**WLIVE ASNG099HH**

**WLIVE 9-Drawer Fabric Storage Tower Instruction Manual**

Model: ASNG099HH (Floral Painted)

**1. INTRODUCTION**

This instruction manual provides detailed guidance for the assembly, safe operation, and maintenance of your WLIVE 9-Drawer Fabric Storage Tower. Please read this manual thoroughly before assembly and use to ensure proper function and longevity of your product. Keep this manual for future reference.

## 2. SAFETY INFORMATION

To prevent injury or damage to the product, adhere to the following safety guidelines:

- **Anti-Tipping Device:** Always install the included anti-tipping accessories to secure the unit to a wall. This is crucial for stability and preventing accidental tipping, especially in households with children or pets.
- **Weight Distribution:** Distribute items evenly across drawers. Avoid placing excessively heavy objects in a single drawer or on the top surface. The wood top has a maximum weight capacity of approximately 50 lbs (22.7 kg).
- **Stable Surface:** Place the storage tower on a flat, level, and stable surface. Use the adjustable feet to compensate for uneven flooring.

- **Assembly:** Follow all assembly instructions carefully. Do not force parts together. Ensure all screws and fasteners are securely tightened before use.
- **Children:** Do not allow children to climb on or play with the storage tower or its drawers.

### 3. PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, contact WLIVE customer support.

- Steel Frame Components
- Wood Top Board
- Fabric Drawers (9 units: 3 medium, 6 large)
- Drawer Handles
- Adjustable Feet (4 units)

- Anti-Tipping Hardware
- Assembly Hardware (screws, bolts, Allen wrench)
- Instruction Manual

## 4. ASSEMBLY INSTRUCTIONS

---

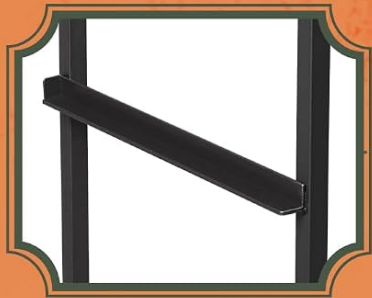

Assembly typically takes approximately 45-60 minutes with two people. A Phillips head screwdriver may be required in addition to the provided Allen wrench.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches. Identify each component using the parts list.
2. **Assemble Steel Frame:** Connect the vertical and horizontal steel frame bars according to the diagrams in the included assembly guide. Ensure all connections are secure but do not fully tighten screws until the frame is complete.
3. **Attach Adjustable Feet:** Screw the four adjustable plastic feet into the bottom of the assembled steel frame.
4. **Install Wood Top:** Place the wood top board onto the top of the steel frame. Align the pre-drilled holes and secure it with the provided screws. Fully tighten all frame screws once the top is in place.
5. **Prepare Fabric Drawers:** For each fabric drawer, insert the bottom support panel to create a rigid structure. Attach the handles to the front of each drawer.
6. **Insert Drawers:** Slide the assembled fabric drawers into their respective slots within the steel frame. The unit includes three medium drawers and six large drawers.
7. **Install Anti-Tipping Device:** Secure the anti-tipping strap to the back of the storage tower and then to a wall stud using the provided hardware. This step is critical for safety.

## 5. OPERATING INSTRUCTIONS

The WLIVE 9-Drawer Fabric Storage Tower is designed for organizing various household items. Its versatile design makes it suitable for bedrooms, hallways, entryways, or closets.

- **Drawer Usage:** Gently pull and push the fabric drawers using the handles. The drawers are designed to slide smoothly within the frame.
- **Storage Capacity:** The unit features three medium drawers (top row) and six large drawers (bottom rows). The large drawers are suitable for bulkier items like jeans (approx. 10-12 pairs) or sweaters (approx. 16-20 items), while medium drawers can hold smaller items like socks (approx. 45-50 pairs) or t-shirts (approx. 10-12 items).
- **Top Surface:** The sturdy wood top can be used to place lamps, clocks, books, or other decorative items. Do not exceed the 50 lbs (22.7 kg) weight limit.
- **Adjustable Feet:** If the unit feels unstable, adjust the plastic feet at the bottom by rotating them until the unit is level and stable on your floor.

# PRODUCT SIZE

# LARGE STORAGE SPACE

Medium Drawers **x 3**

45 - 50 Socks

10 - 12 T-shirts

Large Drawers **x 6**

10 - 12 Jeans

16 - 20 Clothes

Image 5.2: Product dimensions (39.6" L x 11.8" W x 40.2" H) illustrated for scale.

## 6. MAINTENANCE AND CARE

Regular maintenance ensures the longevity and appearance of your storage tower.

- **Cleaning the Frame and Top:** Wipe the steel frame and wood top with a dry, soft cloth. For stubborn marks on the wood top, a slightly damp cloth can be used, followed immediately by a dry cloth. Avoid harsh chemicals or abrasive cleaners.
- **Cleaning Fabric Drawers:** The non-woven fabric drawers can be spot cleaned with a mild detergent and a damp cloth. Allow to air dry completely. Do not machine wash or tumble dry.
- **Inspection:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary.
- **Avoid Moisture:** While the wood top is water-resistant, prolonged exposure to moisture should be avoided. Promptly wipe up any spills.

## 7. TROUBLESHOOTING

If you encounter issues with your storage tower, refer to the following common solutions:

| Problem                              | Possible Cause                                            | Solution                                                                                                                                                     |
|--------------------------------------|-----------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit is wobbly or unstable.          | Uneven floor; loose connections.                          | Adjust the leveling feet at the bottom of the frame. Ensure all frame screws are tightened. Verify the anti-tipping device is securely installed.            |
| Drawers do not slide smoothly.       | Drawer not properly inserted; items obstructing movement. | Ensure the drawer is fully inserted and aligned with the frame's supports. Check for any items inside the drawer or frame that might be causing obstruction. |
| Drawer appears saggy or loses shape. | Bottom support panel not inserted; overloaded drawer.     | Ensure the rigid bottom support panel is correctly placed inside the fabric drawer. Reduce the weight or volume of items stored in the drawer.               |

## 8. SPECIFICATIONS

- **Brand:** WLIVE
- **Model Name:** ASNG099HH
- **Color:** Floral Painted
- **Overall Dimensions (L x W x H):** 39.6" x 11.8" x 40.2" (100.6 cm x 30 cm x 102.1 cm)
- **Item Weight:** 29 lbs (13.15 kg)
- **Number of Drawers:** 9 (3 medium, 6 large)
- **Materials:** Steel frame, MDF wood top, non-woven fabric drawers
- **Assembly Required:** Yes
- **Care Instructions:** Wipe with dry cloth (frame/top), spot clean (fabric drawers)
