ROMANTIC BEAR 7827

ROMANTIC BEAR Portable Pet Playpen Instruction Manual

Model: 7827

INTRODUCTION

This manual provides instructions for the assembly, operation, maintenance, and troubleshooting of your ROMANTIC BEAR Portable Pet Playpen. Please read this manual thoroughly before use to ensure proper and safe operation.

SAFETY INFORMATION

- This product is designed for small animals weighing up to 25 lbs (for M size) or 50 lbs (for L size).
- **Warning:** Not suitable for pets with excessive teething or destructive chewing behavior, as this may damage the playpen and pose a choking hazard.
- Ensure all PVC pipes and fabric components are securely connected before placing a pet inside.
- Do not leave pets unattended for extended periods, especially if they are prone to anxiety or escape attempts.
- The bottom of the playpen is water-resistant for approximately 1 hour. For prolonged liquid exposure, use a blanket or puppy pad underneath and replace promptly to prevent leakage.
- Keep the playpen away from open flames or heat sources.

PACKAGE CONTENTS

Verify that all components are present before assembly:

- Fabric Playpen Enclosure (600D Oxford fabric with dense mesh)
- PVC Pipe Frame Components
- PVC Pipe Joints
- Carrying Case

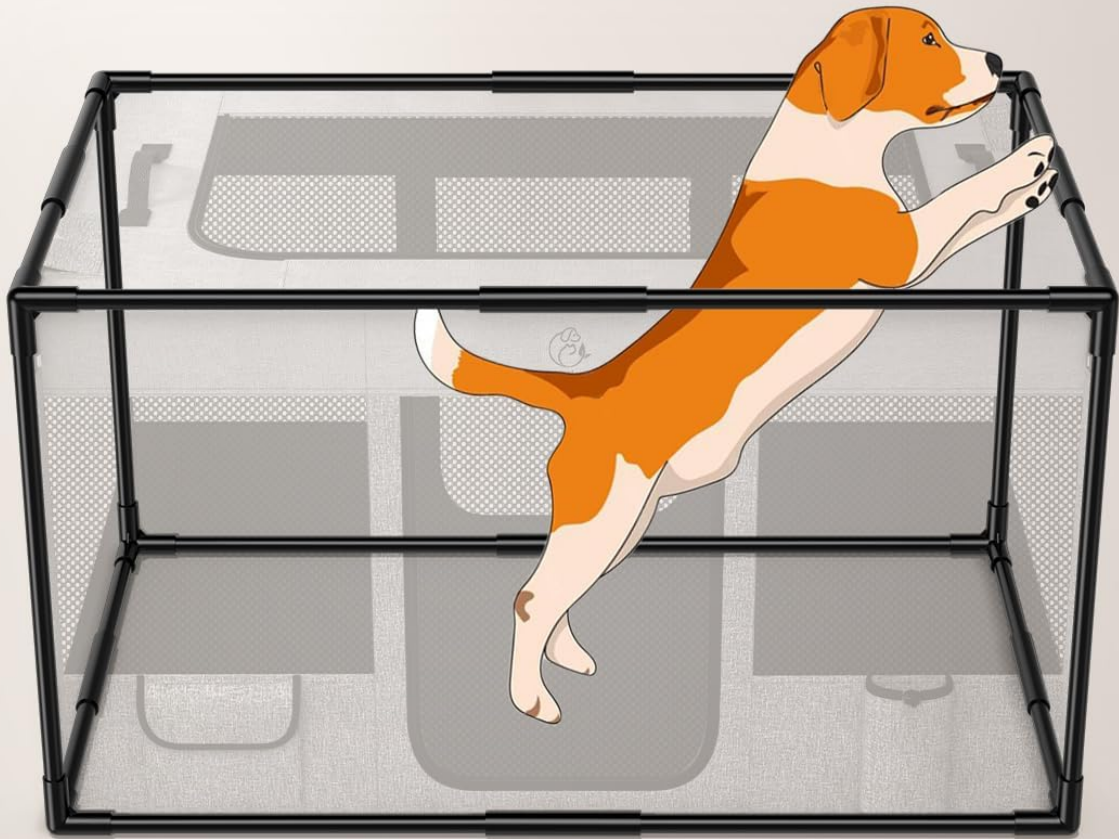

SETUP INSTRUCTIONS

Follow these steps to assemble your pet playpen:

1. **Unpack Components:** Remove all items from the carrying case and lay them out on a clean, flat surface.
2. **Assemble PVC Frame:** Connect the PVC pipes using the provided joints to form the rectangular frame. Ensure each connection is secure. The upgraded joint structure provides stability.

Stable Structure, Anti-deformation

Sturdy PVC pipes make the fence solid and stable

upgrade joints structure

Healthy Pipes

3. **Attach Fabric Enclosure:** Drape the fabric playpen enclosure over the assembled PVC frame. Ensure the mesh windows align with the frame sides and the top cover fits correctly.
4. **Secure Fabric:** Fasten the fabric to the PVC frame using any integrated straps or loops. Ensure the fabric is taut and evenly distributed.
5. **Verify Stability:** Once assembled, gently shake the playpen to confirm all connections are firm and the structure is stable.

OPERATING INSTRUCTIONS

- **Pet Entry/Exit:** Use the double-locked zipper on the front door for pet access. The door can be rolled up and secured with Velcro for an open entry.

Image: The playpen with its front door open for pet access and the top skylight open for interaction.

- **Top Access:** The top cover features a double-zippered opening, allowing for easy interaction with your pet from above.
- **Portability:** The playpen is lightweight and comes with a carrying case for easy transport. To store, disassemble the frame and fold the fabric enclosure.

Portable Pet Playpen with Carry Case

Convenient to carry and saves space

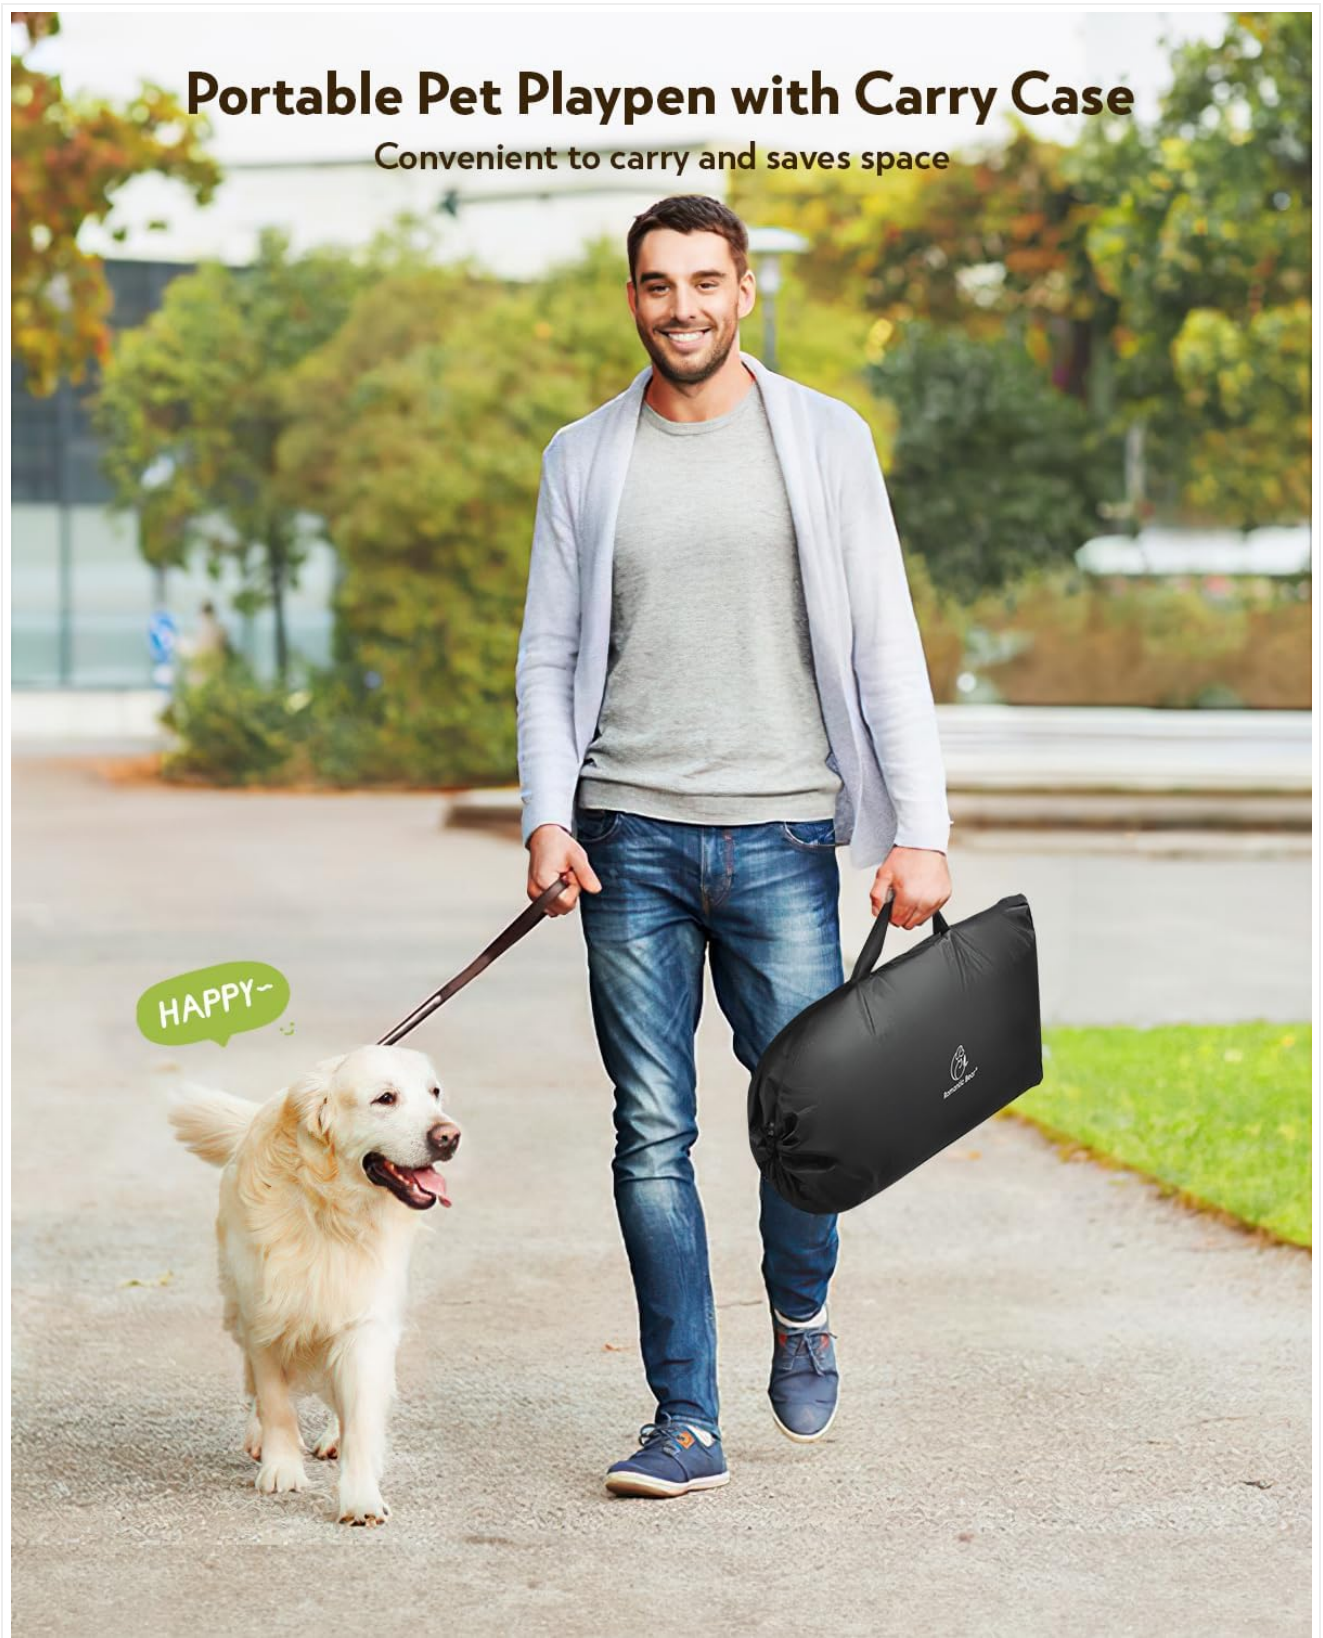

Image: A person carrying the portable pet playpen in its compact carrying case, demonstrating its portability.

- **Storage Pockets:** Utilize the external side pockets for storing small pet accessories, toys, or water bottles.

MAINTENANCE

- **Cleaning Fabric:** The 600D Oxford fabric and dense mesh can be spot cleaned with a damp cloth and mild soap. Allow to air dry completely before folding or storing.
- **Water-Resistant Bottom:** The PVC-coated bottom is water-resistant for up to 1 hour. Clean spills immediately to prevent saturation and leakage.

Breathable Waterproof Fabric Mesh

- **Frame Care:** Wipe PVC pipes with a damp cloth as needed. Avoid harsh chemicals that may degrade the plastic.
- **Storage:** When not in use, disassemble the playpen and store it in its carrying case in a cool, dry place away from direct sunlight.

TROUBLESHOOTING

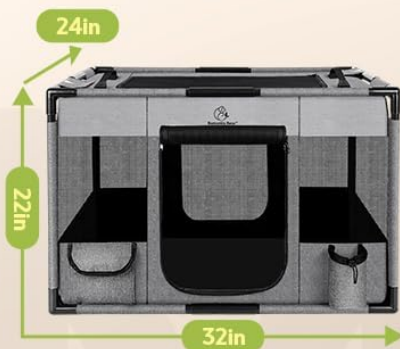

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Playpen is unstable.	PVC pipes not fully inserted into joints.	Ensure all PVC pipes are firmly pushed into their respective joints until secure.
Fabric does not fit correctly.	Fabric is misaligned or not fully stretched.	Re-adjust the fabric enclosure, ensuring it is centered and all attachment points are secured to the frame.
Pet attempts to chew or escape.	Pet anxiety, boredom, or destructive behavior.	Provide toys or treats. This playpen is not suitable for pets with destructive chewing habits. Supervise your pet.
Water leakage from bottom.	Liquid left for too long; bottom is only water-resistant, not fully waterproof.	Clean spills immediately. Use a puppy pad or blanket underneath for added protection and replace regularly.

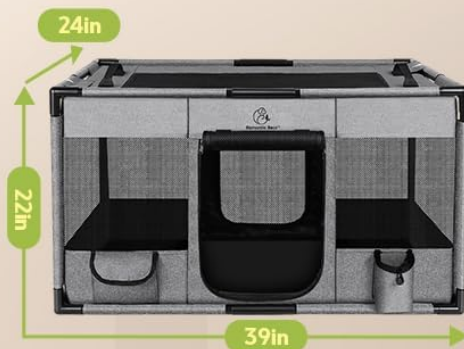

SPECIFICATIONS

Feature	Detail
Model Number	7827
Dimensions (M Size)	32"L x 24"W x 22"H
Dimensions (L Size)	39"L x 24"W x 22"H
