SUNLEI Kitchen Island with Storage Cabinet & Drop Leaf (Model SL-SHX1539-BK) User Manual

Model: SL-SHX1539-BK

1. Introduction

Thank you for choosing the SUNLEI Kitchen Island. This versatile kitchen island is designed to provide additional storage, workspace, and serving area in your kitchen or dining space. It features a durable countertop, ample storage with drawers and cabinets, a foldable drop leaf for extended surface area, and lockable wheels for easy mobility.

This manual provides essential information for the safe assembly, operation, and maintenance of your new kitchen island. Please read it thoroughly before assembly and retain it for future reference.

2. Safety Information

Please observe the following safety guidelines to ensure safe use and prevent injury or damage to the product:

- Do not exceed the maximum weight capacity of 150 pounds (68 kg) on the countertop.
- Use caution when moving the kitchen island, especially on uneven surfaces, to prevent tipping.
- Be careful around sharp edges during assembly or use.
- Ensure all locking wheels are engaged when the island is in a stationary position to prevent unintended movement.
- Keep small parts and packaging materials away from children during assembly.

3. Package Contents

Your SUNLEI Kitchen Island package includes all necessary parts and hardware for assembly. Please refer to the detailed parts list provided in the separate assembly instruction manual included in the box to verify all components are present before beginning assembly.

4. Assembly Instructions

The SUNLEI Kitchen Island is designed for straightforward assembly. A comprehensive, step-by-step assembly instruction manual is included in your product packaging. Please follow the instructions carefully.

General Assembly Tips:

- Clear a spacious area for assembly.

- Identify all parts and hardware using the provided list.
- Do not overtighten screws during initial assembly; tighten fully once the unit is stable.
- It is recommended to have two people for assembly to ensure stability and ease of handling larger components.

6. Maintenance

6.1 Cleaning

To clean the kitchen island, wipe all surfaces with a dry cloth. For the rubberwood countertop, a damp cloth can be used, followed immediately by a dry cloth to prevent moisture damage. Avoid using harsh chemicals or abrasive cleaners, as these may damage the finish.

6.2 General Care

- Periodically check all screws and fasteners to ensure they remain tight. Retighten as necessary.
- Avoid exposing the island to excessive moisture or direct sunlight for prolonged periods.
- Do not place hot items directly on the countertop without protection.

7. Troubleshooting

If you encounter any issues with your SUNLEI Kitchen Island, please refer to the following common solutions:

- **Wobbly Island:** Ensure all assembly screws are securely tightened. Check that the island is on a level surface.
- **Drawers Sticking:** Verify that the drawer slides are properly aligned and free of obstructions. Ensure no items inside the drawer are preventing it from closing smoothly.
- **Wheels Not Locking:** Check that the locking mechanism on the wheels is fully engaged. Ensure no debris is obstructing the wheel locks.
- **Drop Leaf Not Stable:** Confirm that the support arm for the drop leaf is fully extended and locked into its designated position.

If problems persist, please contact customer support.
