

Generic LMT-M-F8-hei

Bluetooth Earphone Wireless Headphone Touch Control M-F8 User Manual

Model: M-F8 (LMT-M-F8-hei)

Brand: Generic

INTRODUCTION

Thank you for purchasing the Generic M-F8 Bluetooth Earphones. These wireless headphones are designed to provide a superior audio experience with powerful bass, clear vocals, and crisp highs, thanks to advanced chip technology and high-intensity magnetic drivers. Featuring intuitive touch controls and an ergonomic design, they offer comfort and convenience for various activities. Please read this manual carefully before using the product to ensure proper operation and to maximize its lifespan.

IMPORTANT SAFETY INFORMATION

Please read and follow these safety guidelines to prevent damage to the device or injury to yourself:

- Do not expose the earphones to extreme temperatures, humidity, or corrosive substances.
- Avoid dropping, impacting, or disassembling the device.
- Keep out of reach of children and pets.
- Do not use the earphones while driving or in situations where you need to be aware of your surroundings.
- Clean the earphones with a soft, dry cloth only. Do not use liquids or abrasive cleaners.
- Dispose of the product responsibly according to local regulations.

PACKAGE CONTENTS

Ensure all items are present in the package:

- Generic M-F8 Bluetooth Earphones (Left and Right)
- Charging Case
- USB Charging Cable
- User Manual
- Multiple sizes of ear tips (typically 3 sizes)

PRODUCT OVERVIEW

The M-F8 earphones feature an ergonomic design with ear hooks for a secure and comfortable fit. Each earbud includes a touch control area and an LED indicator.

This image displays the black Generic M-F8 Bluetooth Earphone, highlighting its ear hook design for secure wear and a visible blue LED indicator on the earbud body.

SETUP

1. Charging the Earphones and Case

Before first use, fully charge the earphones and the charging case.

- Connect the USB charging cable to the charging port on the case and a power source (e.g., computer USB port, wall adapter).
- The indicator lights on the charging case will show the charging status.
- Place the earphones into the charging case. They will automatically begin charging.
- A full charge typically takes approximately 1.5 hours for the case and earphones.

for a full charge, 20 hours of continuous use, and 200 hours of standby time.

2. Pairing with Your Device

The M-F8 earphones feature one-step auto pairing for convenience.

1. Ensure your device's Bluetooth is turned on.
2. Open the charging case and take out both earphones. They will automatically power on and enter pairing mode.
3. On your device's Bluetooth settings, search for "M-F8" or a similar name and select it to connect.
4. Once connected, you will hear a confirmation tone, and the earphone's LED indicator may change.
5. After the initial pairing, the earphones will automatically connect to the last paired device when taken out of the case.

Bluetooth after initial pairing.

OPERATING INSTRUCTIONS

1. Wearing the Earphones

The M-F8 earphones are designed for a secure and comfortable fit, especially during movement.

- Identify the Left (L) and Right (R) earphones.
- Gently place the earbud into your ear canal and rotate it slightly to ensure the ear hook sits comfortably and securely over your ear.
- Adjust the earphone until it feels snug and stable without causing pressure.

舒适佩戴

舒适佩戴 贴耳不掉

前后声腔采用108°小仰角设计,导通耳朵内外气压平衡。
单只耳机轻至3.5g,佩戴无负担。内附3种尺寸柔软硅胶耳塞,匹配耳道不挤压

play/pause, double tap for next track or answering calls, and triple tap for previous track or voice assistant activation.

MAINTENANCE

To ensure the longevity and optimal performance of your M-F8 earphones, follow these maintenance tips:

- **Cleaning:** Regularly clean the earbuds, ear tips, and charging contacts with a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials.
- **Storage:** When not in use, store the earphones in their charging case to protect them from dust and damage.
- **Battery Care:** Avoid fully discharging the battery frequently. Charge the earphones regularly, even if not used for extended periods, to maintain battery health.
- **Avoid Water:** While designed for active use, avoid submerging the earphones in water or exposing them to heavy rain.

TROUBLESHOOTING

If you encounter issues with your M-F8 earphones, refer to the following common problems and solutions:

| Problem | Possible Solution |
|-------------------------------------|--|
| Earphones not pairing | Ensure earphones are charged. Turn off and on Bluetooth on your device. Forget "M-F8" from your device's Bluetooth list and re-pair. |
| Only one earbud working | Place both earbuds back into the charging case, close the lid, wait a few seconds, then take them out again. Ensure both are charged. |
| No sound or low volume | Check the volume on both your device and the earphones. Ensure the earphones are properly connected. Clean any debris from the earbud mesh. |
| Charging issues | Ensure the charging cable is securely connected. Clean the charging contacts on both the earphones and the case. Try a different charging cable or power source. |
| Poor call quality / Noise reduction | Ensure the microphone is not obstructed. Move closer to your connected device. The earphones feature intelligent noise reduction for clearer calls. |
