## Bealife TB31-EU

# Bealife Bar Table Set with 2 Stools - Instruction Manual

Model: TB31-EU

## INTRODUCTION

---

This manual provides detailed instructions for the assembly, operation, and maintenance of your Bealife Bar Table Set with 2 Stools, model TB31-EU. Please read this manual thoroughly before assembly and use to ensure safe and correct operation.

## SAFETY INFORMATION

---

Please observe the following safety guidelines to prevent injury or damage to the product:

- Ensure all parts are securely fastened before using the table and stools.
- Keep the product away from heat sources and sharp objects.
- Do not place excessively heavy objects on the shelves to prevent tipping.
- Maintain a clear area around the table to avoid collisions and ensure safe movement.
- **Warning:** This product may contain small parts that could pose a choking hazard to young children. Keep children away during assembly and ensure all small parts are secured.

## COMPONENTS AND DIMENSIONS

---

Before assembly, verify that all components are present and undamaged. Refer to the diagram below for overall dimensions and individual part specifications.

Image: Detailed diagram illustrating the dimensions of the bar table (120cm L x 40cm W x 91.5cm H) and stools (32cm W x 60cm H), including shelf heights and weight capacities (100kg for table top, 40kg per shelf, 100kg for stool).

The set includes one bar table with two integrated shelves and one bottle rack, along with two matching bar stools. The table measures approximately 120 cm in length, 40 cm in width, and 91.5 cm in height. Each stool measures approximately 32 cm in width and 60 cm in height.

## SETUP AND ASSEMBLY

Assembly is required for this product. Follow these general guidelines for a smooth setup process:

- **Before starting:**

- Verify both packages and all parts are present.
- Prepare a clear workspace and count all components against the parts list (not provided in this manual, refer to

packaging).

- Wear gloves for safety during assembly.
- A screwdriver is included. For increased efficiency, an electric screwdriver (not included) is recommended.
- Follow the step-by-step assembly instructions provided with your product packaging.
- Ensure all screws and fasteners are tightened securely but do not overtighten.
- Once assembled, check the stability of the table and stools before use.

## OPERATION AND USAGE

---

The Bealife Bar Table Set is designed for versatile use in various settings. Its space-saving features and adjustable components enhance functionality.

### Space-Saving Design

The two included stools can be easily pushed under the table when not in use, optimizing space in smaller areas. The integrated shelves and bottle rack provide convenient storage for various items.

# Space Saving Design

2 stools can be pushed under the table to make optimal use of the space

## CARE AND MAINTENANCE

Proper care will extend the life and maintain the appearance of your Bealife Bar Table Set.

- **Cleaning:** The smooth surface is resistant to moisture and stains. Wipe clean with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Protection:** Avoid direct exposure to prolonged sunlight or extreme temperatures to prevent material degradation. Use coasters for drinks to protect the tabletop.

## TROUBLESHOOTING

This section addresses common issues you might encounter.

- **Wobbling Table/Stools:**

- Ensure all assembly screws are securely tightened.
- Adjust the non-slip feet on the table to compensate for uneven flooring.

- **Missing Parts or Assembly Difficulty:**

- If you encounter missing parts or difficulties during assembly, please contact customer support for assistance.
