# GDLF Craft Cart Instruction Manual

Model: B0CJT8VR15

Brand: GDLF

## 1. INTRODUCTION

---

This manual provides detailed instructions for the assembly, operation, and maintenance of your GDLF Craft Cart, Model B0CJT8VR15. This versatile storage cabinet is designed to organize various crafting tools and materials, including Cricut machines, paper, vinyl, and heat presses. Its mobile design and thoughtful storage solutions aim to enhance your crafting workspace efficiency.

### Key Features:

- Integrated storage with four plastic drawers for diverse crafting tools and materials.
- Dedicated space for Cricut machines (Cricut Maker, Maker 3, Explore Air 2, Explore 3, Joy) and 12x12 inch paper.
- Three hooks for hanging cutting mats.
- Equipped with four universal wheels, two of which are lockable, for easy mobility and secure placement.
- Magnetic double-door design for concealed storage and aesthetic integration into home decor.

## 2. IMPORTANT SAFETY INFORMATION

---

**Please read and understand all safety instructions before assembly and use.**

- Ensure the cabinet is properly anchored to the wall to prevent tipping.
- Do not exceed the recommended weight limit for the top shelf and drawers.
- Keep fingers and other body parts away from the magnetic doors and wheels to avoid pinching.
- Assembly requires careful attention to detail. If you encounter any difficulties, refer to the customer service section.

## 3. PACKAGE CONTENTS

---

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer service.

- Craft Cart components (various panels, shelves, and drawers)
- Four plastic drawers
- Three adhesive hooks
- Four universal wheels (two with brakes)
- Assembly hardware (screws, dowels, etc.)
- Assembly tools
- Instruction manual

## 4. SETUP AND ASSEMBLY

---

The GDLF Craft Cart is designed for straightforward assembly. All accessories and hardware are clearly labeled, and the necessary tools are included. Follow the step-by-step instructions provided in the separate assembly guide that came with your product.

### **General Assembly Tips:**

- Lay out all components and hardware in an organized manner before starting.
- Identify each part by its label (e.g., Part 7, Part 6, Hardware H).
- Ensure all screws and fasteners are tightened securely but do not overtighten.
- Attach the four universal wheels to the base of the cart. Ensure the two wheels with brakes are positioned where they can be easily accessed for locking.

## 5. OPERATING YOUR CRAFT CART

Your GDLF Craft Cart is designed for efficient organization and mobility in your crafting space.

### 5.1 Storage and Organization

The cart features multiple compartments to accommodate various crafting items:

- **Top Shelf:** Ideal for placing your Cricut machine (e.g., Cricut Maker, Explore Air 2) or other frequently used tools. Dimensions of the top shelf are approximately 28.2" W x 13.3" D x 7.4" H.
- **Paper Organizer:** Multiple slots are available for organizing 12x12 inch paper, cardstock, and other flat materials.
- **Plastic Drawers:** Four removable plastic drawers provide versatile storage for vinyl rolls, pens, tools, and other accessories.
- **Hanging Hooks:** Three adhesive hooks are included for convenient storage of cutting mats on the exterior of the cart.

## 6. MAINTENANCE

To ensure the longevity and appearance of your GDLF Craft Cart, follow these simple maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.
- **Wheels:** Keep the wheels free of debris to ensure smooth movement. Lubricate if needed.

## 7. TROUBLESHOOTING

If you encounter any issues with your GDLF Craft Cart, refer to the following common solutions:

- **Wobbly Cart:** Check that all assembly screws are securely tightened. Ensure the cart is on a flat, even surface.
- **Doors Not Closing Properly:** Verify that the magnetic catches are correctly aligned and installed. Check hinges for proper attachment.

- **Wheels Not Rolling Smoothly:** Inspect wheels for any trapped debris (e.g., hair, lint). Clean as needed. Ensure brakes are disengaged.
- **Missing or Damaged Parts:** Refer to the customer service section for assistance.
