4. SETUP AND ASSEMBLY

The Fameill Makeup Vanity Desk requires assembly. Detailed step-by-step instructions are included in your package. All parts and accessories are labeled to facilitate the process.

4.1 Assembly Recommendations

- **Time Required:** Assembly typically takes approximately 2-4 hours.
- **Tools:** An electric screwdriver is recommended for faster and easier assembly.
- **Assistance:** Having a second person assist with assembly can be beneficial.
- **Safety Anchor:** Ensure the vanity is securely anchored to a wall after assembly to prevent tipping.

5. OPERATING INSTRUCTIONS

5.1 LED Mirror Lights

The vanity mirror is equipped with 12 energy-saving LED lights offering three distinct lighting modes and adjustable brightness.

- **Power On/Off:** Use the sensitive switch to turn the lights on or off.
- **Changing Lighting Modes:** Short press the sensitive switch to cycle through the three lighting modes: Warm Light (3000K), Natural Light (4000K), and Cold Light (6000K).
- **Adjusting Brightness:** Long press the sensitive switch to adjust the brightness level within the currently selected lighting mode.

Extra Storage Box can also be used in other places

6. MAINTENANCE

To maintain the appearance and longevity of your vanity desk:

- **Cleaning:** Wipe the surfaces with a dry cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spills:** Promptly clean any spills to prevent staining or damage to the engineered wood.
- **Light Bulbs:** If a light bulb needs replacement, ensure the vanity is unplugged and use only compatible LED bulbs.

7. TROUBLESHOOTING

If you encounter any issues with your Fameill Makeup Vanity Desk, consider the following:

- **Assembly Difficulties:** Refer to the step-by-step instructions provided. Ensure all parts are correctly oriented and secured. If issues persist, contact customer support.
- **Lights Not Working:** Check if the power adapter is securely plugged into both the vanity and a working wall outlet. Ensure the sensitive switch is functioning correctly.
- **Stability Issues:** Verify that all screws are tightened. Ensure the vanity is placed on a flat, level surface. Utilize the provided safety anchor to secure the vanity to a wall.
