HOMCOM Folding Dining Table Instruction Manual

Model: UK835-621V00GY

1. INTRODUCTION

Thank you for choosing the HOMCOM Folding Dining Table. This versatile and space-saving furniture piece is designed to adapt to your needs, functioning as a dining table, office desk, or console table. Its innovative drop-leaf design, integrated storage, and rolling casters make it an ideal solution for homes with limited space. Please read this manual carefully before assembly and use to ensure safe and proper operation.

2. SAFETY INFORMATION

Adhering to these safety guidelines is crucial for preventing injury and damage to the product.

- **Weight Limit:** Do not exceed the maximum load capacity of 20kg (44 lbs) on the tabletop. Overloading can cause structural damage or collapse.
- **Caster Brakes:** Always ensure the lockable wheels are engaged (brakes applied) when the table is stationary or in use to prevent unintended movement.
- **Stable Surface:** Place the table on a flat, stable, and level surface to prevent tipping.
- **Assembly:** Follow all assembly instructions precisely. Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten fasteners as needed.
- **Children and Pets:** Keep children and pets away from the table during assembly. Do not allow children to climb on or play with the table.
- **Hot Items:** Avoid placing extremely hot items directly on the tabletop. Use coasters or protective mats.
- **Chemicals:** Do not use harsh chemicals or abrasive cleaners on the table's surface.

3. PACKAGE CONTENTS

Before beginning assembly, please verify that all components listed in the packaging list are present and undamaged. If any parts are missing or damaged, please contact HOMCOM customer support immediately.

4. SETUP AND ASSEMBLY

Assembly of the HOMCOM Folding Dining Table requires careful attention to detail. It is recommended to have two people for assembly. While instructions are provided, some users have noted that pre-drilling pilot holes for screws can improve stability and ease of assembly, as not all holes may be pre-drilled.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface (e.g., a blanket or carpet) to prevent scratches.
2. **Identify Parts:** Refer to the included parts list and diagrams to identify each component.
3. **Follow Step-by-Step Instructions:** Adhere strictly to the numerical sequence of the assembly instructions provided in your package. Each step builds upon the previous one.
4. **Secure Fasteners:** Ensure all screws, bolts, and connectors are tightened securely. Do not overtighten, as this can strip threads or damage the material.
5. **Attach Casters:** Install the rolling casters as per the instructions. Ensure they are firmly attached and can rotate freely.
6. **Final Check:** Once assembled, gently test the table's stability and the functionality of the folding mechanisms and casters before placing any items on it.

5. OPERATING INSTRUCTIONS

The HOMCOM Folding Dining Table offers flexible configurations to suit various needs.

5.1. Folding and Expanding the Tabletop

- **Fully Folded (Console Table):** Both side tabletops are dropped down, creating a compact console table ideal for hallways or against a wall. This configuration maximizes space.
- **Half Extended (4-Person Dining):** Lift one side tabletop until it locks into place. This provides a comfortable dining space for up to four people.
- **Fully Extended (6-Person Dining):** Lift both side tabletops until they lock securely. This configuration offers the largest surface area, accommodating up to six people for dining or a spacious workspace.

5.2. Using the Rolling Casters

The table is equipped with two lockable wheels on each side panel for easy movement.

- **To Move:** Ensure the caster brakes are disengaged. Gently push or pull the table to its desired location.
- **To Secure:** Once the table is in position, press down on the locking lever of each caster to engage the brake. This will prevent the table from rolling.

5.3. Utilizing Storage Shelves

The table features two discreet center shelves, providing convenient storage for small items, protected by the side tabletops when folded down.

- **Access:** The shelves are accessible from the sides of the table, even when the tabletops are folded.
- **Storage:** Use these shelves for storing small kitchen essentials, office supplies, or decorative items.

6. MAINTENANCE

Proper care will extend the life and appearance of your HOMCOM Folding Dining Table.

- **Cleaning:** Wipe the table surface with a dry, soft cloth. For stubborn marks, a slightly damp cloth followed by a dry cloth can be used. Avoid abrasive cleaners or harsh chemicals.
- **Spills:** Clean up spills immediately to prevent staining or damage to the engineered wood.
- **Fasteners:** Periodically check all screws and fittings to ensure they remain tight. Re-tighten as necessary to maintain stability.
- **Casters:** Keep the caster wheels free of debris (hair, dust, etc.) to ensure smooth movement.

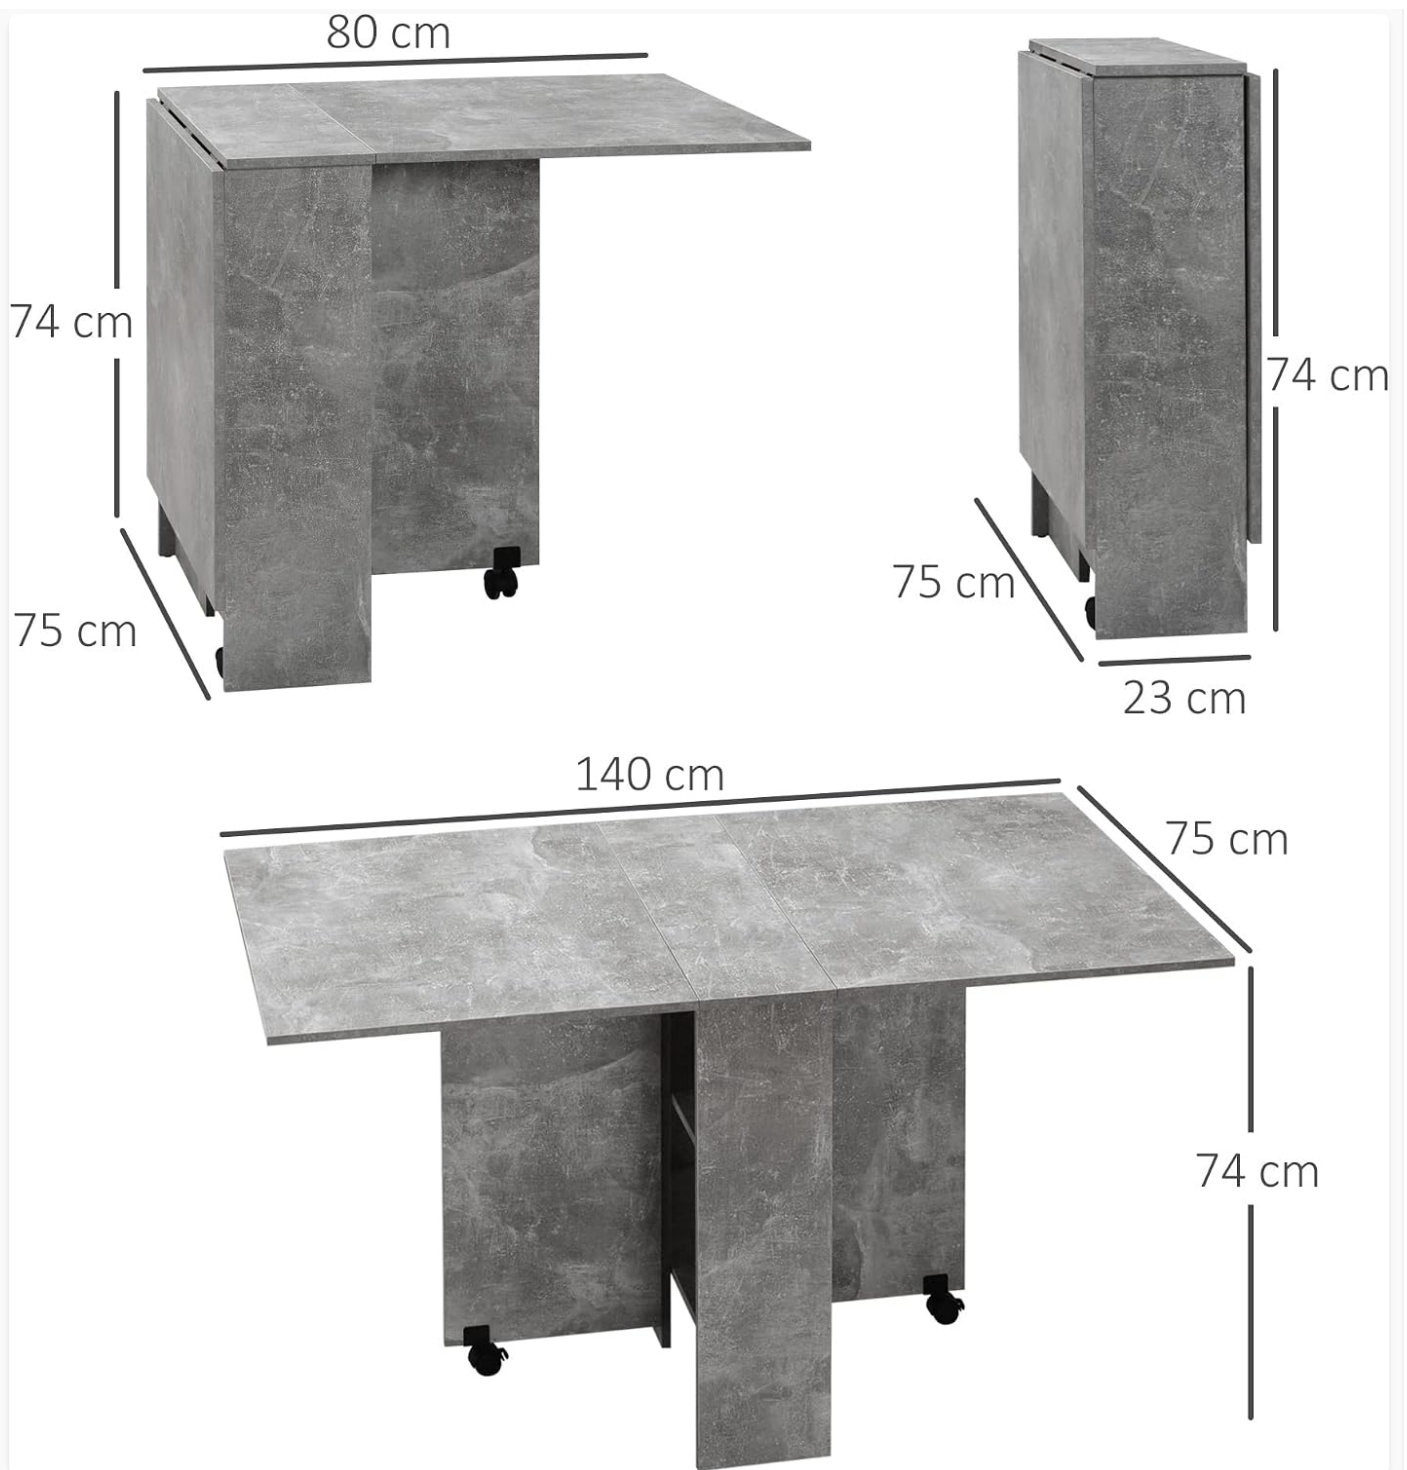

7. TROUBLESHOOTING

If you encounter any issues with your HOMCOM Folding Dining Table, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Table feels wobbly or unstable.	Loose fasteners; uneven floor; incorrect assembly.	Check and tighten all screws and bolts. Ensure the table is on a level surface. Review assembly instructions to confirm correct setup.
Tabletop does not fold/expand smoothly or lock into place.	Obstruction in mechanism; misaligned parts; damaged locking pin.	Check for any debris or objects obstructing the folding mechanism. Ensure parts are correctly aligned. If a locking pin is damaged, contact customer support.
Casters do not roll smoothly or lock.	Debris in wheels; brake mechanism jammed; damaged caster.	Clean any hair or debris from the caster wheels. Check if the brake lever is stuck. If the caster is damaged, it may need replacement.
Table appears smaller than expected.	Misconception of dimensions; product designed for small spaces.	Please refer to the detailed dimensions provided in the specifications section and product listing to ensure it meets your space requirements. This table is specifically designed to be compact and space-saving.
