FOMNEY C1-5080-25-W

FOMNEY C1-5080-25-W Vanity Desk User Manual

Comprehensive Assembly and Operation Guide

1. IMPORTANT SAFETY INFORMATION

Assemble furniture carefully following provided instructions. Ensure stability and secure placement to prevent tip-over. Keep small parts and tools away from children during assembly.

Always disconnect the vanity from the power source before cleaning or performing any maintenance.

Do not expose electrical components (mirror lights, charging station) to water or excessive moisture.

2. PACKAGE CONTENTS

Please verify that all components are present before beginning assembly. If any parts are missing or damaged, contact customer support.

- Vanity Desk Frame and Panels
- Sliding LED Mirror
- Upholstered Stool
- Assembly Hardware (screws, dowels, etc.)

3. ASSEMBLY INSTRUCTIONS

Assembly is required for this vanity desk. Please follow the detailed instructions provided in the separate assembly booklet included in your package. Ensure you have adequate space and the necessary tools (screwdriver, etc.) before starting.

Key Assembly Tips:

- Identify all parts: Each part is typically labeled with a sticker.

- Use the correct hardware for each step.
- Do not overtighten screws to avoid damaging the material.
- Assemble on a soft, clean surface to prevent scratches.
- It is recommended to have two people for certain assembly steps, especially when handling the mirror.

4. SETUP AND INITIAL USE

4.1 Power Connection

Once assembled, connect the vanity desk's power adapter to a standard electrical outlet. This powers both the LED mirror and the integrated charging station.

4.2 Stool Placement

Position the upholstered stool in front of the vanity desk for comfortable use.

5. OPERATING INSTRUCTIONS

5.1 LED Mirror Lights

The vanity mirror features integrated RGB LED lighting, controllable via touch buttons on the mirror or the included remote control.

- **RGB Static Light Mode:** Touch the RGB button on the mirror or use the remote. Long press the RGB static light button to adjust the brightness level.
- **Dynamic Light Mode:** Touch the dynamic light button on the mirror or use the remote. Long press the dynamic light button to adjust the speed of the color transformation.
- **Power On/Off:** Use the power button on the mirror or remote to turn the lights on or off.

6. MAINTENANCE AND CARE

- **Cleaning:** Wipe the surfaces of the vanity desk with a dry, soft cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Mirror Care:** Clean the mirror surface with a glass cleaner and a soft, lint-free cloth. Do not spray cleaner directly onto the mirror; apply it to the cloth first.
- **Electrical Components:** Ensure all electrical connections are secure. Do not attempt to repair or modify the LED lights or charging station yourself.
- **Stability:** Periodically check all screws and fasteners to ensure the desk remains stable. Tighten if necessary.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
LED lights not working	Power adapter not connected; loose connection; faulty component.	Ensure power adapter is securely plugged into the wall and the vanity. Check all cable connections. If problem persists, contact customer support.
Charging station not working	Power adapter not connected; device not compatible with wireless charging; loose cable connection.	Verify power connection. For wireless charging, ensure your device supports it and is placed correctly. Check USB/Type-C cable connections.
Mirror does not slide smoothly	Obstruction in the sliding mechanism; debris.	Inspect the sliding tracks for any obstructions or debris. Gently clean the tracks.
Desk feels unstable	Loose assembly screws.	Carefully re-tighten all assembly screws. Ensure the desk is on a level surface.
