## 4. SETUP

This Playmobil set requires no complex assembly. Simply unbox the components and arrange them as desired to create your jungle adventure scene. Figures and accessories are ready for play directly out of the packaging.

1. Carefully remove all pieces from the packaging.
2. Place the rock gate structure in your desired play area.
3. Position the treasure chest and other accessories around the rock gate to create the treasure hunt environment.
4. Place the explorer figures and quad vehicle in the scene, ready for adventure.

## 5. OPERATING INSTRUCTIONS

### 5.1. Using the Jungle Quad Vehicle

The jungle quad features a pullback motor for dynamic play. To operate:

1. Place a figure on the quad's seat.
2. Pull the quad backward along a flat surface.
3. Release the quad to watch it propel forward.

## 5.2. Engaging in Treasure Hunt Play

Use the included accessories to create various treasure hunt scenarios:

- **Map and Compass:** Guide your figures through the jungle using the treasure map and compass accessories.
- **Hidden Treasure:** Place the gold pieces inside the treasure chest and hide it within the rock gate or other parts of your play environment.
- **Jungle Obstacles:** Position the spider and snake figures to create challenges for the treasure hunters.
- **Figure Interaction:** The figures can hold various accessories like torches, swords, and shovels to enhance imaginative play.

## 6. MAINTENANCE AND CARE

To ensure the longevity and hygiene of your Playmobil set:

- **Cleaning:** Easily clean the plastic pieces by placing them under running water. Avoid using harsh chemicals or abrasive cleaners, as these can damage the material or paint.
- **Storage:** Store the set in a clean, dry place away from direct sunlight and extreme temperatures to prevent material degradation and color fading.
- **Inspection:** Periodically inspect all pieces for any signs of wear or damage. Discard any broken pieces to prevent injury.

## 7. TROUBLESHOOTING

Playmobil sets are designed for durability and ease of use. Should you encounter any issues:

- **Missing Pieces:** Refer to the "What's Included" section and the product packaging to confirm all pieces. If a piece is genuinely missing, contact Playmobil customer support.
- **Quad Not Moving:** Ensure the pullback motor is fully engaged by pulling the quad backward firmly before releasing it on a smooth, flat surface.

- **General Play Issues:** Most issues can be resolved by re-examining the setup and ensuring all components are used as intended.
