SEDETA home office desks with drawers2

SEDETA 63-inch Computer Desk User Manual

Model: home office desks with drawers2

PRODUCT OVERVIEW

The SEDETA 63-inch Computer Desk is designed for home office and gaming environments, offering a spacious work surface and integrated storage solutions. This desk features a monitor stand, a pull-out keyboard tray, lockable drawers for file storage, a power outlet with USB ports, and an RGB LED lighting system.

SETUP AND ASSEMBLY

Careful assembly is required. It is recommended to have two people for assembly. Ensure all parts are present before beginning. Refer to the detailed instructions provided in the packaging for step-by-step guidance. Do not fully tighten screws until all components are aligned.

Package Contents

- Desk components (panels, frame parts)
- Hardware kit (screws, cam locks, dowels, etc.)
- Assembly instructions
- RGB LED light strip with remote/APP control
- Power outlet unit with AC and USB ports

Assembly Tips

1. Unpack all components and verify against the parts list.
2. Organize hardware by type to simplify the process.
3. Assemble on a soft, clean surface to prevent scratches.
4. Follow the numbered steps in the provided manual precisely.
5. Ensure all connections are secure before use.

OPERATING INSTRUCTIONS

Power Outlet and USB Charging Station

The desk includes an integrated power outlet with 4 AC outlets and 2 USB charging ports. This unit provides convenient power for up to 6 devices simultaneously. Ensure the power cord is securely plugged into a wall outlet. Use the integrated

switch to control power to the outlets.

Convenient Charging Station

Includes 4-Outlet & 2 USB Ports to provide power for up to 6 devices simultaneously.

RGB LED Lighting System

The desk is equipped with an RGB LED light strip. Control the lighting via the included remote control or a dedicated smartphone application. Features include multiple colors, 29 flashing modes, music sync function (with built-in adjustable microphone), and a timer function. Refer to the separate LED light manual for detailed instructions on APP pairing and advanced features.

Keyboard Tray and Monitor Stand

The pull-out keyboard tray is designed to accommodate 108-key or 87-key keyboards and a mouse, freeing up desktop space. The extra-long monitor stand elevates monitors to an ergonomic height, reducing neck and back strain. It can support up to three monitors.

21.7" Extra Large Keyboard Tray

Perfect for any **108**-key or **87**-key keyboard+mouse

MAINTENANCE

Cleaning

- Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- For spills, clean immediately to prevent staining.
- Dust regularly to maintain appearance.

Safety Precautions

- Do not allow children to climb or play on the product.
- Ensure the desk is placed on a level surface to prevent tipping.
- Do not overload shelves or drawers beyond their weight capacity (Maximum Weight Recommendation: 352

Pounds).

- Keep liquids away from the power outlet and LED light strip.

TROUBLESHOOTING

Common Issues and Solutions

- **LED Lights Not Working:**
Check if the power adapter is securely connected. Ensure the remote control or APP is properly paired. Verify the power switch for the LED strip is on.
- **Power Outlets Not Functioning:**
Confirm the desk's main power cord is plugged into a live wall outlet. Check the power switch on the outlet unit. If an external surge protector is used, ensure it is functioning.
- **Drawers Sticking or Not Closing Properly:**
Inspect the drawer slides for any obstructions or debris. Ensure the drawer is not overloaded. Verify that the drawer slides were installed correctly during assembly.
- **Desk Wobbles:**
Check all assembly screws and bolts to ensure they are fully tightened. Ensure the desk is on a flat, even surface. Adjust any leveling feet if present.

If you encounter issues not listed here, or if parts are damaged or missing, please contact customer support for assistance.
