MAINTENANCE AND CARE

Proper care will extend the life and appearance of your sofa bed.

- **Regular Dusting:** Dust the sofa regularly with a soft, dry cloth to prevent dirt buildup.
- **Cleaning:** For spills or stains, clean gently with a clean, slightly damp cloth. Avoid rubbing vigorously.
- **Professional Cleaning:** Professional cleaning is recommended periodically for thorough maintenance.
- **Avoid Harsh Chemicals:** Never apply or clean with harsh chemicals, abrasive cleaners, or solvents, as these can damage the chenille fabric and frame.
- **Sunlight Exposure:** Avoid direct sunlight exposure to prevent fading of the upholstery fabric.
- **Pillow Covers:** The included pillows have removable covers for easy cleaning. Follow the care instructions on the pillow cover label.

TROUBLESHOOTING

If you encounter any issues with your Aiuyesuo L-Shape Reversible Sectional Sofa Bed, please consider the following:

- **Assembly Issues:** Ensure all bolts and connections are tightened according to the assembly instructions. Loose parts can affect stability.
- **Sleeper Mechanism:** If the pull-out mechanism is stiff, ensure there are no obstructions beneath or around the moving parts. Apply gentle, even pressure when extending or retracting.
- **Electrical Ports:** If USB ports or power sockets are not functioning, verify that the sofa is properly plugged into a working wall outlet. Check for any tripped circuit breakers.
- **Stability:** Ensure the sofa is placed on a flat, even surface. Uneven flooring can cause wobbling.
