

MOOKA M03

MOOKA M03 HEPA Air Purifier User Manual

Model: M03

1. PRODUCT OVERVIEW

The MOOKA M03 is a high-efficiency HEPA air purifier designed for large rooms, offering advanced air filtration and additional features like aromatherapy. It effectively captures airborne particles such as wildfire smoke, pet hair, dander, odors, pollen, and dust.

Key Features:

- H13 True HEPA Filtration System
- Aromatherapy Function
- 4 Fan Speeds (Sleep/Low/Med/High)
- Child Lock
- Timer Settings (2H/4H/6H/8H)
- Sleep Mode (15dB)
- Filter Replacement Indicator
- Optional Night Light

What Makes **M03** Stand Out?

The Best Powerful Air Purifier for Large Room.

Figure 1.1: MOOKA M03 Air Purifier with highlighted features.

2. SETUP AND INSTALLATION

2.1 Unpacking

Carefully remove the air purifier from its packaging. Ensure all components are present: the main unit and the filter (usually pre-installed inside the unit).

2.2 Filter Installation

The H13 True HEPA filter is typically pre-installed but may be sealed in plastic for freshness. Before first use, remove the plastic packaging from the filter.

1. Turn the air purifier upside down.
2. Twist the base cover counter-clockwise to unlock and remove it.
3. Carefully pull out the filter.
4. Remove all plastic packaging from the filter.
5. Insert the filter back into the unit.
6. Replace the base cover and twist clockwise to lock it securely.

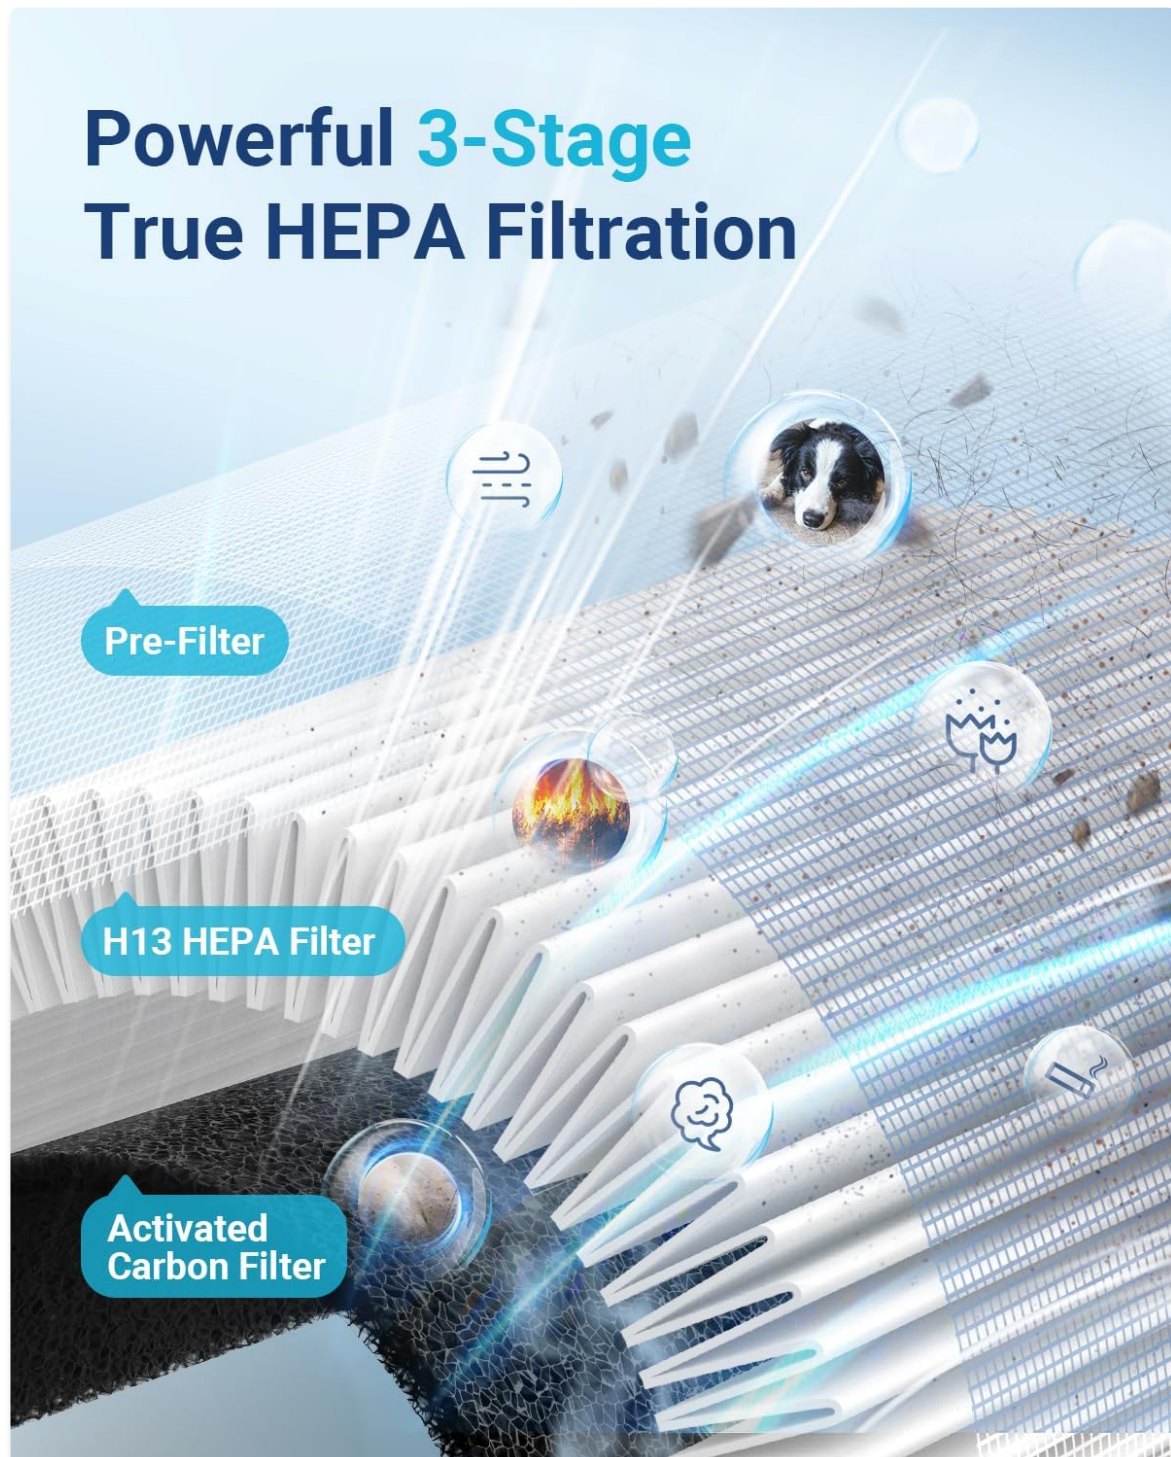

Figure 2.1: The 3-stage filtration system of the MOOKA M03.

2.3 Placement

Place the air purifier on a flat, stable surface. Ensure there is at least 15 inches (38 cm) of clearance around the unit for optimal air circulation. Avoid placing it near heat sources, in direct sunlight, or in areas with high humidity.

Refresh **Larger** Rooms in Less Time

Only Feel Flowing and fresh air.

Figure 2.2: Optimal placement for effective air purification in a large room.

3. OPERATING INSTRUCTIONS

3.1 Power On/Off

Plug the power cord into a wall outlet. Press the **Power Button** on the control panel to turn the unit on or off.

3.2 Fan Speed Adjustment

Press the **Fan Speed Button** to cycle through the available fan speeds: Sleep, Low, Medium, and High. The current speed will be indicated on the display.

Figure 3.1: Fan speed settings including Sleep mode.

3.3 Sleep Mode

Activate **Sleep Mode** for quiet operation (as low as 15dB) and dimmed display lights, ideal for nighttime use. Press the Fan Speed Button until Sleep mode is selected.

Figure 3.2: The MOOKA M03 in Sleep Mode for undisturbed rest.

3.4 Timer Settings

Press the **Timer Button** to set the operating duration for 2, 4, 6, or 8 hours. The unit will automatically turn off after the selected time has elapsed.

Figure 3.3: Timer function for scheduled operation.

3.5 Child Lock

To activate the **Child Lock**, press and hold the Child Lock button for 3 seconds. This prevents accidental changes to settings by children or pets. Repeat the action to deactivate.

Friendly Child Lock

Avoid incorrect operation caused by curiosity of children or pets.

Figure 3.4: Child Lock feature for safety.

3.6 Night Light

The unit features an optional night light. Press the **Light Button** to turn it on or off as desired.

3.7 Aromatherapy Function

To use the aromatherapy feature, add a few drops of essential oil to the aromatherapy pad located on the top of the unit. The air purifier will then diffuse the scent into the room.

Aromatherapy Diffuser

Drop some essential oil sometimes when you need to relax.

*Essential oils not included.

Figure 3.5: Adding essential oils to the aromatherapy pad.

4. MAINTENANCE

4.1 Filter Replacement Indicator

The filter replacement indicator light will flash when the filter has been used for approximately 1440 hours, signaling that it is time to replace the filter.

4.2 Filter Replacement Procedure

It is recommended to replace the filter every 3-6 months, depending on usage and air quality.

1. Turn off and unplug the air purifier.

- 2. Turn the unit upside down and remove the base cover.
- 3. Remove the old filter.
- 4. Insert a new genuine MOOKA replacement filter (search for B0CJY9NP7H).
- 5. Replace the base cover and lock it.
- 6. Plug in the unit. Press and hold the **Filter Reset Button** for 3 seconds to reset the indicator light.

Figure 4.1: Steps for filter replacement and resetting the indicator.

4.3 Cleaning the Unit

Wipe the exterior of the air purifier with a soft, dry cloth. Do not use abrasive cleaners or immerse the unit in water.

5. TROUBLESHOOTING

If you encounter issues with your MOOKA M03 air purifier, please refer to the following common solutions:

- **Unit does not turn on:** Ensure the power cord is securely plugged into a working outlet. Check if the filter is correctly installed and the base cover is locked.
- **Airflow is weak:** Check if the filter is clogged and needs replacement. Ensure there are no obstructions around the air intake or outlet.
- **Unusual noise:** Verify that the unit is placed on a stable, flat surface. Check if the filter is properly seated.
- **Filter indicator light still flashing after replacement:** Make sure you pressed and held the Filter Reset Button for 3 seconds after installing the new filter.
- **Aromatherapy scent is weak:** Ensure enough essential oil has been applied to the pad. The intensity of the scent can vary based on oil type and fan speed.

For further assistance, please contact customer support.

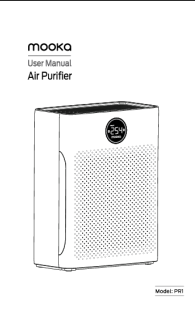

6. SPECIFICATIONS

Model Number	M03
Product Dimensions	7.7"D x 7.7"W x 16.9"H (19.5 x 19.5 x 42.9 cm)
