# RS Enterprises Womens Cotton Leggings RS-2972 Instruction Manual

Your guide to care and use

## INTRODUCTION

---

Thank you for choosing RS Enterprises Womens Cotton Leggings, Model RS-2972. These leggings are designed for comfort and versatility, suitable for various occasions as fusion wear or regular attire. Crafted from premium cotton lycra fabric, they offer a comfortable fit and maintain their solid color through washes. This manual provides essential information on how to care for and maintain your leggings to ensure their longevity and appearance.

## SETUP AND FIRST USE

---

Upon receiving your RS Enterprises Cotton Leggings, please follow these steps before the first wear:

1. **Unpacking:** Carefully remove the leggings from their packaging.

2. **Initial Inspection:** Examine the leggings for any manufacturing defects or damage. If any issues are found, please contact your retailer immediately.
3. **Pre-wash:** It is recommended to wash the leggings before the first wear to remove any manufacturing residues and to ensure optimal hygiene. Refer to the 'Maintenance' section for detailed washing instructions.

## WEARING INSTRUCTIONS

---

These leggings feature a 'Pull On' closure type, designed for ease of wear and a comfortable fit.

- **Putting On:** Gently pull the leggings up, ensuring they are evenly distributed across your legs and waist.
- **Fit:** The cotton lycra fabric provides a skinny leg style that conforms to your body shape. Ensure the waistband sits comfortably without being too tight or too loose.
- **Styling:** These leggings are versatile and can be paired with various tops, tunics, or dresses for a complete look.

## CARE AND MAINTENANCE

---

Proper care is crucial for maintaining the quality, color, and fit of your RS Enterprises Cotton Leggings. Please follow these instructions:

- **Washing:** Machine wash cold with like colors. Use a gentle cycle to prevent excessive wear.
- **Detergent:** Use a mild detergent. Avoid harsh chemicals or bleach, as these can damage the fabric and fade the color.
- **Drying:** Tumble dry low or line dry in shade to preserve fabric elasticity and prevent shrinkage. Avoid high heat drying.
- **Ironing:** If necessary, iron on a low heat setting. Do not iron directly on any printed labels or embellishments.
- **Storage:** Store leggings folded neatly in a cool, dry place to maintain their shape and prevent creasing.

## TROUBLESHOOTING

---

While these leggings are designed for durability, occasional issues may arise. Here are some common concerns and solutions:

- **Color Fading:** If the color appears to fade, ensure you are washing with cold water and a mild detergent, and avoiding direct sunlight during drying.
- **Shrinkage:** Excessive heat during washing or drying can cause shrinkage. Always machine wash cold and tumble dry low or line dry.
- **Pilling:** Pilling (small balls of fiber on the fabric surface) can occur with friction. Washing inside out and avoiding abrasive surfaces can help minimize this.

## PRODUCT SPECIFICATIONS

---

Feature	Detail
Brand	Generic
Model Number	RS-2972
Material Type	Cotton
Closure Type	Pull On
Leg Style	Skinny
Care Instructions	Machine Wash
Department	Women
Manufacturer	RS Enterprise
