bed requires full assembly. It is recommended that two people assemble the bed. All necessary tools are included. Avoid using power tools during assembly to prevent damage to components.

3.1 Before You Begin

- Unpack all components and lay them out on a clean, soft surface (like a carpet or blanket) to prevent scratches.
- Verify that all parts and hardware are present by comparing them with the parts list provided in your packaging. If any parts are missing or damaged, contact customer support immediately.
- Familiarize yourself with the assembly diagrams provided in the physical manual.

3.2 Step-by-Step Assembly Overview

Follow the detailed diagrams and instructions provided in the physical manual included with your product. The general steps involve:

1. Assemble the lower bed frame.
2. Attach the support structures for the upper bed.
3. Assemble the upper bed frame, including guardrails.
4. Install the roof design elements.
5. Attach the slide securely to the upper bed.
6. Attach the ladder securely to the upper bed.
7. Tighten all bolts and screws once the entire structure is assembled. Do not overtighten.

4. Operating Instructions

4.1 Using the Bunk Beds

- Ensure mattresses are properly placed and fit within the bed frames.
- Always use the integrated ladder to access the upper bunk. Do not climb on the bed frame or guardrails.
- The upper bunk is designed for one occupant at a time.
- Ensure guardrails are always in place and secure when the upper bunk is in use.

4.2 Using the Slide

- The slide is intended for single-person use at a time.
- Supervise children when using the slide.
- Ensure the area around the slide exit is clear of obstructions.
- Do not climb up the slide. Always use the ladder to access the upper bunk before using the slide.

5. Maintenance and Care

- **Cleaning:** For general cleaning, wipe down the metal and MDF surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Product Care:** For the metal and MDF components, wipe with a soft, dry or slightly damp cloth. Do not use abrasive cleaners. For any fabric elements (not included with the bed but potentially added by user), follow their specific care instructions.
- **Hardware Check:** Periodically check all bolts, screws, and connections to ensure they remain tight. Retighten as necessary to maintain structural integrity and safety.
- **Inspection:** Regularly inspect the bed for any signs of wear, damage, or loose parts. Discontinue use if any significant

damage is found and contact customer support.

6. Troubleshooting

- **Difficulty during assembly:** If you find assembly challenging, ensure you have two people working together as recommended. Double-check the instruction diagrams carefully for correct orientation of parts. Some parts may appear similar but have subtle differences. Do not force parts together.
- **Wobbling or instability:** Ensure all bolts and screws are fully tightened. Check that the bed is placed on a level surface. If the issue persists, disassemble and reassemble, paying close attention to each connection.
- **Missing or damaged parts:** If any parts are missing or damaged upon arrival, do not proceed with assembly. Contact LostCat customer service immediately for replacement parts.
- **Slide not secure:** Ensure the slide is correctly attached to the upper bed frame according to the assembly instructions. Verify all fasteners are tight.
