ALAULM Mix15Dabu

ALAULM 15-Piece Patio Furniture Set with 55000BTU Fire Pit Table Instruction Manual

Model: Mix15Dabu

1. Product Overview

The ALAULM 15-piece patio furniture set is designed for outdoor use, providing comfortable seating and a functional fire pit table. This set includes multiple sofa sections and coffee tables, allowing for flexible arrangements to suit various outdoor spaces. The fire pit table offers a 55,000 BTU heat output for warmth and ambiance.

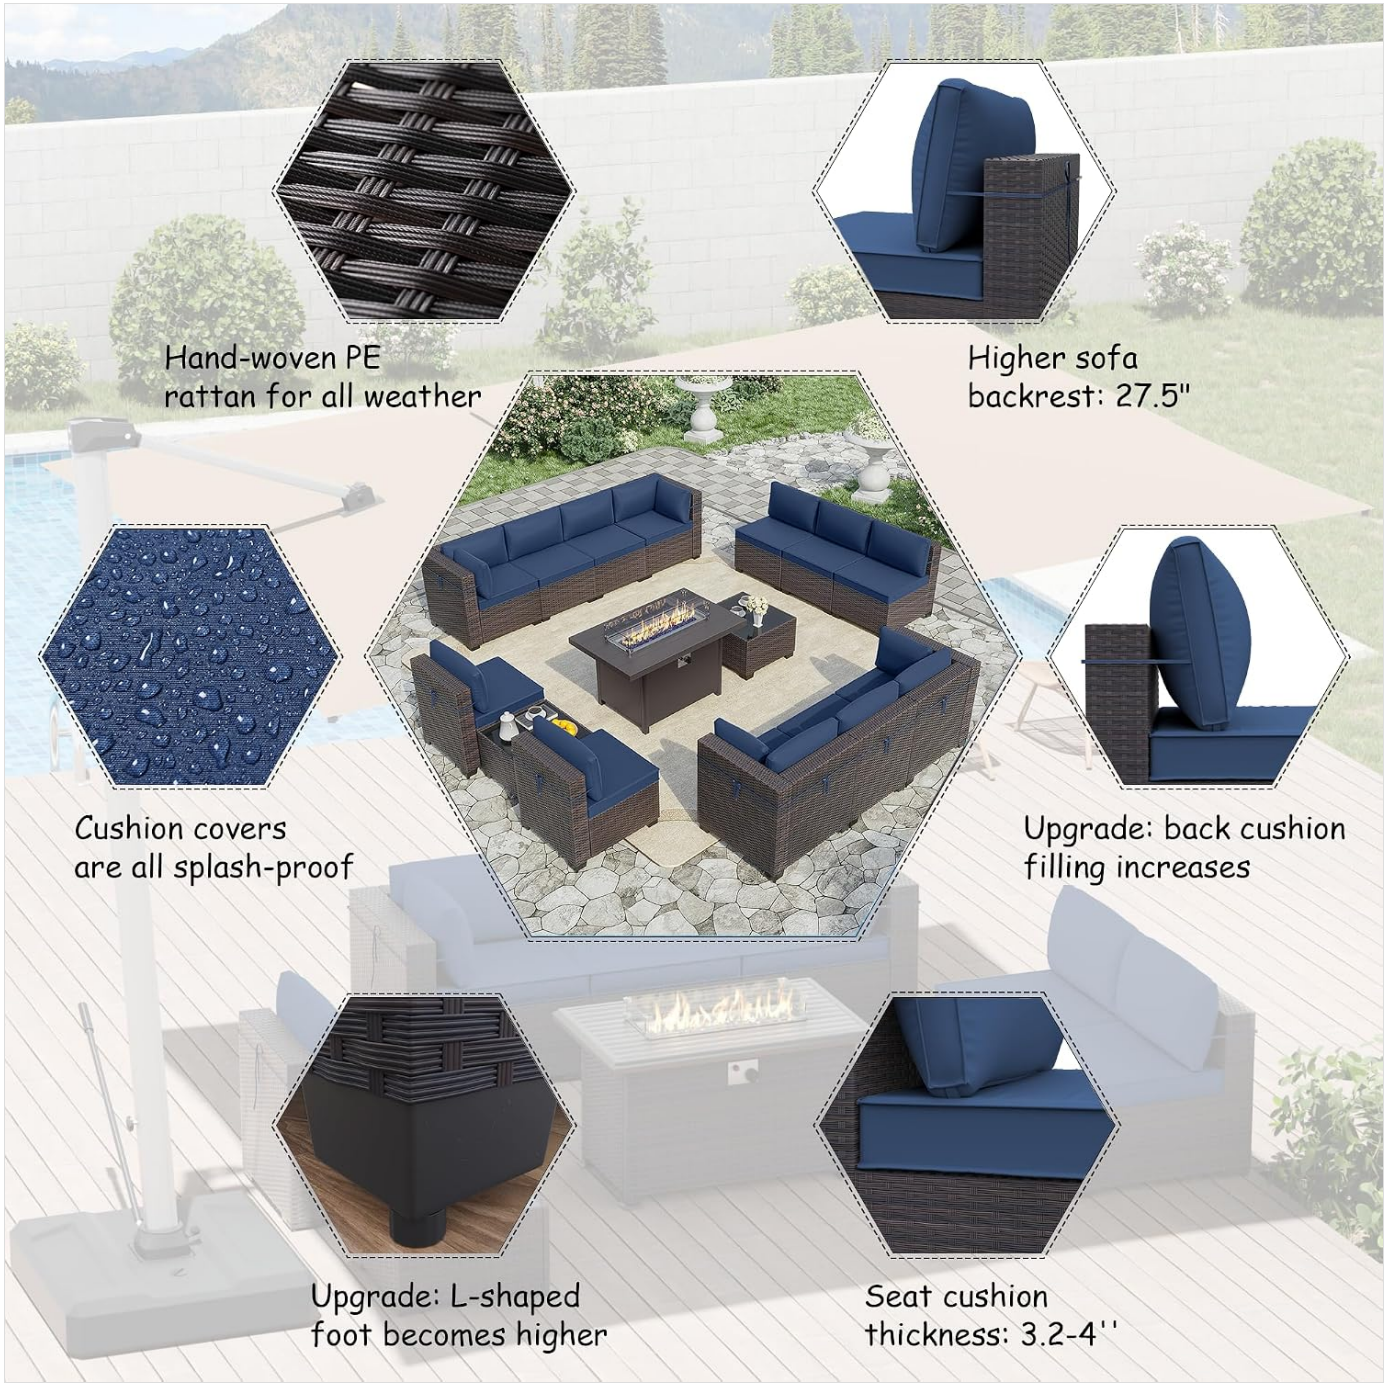

Image: Key features of the ALAULM patio furniture set, highlighting durable PE rattan, comfortable cushion thickness, and sturdy construction.

Key Features:

- **Sturdy Construction:** Powder-coated steel frames for sofas and an aluminum fire pit table top for rust prevention.
- **Durable Rattan:** Hand-woven PE rattan designed to withstand various weather conditions.
- **Comfortable Cushions:** 3.2-4 inch thick seat cushions with high resilience filling. Back cushions feature straps for secure attachment, and seat cushions have Velcro fasteners.
- **Powerful Fire Pit:** 55,000 BTU gas fire pit table with stainless steel burner and control panel, equipped with tempered glass wind guard.
- **CSA Certified:** Fire pit table is CSA certified for safety.

2. Package Contents

The ALAULM 15-piece patio furniture set is delivered in multiple boxes. Please ensure all components are present before

beginning assembly. The complete set includes:

- Corner Sofa × 4
- Armless Sofa × 8
- Coffee Table × 2
- Fire Pit Table × 1
- Cover for Fire Pit × 1
- Assembly Instructions × 1

3. Safety Information

Please read and understand all safety warnings and instructions before assembling, operating, or maintaining this product. Failure to follow these instructions may result in property damage, personal injury, or death.

- **Outdoor Use Only:** This furniture set and fire pit are designed for outdoor use. Do not use the fire pit indoors or in enclosed spaces.
- **Clearance:** Maintain adequate clearance from combustible materials around the fire pit. Refer to the fire pit manual for specific distances.
- **Ventilation:** Ensure proper ventilation when operating the fire pit.
- **Children and Pets:** Keep children and pets away from the fire pit, especially during operation.
- **Hot Surfaces:** The fire pit and surrounding areas will become hot during use. Allow sufficient time for cooling before

touching or moving.

- **Fuel:** Use only propane gas with the fire pit. Ensure the propane tank is properly connected and leak-tested before use.
- **Ignition:** Always follow the ignition instructions carefully. Do not lean over the fire pit during ignition.
- **CSA Certification:** The fire pit table is CSA certified, indicating it meets applicable safety standards.
- **Battery:** An AAA battery is required for the electronic ignition of the fire pit. Ensure it is correctly installed.

4. Setup Instructions

Assembly is required for this patio furniture set. It is recommended to have at least two people for assembly. Ensure you have sufficient space and all tools required (not included, typically a wrench or Allen key). The set arrives in 8 separate boxes, which may be delivered at different times. Please wait for all boxes to arrive before starting assembly.

General Assembly Steps:

1. **Unpack Components:** Carefully unpack all parts from the boxes. Lay them out on a soft, clean surface to prevent scratches. Verify all listed components are present.
2. **Assemble Sofa Frames:** Follow the specific instructions provided in the included manual for assembling each sofa section (corner and armless). Ensure all bolts are tightened securely but do not overtighten until all pieces are aligned.
3. **Assemble Coffee Tables:** Assemble the coffee tables according to the instructions.
4. **Assemble Fire Pit Table:** Assemble the fire pit table frame. Install the burner and control panel as directed. Ensure all gas connections are secure.
5. **Install Cushions:** Place the seat cushions onto the sofa bases, securing them with the integrated Velcro straps. Attach the back cushions, using the ties to secure them to the sofa frames.
6. **Arrange Furniture:** Once all pieces are assembled, arrange them in your desired configuration.

5. Operating Instructions (Fire Pit)

This section details the operation of the 55,000 BTU gas fire pit table. Always ensure the fire pit is placed on a level, non-combustible surface and away from any overhead obstructions or combustible materials.

Image: Detailed view of the fire pit table, showing the propane tank compartment.

Ignition Procedure:

1. **Install AAA Battery:** Before first use, insert one AAA battery into the electronic ignition button. Ensure correct polarity.
2. **Connect Propane Tank:** Ensure the propane tank is securely connected to the fire pit's gas line. Open the valve on the propane tank slowly.
3. **Open Gas Valve:** Turn the control knob on the fire pit to the 'LOW' position.
4. **Ignite:** Press and hold the electronic ignition button while simultaneously turning the control knob counter-clockwise to the 'HIGH' position. You should hear a click and see the flame ignite.
5. **Adjust Flame:** Once ignited, release the ignition button. Continue to hold the control knob for 10-15 seconds to ensure the thermocouple is heated and the flame remains lit. Adjust the flame height by rotating the control knob between 'LOW' and 'HIGH'.

Image: Close-up of the fire pit control panel and ignition instructions.

Shut-down Procedure:

1. **Turn Off Gas:** Rotate the control knob on the fire pit clockwise to the 'OFF' position.
2. **Close Propane Tank Valve:** Close the valve on the propane tank completely.
3. **Allow Cooling:** Allow the fire pit to cool down completely before covering or moving.

6. Maintenance

Regular maintenance will help prolong the life and appearance of your ALAULM patio furniture set.

General Care:

- **Cleaning Frames:** Wipe frames with a damp cloth. For stubborn dirt, use a mild soap solution and rinse thoroughly. Dry immediately to prevent water spots.

- **Rattan Care:** The PE rattan is weather-resistant. Clean with a damp cloth and mild soap as needed. Avoid harsh chemicals or abrasive cleaners.
- **Cushion Care:** Cushion covers are splash-proof. For general cleaning, spot clean with a damp cloth and mild soap. Allow to air dry completely. Store cushions indoors during prolonged periods of non-use or inclement weather to maintain their condition.
- **Fire Pit Maintenance:** Regularly inspect the fire pit's gas connections and burner for any signs of damage or blockage. Keep the burner area clean of debris. Use the provided cover when the fire pit is not in use to protect it from elements.
- **Storage:** During off-season or severe weather, it is recommended to cover the furniture set with a protective cover or store it in a sheltered area to extend its lifespan.

7. Troubleshooting

If you encounter issues with your ALAULM patio furniture set or fire pit, refer to the following common troubleshooting tips:

Fire Pit Not Igniting:

- **Check Battery:** Ensure the AAA battery in the ignition button is new and correctly installed with proper polarity.
- **Propane Tank:** Verify the propane tank valve is fully open and the tank contains sufficient fuel.
- **Gas Connection:** Confirm the gas line connection to the fire pit and tank is secure and free of leaks.
- **Ignition Sequence:** Re-attempt the ignition sequence, ensuring you press and hold the ignition button while turning the control knob, and continue holding for 10-15 seconds after ignition.
- **Burner Obstruction:** Check the burner ports for any obstructions.

Unstable Furniture:

- **Tighten Bolts:** Ensure all assembly bolts are securely tightened.
- **Level Surface:** Place the furniture on a flat, level surface.

If these steps do not resolve the issue, please contact customer support.

8. Specifications
