iJoy iJoy Soundwave

iJoy SoundWave IPX8 Waterproof Bluetooth Speaker User Manual

Model: iJoy Soundwave | Brand: iJoy

1. INTRODUCTION

This user manual provides detailed instructions for the iJoy SoundWave IPX8 Waterproof Bluetooth Speaker. Please read this manual carefully before using the product to ensure proper operation and to maximize your listening experience. The iJoy SoundWave is designed for exceptional sound quality, durability, and visual aesthetics with its integrated LED lights.

2. PACKAGE CONTENTS

Verify that all items are present in the package:

- 1 × iJoy SoundWave Bluetooth Speaker
- 1 × Charging Cable

3. PRODUCT OVERVIEW

3.1 Speaker Components and Controls

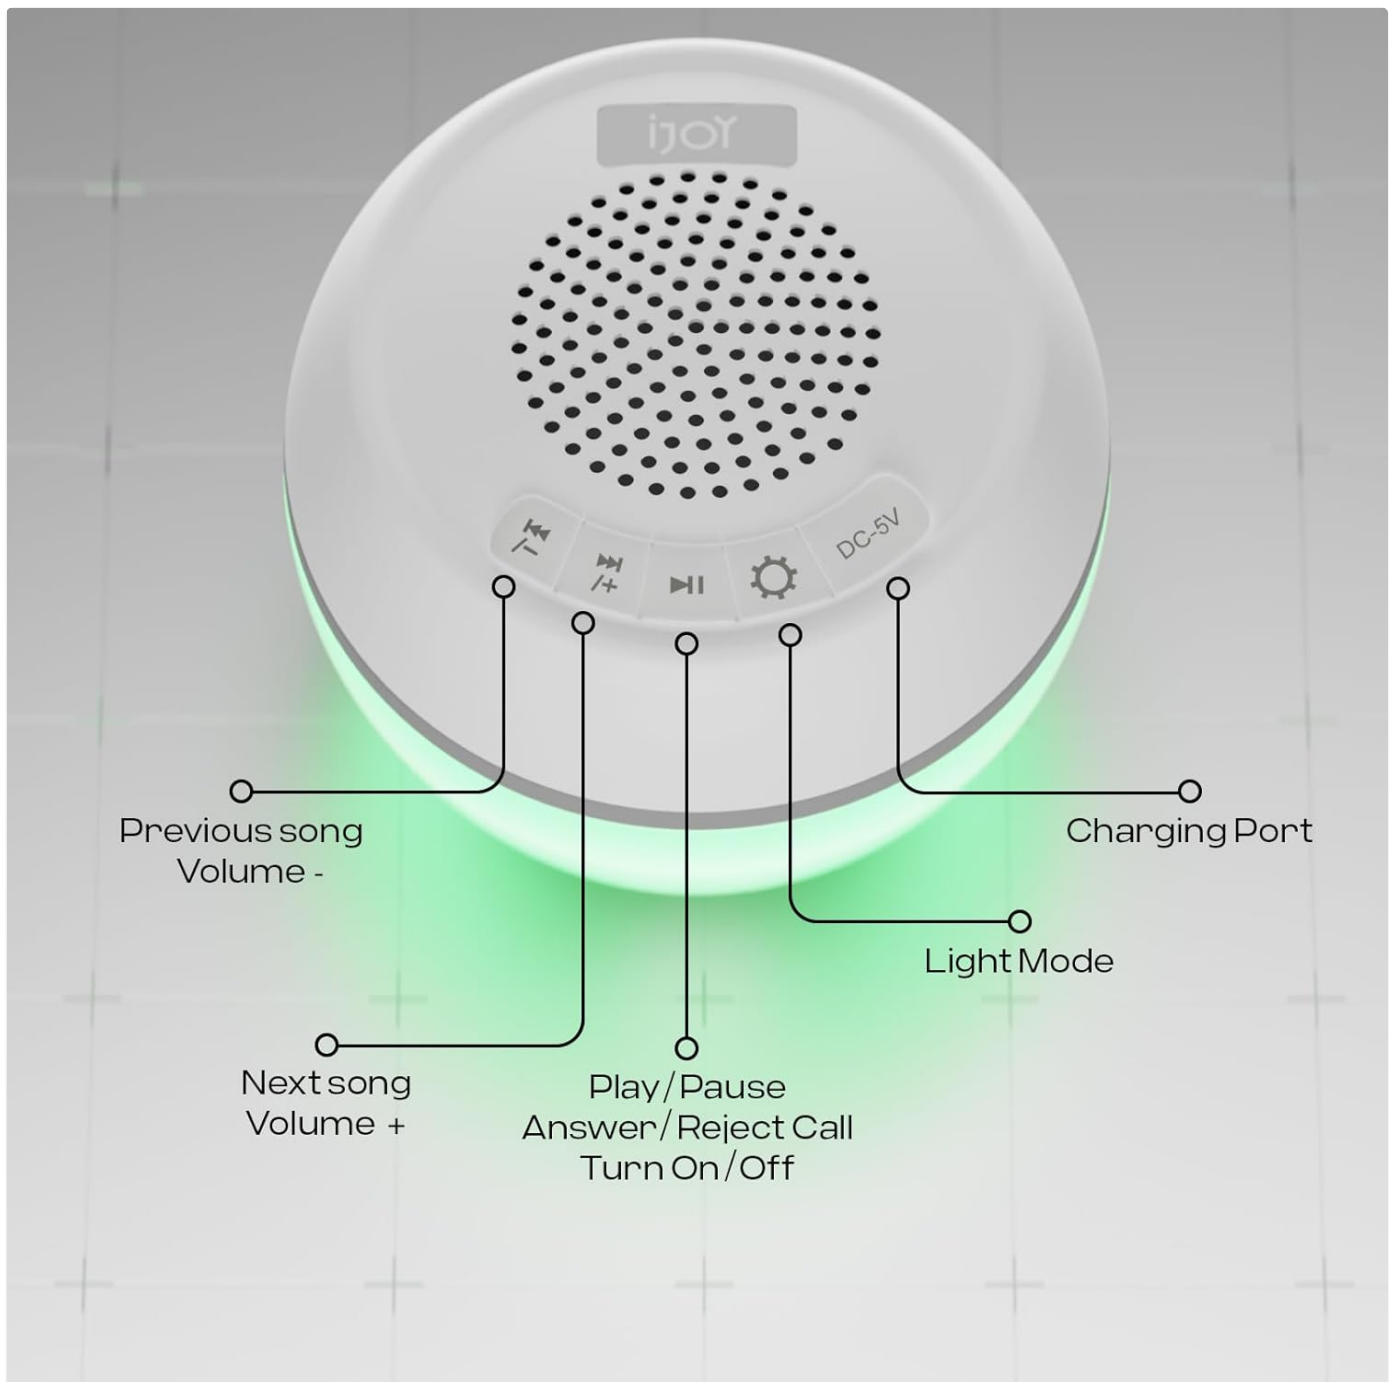

Figure 3.1: Top view of the iJoy SoundWave speaker showing control buttons and ports.

This image displays the top surface of the iJoy SoundWave speaker, highlighting its various controls. From left to right, the buttons are: Previous Song/Volume Down, Next Song/Volume Up, Play/Pause/Answer/Reject Call/Turn On/Off. To the right of the buttons, there is a Light Mode button and a DC-5V charging port.

- 1. Previous Song / Volume Down:** Short press to go to the previous song. Long press to decrease volume.
- 2. Next Song / Volume Up:** Short press to go to the next song. Long press to increase volume.
- 3. Play / Pause / Power / Call Control:** Short press to play or pause music. Long press to power on/off. Short press to answer/end calls. Long press to reject calls.
- 4. Light Mode:** Press to cycle through different LED light modes.
- 5. DC-5V Charging Port:** Connect the provided USB cable here for charging.

3.2 Key Features

- **IPX8 Waterproof Rating:** Designed to withstand immersion in water, making it suitable for use in wet environments like showers, pools, or beaches.
- **Colorful LED Lights:** Integrated LED lights that can sync with music, creating a dynamic visual experience.

- **Long Playtime:** Up to 8 hours of continuous audio playback on a single charge, thanks to its 2000mAh battery.
- **High-Quality Audio:** Delivers clear highs and deep, resonating bass for an immersive listening experience.
- **Bluetooth Connectivity:** Seamless wireless pairing with smartphones, tablets, and other Bluetooth-enabled devices.
- **Portable Design:** Compact and lightweight, ideal for on-the-go use.

This image shows the iJoy SoundWave speaker fully submerged in water, with text emphasizing its IPX8 protection, illustrating its capability to withstand water exposure.

8 HOURS OF PLAYTIME

The **2000mAh** battery ensures up to **8 hours** of continuous playback allowing you to enjoy your music without frequent recharging.

Figure 3.3: The iJoy SoundWave speaker illustrating its long battery life.

This image highlights the speaker's 8-hour playtime, showing the speaker on a surface with its LED light active, suggesting extended use without frequent recharging.

Figure 3.4: Visual representation of the iJoy SoundWave's high-quality audio experience.

This image features multiple iJoy SoundWave speakers with vibrant light effects, accompanied by text emphasizing a "Hi-Quality Audio Experience," visually representing the speaker's superior sound output.

4. SETUP

4.1 Charging the Speaker

Before first use, fully charge the iJoy SoundWave speaker. A full charge typically takes approximately 2-3 hours.

1. Connect the small end of the provided charging cable to the DC-5V charging port on the speaker.
2. Connect the standard USB end of the cable to a USB power adapter (not included) or a computer's USB port.
3. The LED indicator will illuminate during charging and turn off when fully charged.

4.2 Bluetooth Pairing

Pair your iJoy SoundWave speaker with your Bluetooth-enabled device (smartphone, tablet, etc.) to begin wireless audio

streaming.

1. Ensure the speaker is fully charged.
2. Press and hold the **Play / Pause / Power** button for approximately 3 seconds to turn on the speaker. You will hear an audible prompt indicating it is in pairing mode. The LED indicator will flash rapidly.
3. On your device, navigate to the Bluetooth settings.
4. Enable Bluetooth and search for available devices.
5. Select "**iJoy Soundwave**" from the list of found devices.
6. Once successfully paired, you will hear another audible prompt, and the LED indicator will stop flashing and remain solid.
7. The speaker will automatically reconnect to the last paired device when powered on, if the device is within range and Bluetooth is enabled.

5. OPERATING INSTRUCTIONS

5.1 Music Playback

- **Play/Pause:** Short press the **Play / Pause / Power** button.
- **Next Song:** Short press the **Next Song / Volume Up** button.
- **Previous Song:** Short press the **Previous Song / Volume Down** button.
- **Volume Up:** Long press the **Next Song / Volume Up** button.
- **Volume Down:** Long press the **Previous Song / Volume Down** button.

5.2 LED Light Modes

The iJoy SoundWave features multiple LED light modes to enhance your listening experience.

- **Change Light Mode:** Short press the **Light Mode** button to cycle through available light patterns and colors.
- **Turn Off Lights:** Continue pressing the **Light Mode** button until the lights turn off.

Figure 5.1: The iJoy SoundWave speaker submerged in water, showcasing its vibrant LED lights.

This image captures the iJoy SoundWave speaker partially submerged in water, with its base emitting a spectrum of colorful LED lights, demonstrating its waterproof feature and visual appeal.

5.3 Hands-Free Calling

When paired with your smartphone, the speaker can be used for hands-free calls.

- **Answer Call:** Short press the **Play / Pause / Power** button when an incoming call rings.
- **End Call:** Short press the **Play / Pause / Power** button during a call.
- **Reject Call:** Long press the **Play / Pause / Power** button when an incoming call rings.

6. MAINTENANCE

- **Cleaning:** Wipe the speaker with a soft, damp cloth. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the speaker in a cool, dry place away from direct sunlight and extreme temperatures when not in use for extended periods.
- **Water Exposure:** While IPX8 waterproof, ensure the charging port is dry before charging to prevent damage. After exposure to chlorinated or saltwater, rinse the speaker with fresh water and dry thoroughly.
- **Battery Care:** To prolong battery life, avoid fully discharging the battery frequently. Charge the speaker regularly, even if not in use.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Speaker does not turn on.	Battery is low or depleted.	Charge the speaker fully using the provided cable.
Cannot pair with Bluetooth device.	Bluetooth is not enabled on device; speaker is not in pairing mode; device is too far.	Ensure Bluetooth is on. Put speaker in pairing mode (long press power button). Move device closer to speaker (within 33 feet/10 meters).
No sound or low volume.	Volume on speaker or device is too low; speaker is not connected.	Increase volume on both speaker and connected device. Repair the speaker if disconnected.
LED lights are not working.	Lights are turned off; speaker is off.	Press the Light Mode button to cycle through modes. Ensure speaker is powered on.
Poor sound quality.	Device is too far; interference; low battery.	Move device closer. Avoid obstacles. Charge the speaker.
